Part-Whole Reasoning in an Object-Centered Framework Apr 07 2021 In this book, the author develops an object-centered framework with specialized support of the part-of relation based on description logics. These logics are a family of object-centered knowledge representation languages tailored for describing knowledge about concepts and is-a hierarchies of these concepts. In addition to the representation and reasoning facilities provided by description logics for is-a, representation and reasoning facilities are introduced for part-of. Finally, the feasibility and the usefulness of the approach is demonstrated by applying the framework to various areas including domain modeling, agent-oriented scenarios, document management and retrieval, and composite concept learning.

Where are you? Self- and body part localization using virtual reality setups Feb 17 2022 This volume presents a line of original experimental studies on the bodily self, investigating where people locate themselves in their bodies and how accurate they are at localizing their body parts. So far, it was not well known whether people locate themselves in one or more specific regions of their bodies. On the other hand, some systematic distortions in indicating bodily locations were already documented. In the present studies, participants were therefore asked to indicate their self-locations, as well as the locations of several of their body parts, using a self-directed, first-person perspective pointing paradigm in various virtual reality (VR) setups (different head-mounted displays and a large-screen immersive display). Overall, participants were found to locate themselves mainly in the (upper) face and the (upper) torso. However, striking differences in self-localization were found when testing in different VR setups. Upon further investigation, these differences were found to be foremost due to inaccuracies in body part localization. When taking these inaccuracies into account, differences between setups—and also with self-localization outside of VR—largely disappear. Another striking finding was that providing participants—in between pointing phases—with information about their bodies in the form of a real-time animated self-avatar, did not make them more accurate at locating their own body parts. While manipulating their viewpoint to chest-height of their self-avatar did shift the afterwards indicated locations of their own body parts upwards, towards where they were seen on the avatar. Potential explanations for the various new findings, also from tasks outside of VR, are discussed. Taken together, this volume suggests a differential involvement of multi-sensory information processing in experienced self-location within the body and the ability to locate body parts. Self-localization seems to be less flexible, possibly because it is strongly grounded in the 'bodily senses', while body part localization appears more adaptable to the manipulation of sensory stimuli, at least in the visual modality.

The Ten of Spades Oct 21 2019 Be careful what you wish for ... After eleven years trapped in the Spadros crime syndicate, 23-year-old private eye Jacqueline Spadros is an independent woman, free to run her investigation business. But her problems are only beginning. Deeply in debt, Jacqui is in danger from both the rogue Spadros men calling themselves "The Ten of Spades" and the ruthless Red Dog Gang — who may be one and the same. Jacqui is determined to find Black Maria, the key to the identity of the Red Dog Gang's secretive leader. To survive long enough to do that, Jacqui needs a paying case. The one she's offered may put her in the most danger of all ... The Ten of Spades is part 5 of a 13-part serial novel - please begin with The Jacq of Spades or the Red Dog Conspiracy Act 1 box set.

Yearbook of the International Law Commission 1977, Vol.II, Part 2 Jan 16 2022 Following a request by the International Law Commission, the General Assembly, in resolution 987 (X) of 3 December 1955, requested the Secretary-General to arrange for publishing an annual publication entitled Yearbook of the International Law Commission, containing the principal documents and summary records relating to each ILC session. It has since been published annually in two volumes in respect of each session.

The Walking Dead: The Fall of the Governor: Part Two Aug 19 2019 The fourth book and epic finale to Robert Kirkman's New York Times bestselling series: *The Walking Dead: The Fall of the Governor – Part Two!* The Walking Dead original novel series, set in the universe of Robert Kirkman's iconic comic book, comes to a shattering conclusion with *The Fall of the Governor – Part Two*. From co-authors Kirkman, creator of the Eisner Award-winning comic as well as executive producer of AMC's blockbuster TV series, and Jay Bonansinga, Stoker Award-finalist and internationally acclaimed author, comes this stunning finale to their ambitious chronicle of human survival amid the plague of undead, which began with *The Walking Dead: Rise of the Governor*. In *Rise of the Governor*, uber-villain Philip Blake journeyed from his humble beginnings directly into the dark heart of the zombie apocalypse, and became the self-proclaimed leader of a small town called Woodbury. In *The Road to Woodbury*, an innocent traveler named Lilly Caul wound up in the terrifying thrall of Phillip Blake's twisted, violent dictatorship within Woodbury's ever tightening barricades. In *The Fall of the Governor – Part One*, Philip Blake finally revealed himself to be the true monster that he is, and the battle lines were drawn between the Governor and the desperate, beleaguered inhabitants of a nearby prison. Now, in *The Fall of the Governor Part Two*, the Governor's dark journey reaches its shocking, heartrending conclusion. In a roller coaster finale, war breaks out, all of the plot lines from

the previous three novels converge, tensions boil over into unthinkable mayhem, and the dark destinies of those few left standing are sealed in a series of stunning twists.

Karl and Carolina Uncover the Parts of a Book Jun 09 2021 Karl and Carolina learn about the parts of a book, including the spine, cover, title page, copyright page, glossary, and index, as they research dinosaurs.

More Parts Oct 25 2022 Give me a hand . . . hold your tongue . . . scream your lungs out . . . what's a kid to do if he wants to keep all his body parts in place? Well, one thing is for sure, he'll have to be creative. Like, if you want to keep your heart from breaking, just make sure it's well padded and protected by tying a pillow around your chest. Want to keep your hands attached? Simple-stick them on with gloves and lots of glue. Just be careful not to laugh your head off!

Parts Sep 12 2021 I just don't know what's going on Or why it has to be But every day it's something worse What's happening to me? So begins this uproarious new story from the best-selling creator of *No Jumping on the Bed!*, *Green Wilma*, and other popular books. The young narrator has discovered a disturbing trend: There's fuzz in his belly button his toes are peeling and something just fell out of his nose. The last straw is a loose tooth, which convinces him of the awful truth his parts are coming unglued! *Parts* deals with a subject of deepest interest to every young child: the stuff our bodies shed. Parents will appreciate the reassuring message that it's all quite normal, while Tedd Arnold's comical illustrations and rhyming text are guaranteed to make young readers laugh their heads off.

Death Do Us Part Nov 02 2020 Honey, Does This Taste Like Poison To You? I've never been a fan of murder. The mess, the smell, the whole hiding the body thing after - it always seemed like way too much work. But trust me, when you're married to Richard Morningstar, that "work" starts to feel an awful lot like "play". The man is a snake and king of the fairies. A barbarian. A war monger. A sex god. Uh, I mean a...an ex pod? Doesn't matter. The point is, it's either him or me. Because one of us is going to die, and at the moment, it's my execution scheduled in three weeks. So I just have to figure out a way to kiss him - kill him - before then, take his throne, and turn his whole nightmarish kingdom upside down. Easy right? Maybe - if he wasn't my lifemate. And if my panties didn't drop every time he snapped his stupid fingers.

Yearbook of the International Law Commission 2011, Vol. II, Part 3 Mar 18 2022 The Yearbook contains the official records of the International Law Commission and is an indispensable tool for the preservation of the legislative history of the documents emanating from the Commission, as well as for the teaching, study, dissemination and wider appreciation of the efforts undertaken by the Commission in the progressive development of international law and its codification. Volume II (Part Three) reproduces the edited version of the annual report of the Commission to the General Assembly.

Ask the Brains, Part 1 May 28 2020 Why do we do the things we do? The human brain is a marvelous, mysterious piece of evolution that on one hand empowers us to be rational, self-aware and innovative. On the other, the disciplines of psychiatry and psychology are a testament to our attempts to understand the human brain and behavior. Why do we persist in believing opinions despite scientific evidence to the contrary? What exactly is déjà vu? What causes prejudice? For more than a decade, Scientific American MIND's long-running feature "Ask the Brains" has addressed questions like these from our readers on the quirks and quandaries of human behavior, psychology and neurology. Here in Ask the Brains, Part 1, we've compiled 55 of the best and most interesting inquiries on the form and structure of the brain, intelligence, learning, memory and more and have enlisted professors, instructors and other experts to provide answers that are accurate, understandable and just plain fascinating.

Battles and Leaders of the Civil War Dec 23 2019

Part Object Part Sculpture Dec 15 2021 'Part Object Part Sculpture' maps a genealogy of postwar sculpture that challenges the Minimalist/Post-Minimalist sequence maintained in most accounts of the period.

Part-Time is Plenty Jul 10 2021 Churches experiencing numerical and financial decline may dread the day when they can no longer afford a full-time pastor. Freeing up funds that would go to a full-time salary sure would help the budget maybe even enough to turn things around but is it even possible to run effective ministries with just a half- or quarter-time professional? Journalist and part-time pastor Jeffrey MacDonald says yes churches can grow more vibrant than ever, tapping

into latent energy and undiscovered gifts, revitalizing worship, and engaging in more effective ministry with the community. Readers get a much-needed playbook for helping congregations to thrive with a part-time ministry model. They learn to see the model in a new light: to stop viewing part-time as a problem to be eradicated and to instead embrace it as a divine gift that facilitates a higher level of lay engagement, responsibility, playfulness, and creativity.

Hidden Falls: The Fallout - Oct 01 2020 The mystery continues in The Fallout-- Part 2 Quinn's gone. If his disappearance isn't a prank, then what is it? Why? And where did he go? Sylvia is certain Quinn will reappear soon. There's a good explanation, and the event can be saved. Quinn would never ruin this night. At least not willingly. So, did he leave against his will? As more time passes without Quinn, anxiety spreads and suspicions rise. Nicole's reporter nose smells something amiss, and her heart aches with the possibility that Quinn might be in trouble. Somehow she must help the man who anchored her through her own troubles. Ethan knows he ought to stay and help, too—and find out what the cryptic note from Quinn was about. But he can't let the shadows of his past cost him his promising future. Long ago, Ethan and Nicole both quit dreaming they could ever reconcile, but as they cross tentative paths once more, will they allow themselves a chance to at least reminisce? As friends and loved ones try to track Quinn down, they realize thirty years of small-town secrets build to a mystery that no one can solve alone. Will they find him alive to thank him? Catch all the episodes of Season 1 in these re-released collections. **Hidden Falls: The Disappearance - Part 1 Includes Ordinary Secrets (EP1) + brand new Prologue (60 pgs in length)** **Hidden Falls: The Fallout - Part 2 Includes Losing Quinn (EP2), A Town in Trouble (EP3), Unexpected Hero (EP4) (200 pgs in length)** **Hidden Falls: The Investigation - Part 3 Includes The Mayor's Quandry (EP5), No Time for Answers (EP6), Yesterday's Promise (EP7) (200 (200 pgs in length)** **Hidden Falls: The Storm - Part 4 Includes All You Need to Know (EP8), A Fair Refuge (EP9), One Familiar Tune (EP10) (200 pgs in length)** **Hidden Falls: The Homecoming - Part 5 Includes When Memory Came (EP11), The Groundskeeper Remembered (EP12), Distinguishing Marks (EP13) (200 pgs in length)**

The Absolutely True Diary of a Part-Time Indian Oct 13 2021 Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

The Book of Mormon Made Easier Part 2 Mar 26 2020

Look the Part Sep 19 2019 Flint Hopkins finds the perfect tenant to rent the space above his Minneapolis-based law office. All the t's are crossed and i's dotted on Ellen's application. Her references are good. And she's easy on the eyes. Until ... Flint discovers Ellen Rodgers, Board-Certified Music Therapist, plays music. Bongos, guitars, singing-not Beethoven administered through noise-cancelling headphones. The cut-throat attorney serves up an eviction notice to the bubbly, constantly humming redhead who's too sexy for her own good. But luck is on Ellen's side when Flint's autistic son, Harrison, takes an instant liking to her. A single dad can't compete with guitars-and rats. Yes, she has pet rats. This woman ... She's annoyingly happy with a constant need to touch him-adjust his tie, button his shirt, invade his space, and mess with his mind. Still ... She must go. Their lust-hate relationship escalates into something beautiful and tragic. This sexy, romantic-comedy explores the things we want, the things we need, and the impossible decisions parents and children make to survive.

Preparation for MRCP Part II Jun 21 2022 This book is directed towards post-graduates who have passed Part I of the examination for Membership of the Royal College of Physicians and are preparing for Part II. However, it is hoped that physicians at all stages of their careers will find some parts that interest them. Most of the material has appeared in the Hospital Update series, 'Preparation for MRCP', but this has been modified and expanded; many useful points arising from correspondence relating to the series have been included, and the authors would like to express their thanks to those who have written. It is not intended that this should be used as a work of reference, although there is detailed discussion of some subjects. Only the written part of the examination is dealt with in detail, but the introduction contains hints on tackling the clinical sections which the authors hope the candidates will find valuable. There is, however, no substitute for clinical practice under supervision. The questions in VII PREFACE the written section of the examination require short answers so that marking may be easy and objective. This book contains questions similar to those that may be encountered in the examination, but the answers have been expanded as a basis for discussion. It is hoped that this will encourage the candidate to read around the subjects covered, and the authors recommend that the questions are used as a basis for group discussion, as answers other than those in the text may be considered.

Christian Ethics Nov 21 2019 *Christian Ethics - Special part. Second division: Social ethics. Vol. 7* is an unchanged, high-quality reprint of the original edition of 1899. Hanserbooks is editor of the literature on different topic areas such as research and science, travel and expeditions, cooking and nutrition, medicine, and other genres. The Book Thief Dec 27 2022 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. "The kind of book that can be life-changing." —The New York Times "Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank." —USA Today **DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF.**

[Nabokov, His Life in Part](#) Jun 28 2020

[JavaScript: The Good Parts](#) Nov 14 2021 Most programming languages contain good and bad parts, but JavaScript has more than its share of the bad, having been developed and released in a hurry before it could be refined. This authoritative book scrapes away these bad features to reveal a subset of JavaScript that's more reliable, readable, and maintainable than the language as a whole—a subset you can use to create truly extensible and efficient code. Considered the JavaScript expert by many people in the development community, author Douglas Crockford identifies the abundance of good ideas that make JavaScript an outstanding object-oriented programming language—ideas such as functions, loose typing, dynamic objects, and an expressive object literal notation. Unfortunately, these good ideas are mixed in with bad and downright awful ideas, like a programming model based on global variables. When Java applets failed, JavaScript became the language of the Web by default, making its popularity almost completely independent of its qualities as a programming language. In *JavaScript: The Good Parts*, Crockford finally digs through the steaming pile of good intentions and blunders to give you a detailed look at all the genuinely elegant parts of JavaScript, including: Syntax Objects Functions Inheritance Arrays Regular expressions Methods Style Beautiful features The real beauty? As you move ahead with the subset of JavaScript that this book presents, you'll also sidestep the need to unlearn all the bad parts. Of course, if you want to find out more about the bad parts and how to use them badly, simply consult any other JavaScript book. With *JavaScript: The Good Parts*, you'll discover a beautiful, elegant, lightweight and highly expressive language that lets you create effective code, whether you're managing object libraries or just trying to get Ajax to run fast. If you develop sites or applications for the Web, this book is an absolute must.

The Ultimate Math Survival Guide Part 1 Jan 04 2021 Whole Numbers & Integers Fractions Decimals & Percents These three essential areas of math skills are absolutely necessary for success in school, college, a career, and in everyday life. Award-winning math teacher and author Richard W. Fisher ensures student success with his tested and proven teaching strategy.

Basic Math Skills Rescue, Part 1 Jul 30 2020

Play the Part: Master Body Signals to Connect and Communicate for Business Success May 20 2022 Learn the secrets of great communicators, professional speakers, and C-level executives "Gina is a maestro of public speaking! She coached me for my TED talk, and I am forever grateful to her for giving me the technical and emotional training I needed to take the stage." —Susan Cain, bestselling author of *Quiet* "Gina is an incredible coach who'll increase your impact when presenting in an executive setting—or any professional interaction. But she can't be everywhere, so this book is the next best thing! A must-read." —Greg Behar, CEO of Nestle Science and Health Every body tells a story. From the moment an actor steps on stage, an audience collectively feels whether his or her performance is authentic, forced, or over the top. Business professionals are also performers—and the workplace is their stage. In *Play the Part*, executive communication consultant Gina Barnett brings the same techniques actors use to bear on all types of presentation and communication situations, from the board room to the conference stage. She reveals how the body affects our communication and thought patterns and how to align these consistently for maximum success. Featuring practical exercises, she shows you how to develop presence and become more intuitive, so you can navigate challenging communication situations with optimal results. You worked hard to earn your title. Now it's time to play the part.

Book Parts Nov 26 2022 What would an anatomy of the book look like? There is the main text, of course, the file that the author proudly submits to their publisher. But around this, hemming it in on the page or enclosing it at the front and back of the book, there are dozens of other texts—page numbers and running heads, copyright statements and errata lists—each possessed of particular conventions, each with their own lively histories. To consider these paratexts—recalling them from the margins, letting them take centre stage—is to be reminded that no book is the sole work of the author whose name appears on the cover; rather, every book is the sum of a series of collaborations. It is to be reminded, also, that not everything is intended for us, the readers. There are sections that are solely directed at others—binders, librarians, lawyers—parts of the book that, if they are working well, are working discreetly, like a theatrical prompt, whispering out of the audience's ear-shot Book Parts is a bold and imaginative intervention in the fast growing field of book history: it pulls the book apart. Over twenty-two chapters, Book Parts tells the story of the components of the book: from title pages to endleaves; from dust jackets to indexes—and just about everything in between. Book Parts covers a broad historical range that runs from the pre-print era to the digital, bringing together the expertise of some of the most exciting scholars working on book history today in order to shine a new light on these elements hiding in plain sight in the books we all read.

Census of England & Wales, 1921: General Tables: Dependency, Orphanhood and Fertility Mar 06 2021

MRCOG Part One Jul 22 2022 Fully updated to reflect changes to the curriculum and question format since publication of the original edition, this book is essential reading for all Part 1 MRCOG candidates. A chapter has been added to mirror the new curriculum domain of data interpretation. Edited by experienced RCOG examiners and written by contributors to the RCOG's revision course, this comprehensive textbook provides extensive coverage of all curriculum areas covered by the Part 1 examination (the basic sciences which are vital to the clinical practice of obstetrics and gynaecology). Fully illustrated in colour throughout to aid understanding, this is the one textbook that every Part 1 candidate should own. The content is complementary to RCOG's eLearning programme StratOG (<https://stratog.rcog.org.uk>) which offers a range of products to support training and professional development in obstetrics and gynaecology, including banks of Single Best Answer (SBA) questions that offer candidates invaluable practice at tackling this demanding examination.

Rounds and Canons for Reading, Recreation and Performance Aug 11 2021 This collection of 80 rounds and canons develops reading and ensemble skills. Every teacher and student will find benefit in this clever mix of original material, folk songs and classical pieces, including works by Mozart, Beethoven, Purcell, Tallis, and Haydn.

The Money Book for Freelancers, Part-Timers, and the Self-Employed Feb 05 2021 This is a book for people like us, and we all know who we are. We make our own hours, keep our own profits, chart our own way. We have things like gigs, contracts, clients, and assignments. All of us are working toward our dreams: doing our own work, on our own time, on our own terms. We have no real boss, no corporate nameplate, no cubicle of our very own. Unfortunately, we also have no 401(k)s and no one matching them, no benefits package, and no one collecting our taxes until April 15th. It's time to take stock of where you are and where you want to be. Ask yourself: Who is planning for your retirement? Who covers your expenses when clients flake out and checks are late? Who is setting money aside for your taxes? Who is responsible for your health insurance? Take a good look in the mirror: You are. The Money Book for Freelancers, Part-Timers, and the Self-Employed describes a completely new, comprehensive system for earning, spending, saving, and surviving as an independent worker. From interviews with financial experts to anecdotes from real-life freelancers, plus handy charts and graphs to help you visualize key concepts, you'll learn about topics including: • Managing Cash Flow When the Cash Isn't Flowing Your Way • Getting Real About What You're Really Earning • Tools for Getting Out of Debt and Into Financial Security • Saving Consistently When You Earn Irregularly • What To Do When a Client's Check Doesn't Come In • Health Savings Accounts and How To Use Them • Planning for Retirement, Taxes and Dreams—All On Your Own
