*Version Control with Git takes you step-by-step through ways to track, merge, and manage software projects, using this highly flexible, open source version control system. Git permits virtually an infinite variety of methods for development and collaboration. Created by Linus Torvalds to manage development of the Linux kernel, it's become the principal tool for distributed version control. But Git's flexibility also means that some users don't understand how to use it to their best advantage. Version Control with Git offers tutorials on the most effective ways to use it, as well as friendly yet rigorous advice to help you navigate Git's many functions. With this book, you will: Learn how to use Git in several real-world development environments Gain insight into Git's common-use cases, initial tasks, and basic functions Understand how to use*

Git for both centralized and distributed version control Use Git to manage patches, diffs, merges, and conflicts Acquire advanced techniques such as rebasing, hooks, and ways to handle submodules (subprojects) Learn how to use Git with Subversion Git has earned the respect of developers around the world. Find out how you can benefit from this amazing tool with Version Control with Git. Authorized King James Version with Apocrypha. The classic version, its continued dynamism, and capacity to present itself in a new light to every generation. All ages. PSYCHOLOGY: THEMES AND VARIATIONS, BRIEFER EDITION, 9TH EDITION helps you experience the excitement of this fascinating field, while helping you study and retain what you learn! Filled with practical ways that you can apply psychology to your everyday life, this best-selling psychology textbook is an experience in learning that you'll remember long after you complete your introductory psychology course. Critical Thinking Applications in every chapter give you specific critical thinking strategies you can apply to what you read. Every chapter of this book offers tools to help you focus on what's important and shows you how to study in ways that help you retain information and do your very best on exams. Available with InfoTrac Student Collections <http://gocengage.com/infotracc>. Important Notice: Media content referenced within the product description or the product text may not be

available in the ebook version. Numerous illustrations of Biblical peoples and lands accompany this commentary on the New Testament Gospel of John. Charged with comic energy and a steely disregard for any pieties whatsoever, *Barney's Version* is a major Richler novel, the most personal and feeling book of a long and distinguished career. Told in the first person, it gives us the life (and what a life!) of Barney Panofsky--whose trashy TV company, *Totally Useless Productions*, has made him a small fortune; whose three wives include a martyred feminist icon, a quintessential JCP (Jewish-Canadian Princess), and the incomparable Miriam, the perfect wife, lover, and mother--alas, now married to another man; who recalls with nostalgia and pain his young manhood in the Paris of the early fifties, and his lifelong passion for wine, women, and the Montreal Canadiens; who either did or didn't murder his best friend, Boogie, after discovering him in bed with The Second Mrs. Panofsky; whose satirical eye for the idiocies of today's Quebec separatists (as well as for every other kind of political correctness) manages to offend his entire acquaintanceship (and will soon be offending readers everywhere); and whose memory--though not his bile--is, in his sixty-seventh year, definitely slipping . . .

Best Seller! Sturdy hardcover binding and high-quality fine-grain paper makes the New Revised Standard Version (NRSV) Bible both handsome and compact, a perfect Bible for church or home. The

New Revised Standard Version also includes reader's aids and supplements. FEATURES AND BENEFITS Suitable for bulk distribution Perfect for missions related activities Highly readable 7 point font Light weight and easy to carry Paragraph format Double column for easy comparison DESCRIPTION The Modern English Version (MEV) Economy Bible is a great resource for the first time Bible user or for the person/organization looking to impact the lives of others through the distribution of God's Word. Produced with the clear, accurate yet reverent MEV text this Bible will help individuals understand the story of God in a compelling way. Verse Comparison Romans 10:9 MEV That if you confess with your mouth Jesus is Lord, and believe in your heart that God has raised Him from the dead, you will be saved. KJV That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. The King James Version of the Bible has been a popular translation for centuries, and is regarded as one of the most accurate translations of the Bible into the English language. This handsome edition is presented with a quality leather binding, sturdy slipcase, gilt pages, and ribbon bookmark. With its durable binding and classic presentation, this is a perfect edition to give as a gift, or to keep for daily personal use. "Scripture reading is our spiritual meal-time." --Spurgeon's "Words of Counsel" Make the most of your mornings

and evenings with Spurgeon's classic devotional--presented here in your choice of elegant bonded leather bindings and Scripture translations. Enjoy the original edition with Spurgeon's classic prose accompanied by the beautiful language of the King James Version of the Bible. Or select the gently updated edition which combines a contemporary language text revision with the fresh, meaningful prose of the New International Version. No matter which you choose, you'll appreciate Spurgeon's insight and wise counsel--and his love for and knowledge of the Word of God. Meditating on two portions of Scripture each day--732 in all--with applications relevant for contemporary Christians, Spurgeon's characteristic comments hit home with a wit and style rarely found in other writings. These unabridged editions of his beloved devotional feature gold-gilded page edges, a ribbon marker, and illuminated first letters on each reading. A concise text index lets you discover what Spurgeon had to say on nearly every biblical topic. And a topical index helps you find his thoughts and wisdom on specific issues you're dealing with right now. "Morning and Evening" is a welcome gift for any occasion--and Spurgeon's reflections bring a special richness to personal time with the Lord, too For courses in basic electronics and electronic devices and circuits A user-friendly, hands-on introduction to electronic devices filled with practical applications and software simulation Electronic

*Devices (Conventional Current Version), 10/e, provides a solid foundation in basic analog electronics and a thorough introduction to analog integrated circuits and programmable devices. The text identifies the circuits and components within a system, helping students see how the circuit relates to the overall system function. Full-color photos and illustrations and easy-to-follow worked examples support the text's strong emphasis on real-world application and troubleshooting. Updated throughout, the Tenth Edition features selected circuits keyed to Multisim V14 and LT Spice files so that students learn how to simulate, analyze, and troubleshoot using the latest circuit simulation software. Additionally, an entirely new Chapter 18, "Communication Devices and Methods," introduces communication devices and systems. Student resources are available on the companion website [www.pearsonhighered.com/careersresources/](http://www.pearsonhighered.com/careersresources/) . A guide to the Black and White versions of the popular game provides strategies, techniques, and descriptions of all the Pokêmon. The great spiritual classic by Julian of Norwich is now available in modern, easy-to-comprehend language that stays true to Julian's original meanings. Her ancient wisdom is as relevant now as it was in the 14th century's world of plague, prejudice, and war. Discover Julian's joyous affirmation of the certainty of Divine love, a love that overcomes all."Julian would be pleased with this rendering of the Showings into contemporary*

English. The even-handed blending here of simple language and the grandeur of Julian's content is flawless; and the happy result is that the Showings slip into our minds and hearts as effortlessly as if the mystic of Norwich were speaking to us herself, face-to-face and soul-to-soul."--Phyllis Tickle, founding editor of Publishers Weekly Religion Department, author of *The Great Emergence, How Christianity is Changing and Why*; *The Words of Jesus, A Gospel of the Sayings of Our Lord*; and the *Divine Hours* series. The New Oxford Annotated Bible offers a vast range of information, including extensive notes by experts in their fields; in-text maps, charts, and diagrams; supplementary essays on translation, biblical interpretation, cultural and historical background, and other general topics. Extensively revised, the Annotated Fourth Edition adds to the established reputation of this essential biblical studies resource. This timely edition maintains and extends the excellence the Annotated's users have come to expect, bringing still more insights, information, and perspectives to bear upon the understanding of the biblical text. The American master's first novel since *Winter's Bone* tells of a deadly dance hall fire and its impact over several generations. Alma DeGeer Dunahew, the mother of three young boys, works as the maid for a prominent citizen and his family in West Table, Missouri. Her husband is mostly absent, and, in 1929, her scandalous, beloved younger sister is

one of the 42 killed in an explosion at the local dance hall. Who is to blame? Mobsters from St. Louis? The embittered local gypsies? The preacher who railed against the loose morals of the waltzing couples? Or could it have been a colossal accident? Alma thinks she knows the answer-and that its roots lie in a dangerous love affair. Her dogged pursuit of justice makes her an outcast and causes a long-standing rift with her own son. By telling her story to her grandson, she finally gains some solace-and peace for her sister. He is advised to "Tell it. Go on and tell it"-tell the story of his family's struggles, suspicions, secrets, and triumphs. In this brief text, two leaders of the Teaching Sociology movement encourage students' development of their sociological imaginations through role-taking. Assuming the role of a child living in poverty in India or of a member of an African tribe, students learn to re-envision their global society. An innovative, integrated framework provides core sociological concepts, while features such as *Contributing to Our Social World* enable students to "do" public sociology. *Our Social World: Condensed Version* presents the perspective of students living in the larger global world. The Authorised Version of the Bible, commonly known as the King James Bible, was first published in 1611. The most widely accepted rendering of the Scriptures for four hundred years, the 1611 Bible has become a classic of the English language, and countless of

its original phrases have passed into standard idiomatic English. Most present-day editions incorporate conservative modernisations of spelling and punctuation introduced over a century and a half by subsequent editors and printers: the text that is commonly available is that of the 1769 revision, not that of 1611. There were two printings undertaken by Robert Barker, the King's printer in that year, and there are many variations between these two issues. This edition, produced by the Cambridge scholar William Aldis Wright in the early twentieth century, accurately and uniquely represents the original text in a clear and readable form, together with a list of the variations between the two printings of 1611 - a feature that no conventional facsimile edition can offer. A delightful translation of one of the finest, and most beautiful, examples of a medieval Bestiary. With step-by-step instructions for over 100 nursing assistant procedures, Mosby's Textbook for Nursing Assistants, 8th Edition makes it easy to master the skills you need to succeed as a nursing assistant. Known for its visual approach and comprehensive, easy-to-read coverage, this market-leading text emphasizes the importance of the patient or resident as a person, communication, safety, comfort, effective delegation, and teamwork and time management. This edition provides expanded content on the person's rights and pressure ulcers. The updated companion CD includes three

new procedures, an updated audio glossary, and more. Written by respected educator Sheila Sorrentino and expert co-author Leighann Remmert, Mosby's Textbook for Nursing Assistants makes nurse assisting easy to learn. This burgundy bonded leather edition of the 21st Century King James Version of the Bible is an accurate and understandable updating of the King James Version and retains the incomparable beauty, power, and timeless message of its predecessor. ATI TEAS VI practice tests! About Accepted, Inc. Accepted, Inc. is an independent test prep study guide company that produces and prints all of our books right here in the USA. Our dedicated professionals know how people think and learn, and have created our ATI TEAS Version 6 book based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our TEAS 6 test prep manual is specifically tailored for your exact needs. Our goal here at Accepted, Inc. is to help you: Study Smarter; We've eliminated the filler; and fluff; you see in a lot of mass-market guides, allowing you to have more effective study time. Score Higher; We exclusively work with tutors, teachers, and field experts to write our books. This ensures you get the tips, takeaways, and test secrets that a one-on-one tutoring experience provides. Unlike a tutoring session, however, our books enable you to prepare for your exam on your own schedule at a fraction of the cost. and Get Accepted! We offer a comprehensive set of guides guaranteed to raise your score for exams from every step of your education; from high school, to college or the military, to graduate school. Let our study guides guide you along the path to the professional career of your dreams! The Sahidic version of 1 Samuel is an ancient daughter version of the Septuagint. Because the Sahidic translation was made before most of the Greek

manuscripts we know were copied, it potentially contains ancient readings no longer preserved or only faintly attested in the Greek tradition. This study considers the Sahidic version of 1 Samuel as a translation and how it may best be used in Greek textual criticism. The aim of this study is twofold. First, to examine the translation technique of the Sahidic translator. Second, to analyze the affiliations between the Sahidic manuscripts as well as the affiliations between the Sahidic version and Greek traditions. In the translation-technical section, clause connections and translator's additions feature prominently. In the chapter concerning the affiliations of the Sahidic text, detailed textual analyses prevail. These analyses describe the textual character of each Sahidic manuscript, and search for the existence of secondary readings and/or corruptions. This study supports the creation of a new critical edition of the Septuagint of 1 Samuel for the Göttingen series. With respect to this edition, the primary goal is to identify the affiliations of the Sahidic version. This translation-technical study, however, will additionally allow for a more careful and accurate citation of the Sahidic version within the critical apparatus of the Greek text. The founder of Scientific American discusses the various branches of science and how they overlap. The new two-color Value Edition of The American Promise is the ideal solution for instructors and students who want a full-length

narrative at a low price. A clear political framework supports a dynamic social and cultural story enlivened by the voices of hundreds of Americans who help students connect with history and grasp important concepts. Presents a translation of the poet's third version of the text An updated version of the ancient play by Sophocles retells the tragic story of Creon and his rebellious daughter Antigone, who disobeys her father's command to leave her dead brother unburied and thus incurs the full measure of his wrath. This landmark volume presents the first-ever English translation of the ancient Israelite Samaritan version of the Pentateuch, or Torah. A text of growing interest and importance in the field of biblical studies, the Samaritan Pentateuch preserves a version of the Hebrew text distinct from the traditional Masoretic Text that underlies modern Bible translations. Benyamim Tsedaka's expert English translation of the Samaritan Pentateuch is here laid out parallel to the more familiar Masoretic Text, highlighting the more than 6,000 differences between the two versions. In addition to extensive explanatory notes in the margins throughout, the book's detailed appendices show affinities between the Samaritan and Septuagint versions and between the Samaritan and Dead Sea Scroll texts. Concluding the volume is a categorical name index containing a wealth of comparative information. A clear modern prose translation of Chaucer's masterpiece of Middle English storytelling by the acclaimed

poet David Wright. *The Canterbury Tales* has entertained readers for centuries, with its comic animal fables, moral allegories, miniature epics of courtly love, and rollicking erotic farces that bring fourteenth-century England to life on every page. The gloriously varied stories, narrated by a group of pilgrims on their way to Canterbury, are peopled with saints, sinners, and ordinary mortals in a vivid panorama of the medieval world. This prose translation renders these tales as accessible and irresistible to modern readers as they were to Chaucer's contemporaries.

400th Anniversary Edition For 400 years, the Authorized Version of the Bible popularly known as the King James Version has been beloved for its majestic phrasing and stately cadences. No other book has so profoundly influenced our language and our theology. Over time, however, the text has suffered subtle and occasionally troublesome alterations. This edition preserves the original 1611 printing. Word for word and page for page, the text with its original marginal notes, preface, and other introductory material appears as it first did. The sole concession to modernity is a far more readable roman typeface set by nineteenth-century master printers. A valuable and essential addition to every Bible library.

John R. Kohlenberger III FEATURES Original preface and translators notes Alfred Pollard's classic essay on pre-1611 English translations and the history of the Authorized Version New essays on the

enduring impact of the KJV and the Apocrypha  
Handsome page design with decorative initials

and reference Special logo on book spine and  
packaging commemorates the 400th Anniversary  
Includes the Apocrypha" Many organizations  
require continuous operation of their mission-  
critical, IBM® FileNet P8® systems after a  
failure has occurred. Loss of system resources  
and services as a result of any failure can  
translate directly into lost customers and lost  
revenue. The goal, therefore, is to design and  
implement a FileNet P8 system that ensures  
continuous operation even after a failure  
happens. This IBM Redbooks® publication focuses  
on FileNet P8 Version 4.5.1 systems disaster  
recovery. The book covers strategies, preparation  
levels, site sizing, data replication, testing,  
and what to do during a disaster. Backup and  
restore planning is a critical aspect of a  
disaster recovery strategy. We discuss backup  
types and strategies. We also discuss alternative  
strategies such as rolling storage policies and  
IBM FlashCopy® capability. With the help of use  
cases and our lab testing environment, the book  
provides guidelines for setting up a FileNet P8  
production environment and a standby FileNet P8  
disaster recovery system. This book is intended  
for IT architects, IT specialists, project  
managers, and decision makers, who must identify  
the best disaster recovery strategies and

integrate them into the FileNet P8 system design process. The Book of Tobit appears to be from an older sect of Judaism, likely the one led by the 'false priest' Tobiah, who was expelled from the temple by Ezra when his genealogy could not be proven in 2nd Ezra. 2nd Ezra was the version of Ezra used by the Pharisee sect which emerged under the Hasmonean Dynasty, while Tobit, along with Enoch, Jubilees, and Job appears to have primarily been used by the Essenes sects. The Book of Tobit is generally viewed as fiction by most scholars for a variety of reasons. One major reason it is viewed as fiction is the presence of Tobit's cousin Ahikar, in both versions of the book, who is the protagonist of the Words of Ahikar, a book set in the same era, which is also considered fiction. It is quite clear from the text of Tobit, that it is the same Ahikar, and not just someone with the same name, as Ahikar's betrayal by his nephew is mentioned, which is part of the early section of Ahikar.

Nevertheless, both books, Tobit and Ahikar survive in various forms, meaning that they were edited multiple times before the versions that survive to the present were transcribed. The surviving copies of the Septuagint include two versions of the Book of Tobit, the more common form, found in the Codex Vaticanus, Codex Alexandrinus, and most other surviving copies of the Septuagint, and the less common version found in the Codex Sinaiticus. The differences between the Vaticanus and Sinaiticus versions of Tobit

are too extensive to treat the books as the same book, however, their story is essentially the same. The two books must have had a common source, however, the Sinaiticus's version is over 20% longer than the Vaticanus's version, and appears to be an older version of Tobit. One of the reasons that the Book of Tobit is interpreted as fiction, is the existence of historical errors and anachronisms found in the Vaticanus version, which includes the Babylonian king Nebuchadnezzar and the Persian king Ahasuerus jointly destroying Nineveh, the capital of the Assyrian Empire. Nineveh was sacked by Babylonian King Nabopolassar in 612 BC, along with Median and Persian allies, led by the Median King Cyaxares, who then integrated the city into his Median Empire. Nabopolassar's son Nebuchadnezzar, who assumed the throne in 605 BC, finally conquered the remnants of the Assyrian forces in Syria at the Battle of Carchemish that same year, however, he did not attack or destroy Nineveh. Meanwhile, the name Ahasuerus was the Aramaic name of Xerxes, the Persian king who ruled between 486 and 465 BC. This superb Large Print Edition offers older or visually impaired churchgoers a highly readable Catholic Bible, with large type, clear page layout, and opaque papers. The RSV has the traditional language beloved by Christians of all faiths, the books of the Bible are in Catholic order, and the text carries the Imprimatur of the Catholic Church. It features a Presentation Section, the Dogmatic Constitution

on Divine Revelation (Dei Verbum), a section of Prayers and Devotions of the Catholic Faith, a table of Weights and Measures in the Bible, and a full-color map section. Offers the King James version of the Bible along with features to help teens learn more about God, the Bible, and how the word of God relates to their daily lives. This is the official guide and reference manual for Subversion 1.6 - the popular open source revision control technology.
