Why rely on fate when you can rewrite the stars? In this sparkling romantic comedy, one woman decides to tinker with the horoscopes of the man of her dreams. "A bright, brilliant, joyful love story."—Josie Silver, #1 New York Times bestselling author of *One Day* in December NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE When childhood sweethearts Justine (Sagittarius and serious skeptic) and Nick (Aquarius and true believer) bump into each other as adults, a life-changing love affair seems inevitable. To Justine, anyway. Especially when she learns Nick is an astrological devotee, whose decisions are guided by the stars, and more specifically, by the horoscopes in his favorite magazine. The same magazine Justine happens to write for. As Nick continues to not fall headlong in love with her, Justine decides to take Nick's horoscope, and Fate itself, into her own hands. But, of course, Nick is not the only Aquarius making important life choices according to what is written in the stars. Charting the ripple effects of Justine's astrological meddling, *Star-Crossed* is a delicious, intelligent, and affecting love story about friendship, chance, and how we all navigate the kinds of choices that are hard to face alone. Praise for *Star-Crossed* "Swoon-worthy . . . a smart, sweet love story about friendship, destiny, and the power of choice."—Bustle "[A] juicy romance novel."—Good Housekeeping "Enchanting . . . this book will capture your attention and keep you entertained from the first page to the last."—BuzzFeed "This cleverly structured first outing from the pseudonymous Darke will appeal to fans of romantic comedy, astrology, and chaos. Utterly charming and ripe for development as a film."—Booklist "Winning . . . Unpretentious, well-drawn characters and the fresh twist on the childhood sweethearts reunited setup make this perfect for fans of romantic comedies."—Publishers Weekly "Darke creates a world of stargazers whose destinies eventually collide. . . . Funny and enticing."—Library Journal "Rio has always dreamed of leaving the underwater city of Atlantia for life in the Above; however, when her twin sister, Bay, makes an unexpected decision, Rio is left stranded below where she must find a way to unlock the secrets of the siren voice she has long hidden and save Atlantia from destruction"-- How two extraordinary women crossed the Victorian class divide to put Christian teachings into practice in the slums of East London Nellie Dowell was a match factory girl in Victorian London who spent her early years consigned to orphanages and hospitals. Muriel Lester, the daughter of a wealthy shipbuilder, longed to be free of the burden of money and possessions. Together, these unlikely soulmates sought to remake the world according to their own utopian vision of Christ's teachings. The Match Girl and the Heiress paints an unforgettable portrait of their late-

nineteenth-century girlhoods of wealth and want, and their daring twentieth-century experiments in ethical living in a world torn apart by war, imperialism, and industrial capitalism. In this captivating book, Seth Koven chronicles how each traveled the globe—Nellie as a spinster proletarian laborer, Muriel as a well-heeled tourist and revered Christian peacemaker, anticolonial activist, and humanitarian. Koven vividly describes how their lives crossed in the slums of East London, where they inaugurated a grassroots revolution that took the Sermon on the Mount as a guide to achieving economic and social justice for the dispossessed. Koven shows how they devoted themselves to Kingsley Hall—Gandhi's London home in 1931 and Britain's first "people's house" founded on the Christian principles of social sharing, pacifism, and reconciliation—and sheds light on the intimacies and inequalities of their loving yet complicated relationship. *The Match Girl* and *the Heiress* probes the inner lives of these two extraordinary women against the panoramic backdrop of shop-floor labor politics, global capitalism, counterculture spirituality, and pacifist feminism to expose the wounds of poverty and neglect that Christian love could never heal. "This book left me breathless!" --R. L. Stine, #1 New York Times bestselling author of *Goosebumps* and *Fear Street* "Move over, *Stranger Things*. . . *The Darkdeep* will pull you into an irresistibly eerie world beyond your wildest dreams--and nightmares." --Melissa de la Cruz, #1 New York Times bestselling author of the *Descendants* series New York Times bestselling authors Ally Condie and Brendan Reichs team up to co-author this thrilling first book in a darkly suspenseful middle grade series. Everyone in *Timbers* knows *Still Cove* is off-limits, with its creepy Beast sightings and equally terrifying legends. But when a bullying incident sends twelve-year-old Nico Holland over a cliff and into *Still Cove*'s icy waters, friends Tyler and Emma--and even Opal Walsh, who usually runs with the popular kids--rush to his rescue . . . and discover a mysterious island hiding in the murky, swirling mists below. Though the island appears uninhabited, the kids can't shake a feeling that something about it is definitely not right. Their suspicions grow when they stumble upon an abandoned houseboat filled with all sorts of curiosities: odd-looking weapons, unnerving portraits, maps to unknown places, and a glass jar containing something completely unidentifiable. And in its lowest depths churns a dark, deep secret. As the group delves deeper into this mysterious new clubhouse, their lives begin to intertwine in weird and dangerous ways. For something ancient has awakened . . . and it can detect not only their wishes and dreams, but also their darkest, most terrible imaginings. Do they have what it takes to face the shadowy secrets lurking within their own hearts? Told from alternating points of view, this pulse-racing tale from bestselling duo Ally Condie and Brendan Reichs is the start of a high-stakes, thrilling series about friendship and believing in yourself--

and each other. When she is turned into a super-modelesque super-fighting machine, Tally, a former ugly, is ordered to keep the uglies down and the pretties stupid in a carefully engineered world of perfection where she refuses to play by the rules. Attempting to get more information about the Yeerks, the Human Controllers, Jakes is suddenly taken over by one of the parasitic aliens and becomes one of them, and the Animorphs launch a rescue mission. Original. The thrilling conclusion to the New York Times Bestselling Matched Trilogy! Perfect for fans of 1984, Brave New World, Black Mirror, and The Handmaid's Tale. Cassia's journey began with an error, a momentary glitch in the otherwise perfect façade of the Society. After crossing canyons to break free, she waits, silk and paper smuggled against her skin, ready for the final chapter. The wait is over. One young woman has raged against those who threaten to keep away what matters most—family, love, choice. Her revolution is about to explode into full-scale rebellion. As an incurable plague sweeps through the Society, Cassia races to save both the lives and freedom of those she loves. With exquisite prose, the emotionally gripping conclusion to the international-best-selling Matched trilogy returns Cassia, Ky, and Xander to the Society to save the one thing they have been denied for so long, the power to choose. In this "tense" thriller and #1 New York Times bestseller, Detective Harry Bosch teams up with Lincoln Lawyer Mickey Haller to track down a killer who just might find them first (Wall Street Journal). Detective Harry Bosch has retired from the LAPD, but his half-brother, defense attorney Mickey Haller, needs his help. A woman has been brutally murdered in her bed and all evidence points to Haller's client, a former gang member turned family man. Though the murder rap seems ironclad, Mickey is sure it's a setup. Bosch doesn't want anything to do with crossing the aisle to work for the defense. He feels it will undo all the good he's done in his thirty years as a homicide cop. But Mickey promises to let the chips fall where they may. If Harry proves that his client did it, under the rules of discovery, they are obliged to turn over the evidence to the prosecution. Though it goes against all his instincts, Bosch reluctantly takes the case. The prosecution's file just has too many holes and he has to find out for himself: if Haller's client didn't do it, then who did? With the secret help of his former LAPD partner Lucy Soto, Harry starts digging. Soon his investigation leads him inside the police department, where he realizes that the killer he's been tracking has also been tracking him. Thrilling, fast-paced, and impossible to put down, *The Crossing* shows without a shadow of doubt that Connelly is "a master of building suspense" (Wall Street Journal). "[A] superb dystopian romance." - The Wall Street Journal "Strong feminist ideals and impressive writing that's bound to captivate." - The Los Angeles Times In the Society, Officials decide. Who you love. Where you work. When you die. Cassia has always trusted the Society's choices. And when her best friend appears on the Matching screen, she is certain he's the one—until she sees another face flash for an instant before the screen fades to black. Now she is faced with impossible choices: between Xander and Ky, between the only life she's ever known and a path no has dared to follow . . .

between perfection and the truth. Look for the sequel, *CROSSED*, and the epic series finale, *REACHED!* Seventeen-year-old Cassia sacrifices everything and heads to the Outer Provinces in search of Ky, where she is confronted with shocking revelations about Society and the promise of rebellion. A New York Times Noteable Book Mesmerizing, exhilarating, and profoundly moving, Mr. Peanut is a police procedural of the soul, a poignant investigation of the relentlessly mysterious human heart. David Pepin has been in love with his wife, Alice, since the moment they met in a university seminar on Alfred Hitchcock. After thirteen years of marriage, he still can't imagine a remotely happy life without her—yet he obsessively contemplates her demise. Soon she is dead, and David is both deeply distraught and the prime suspect. The detectives investigating Alice's suspicious death have plenty of personal experience with conjugal enigmas: Ward Hastroll is happily married until his wife inexplicably becomes voluntarily and militantly bedridden; and Sam Sheppard is especially sensitive to the intricacies of marital guilt and innocence, having decades before been convicted and then exonerated of the brutal murder of his wife. Like the Escher drawings that inspire the computer games David designs for a living, these complex, interlocking dramas are structurally and emotionally intense, subtle, and intriguing; they brilliantly explore the warring impulses of affection and hatred, and pose a host of arresting questions. Is it possible to know anyone fully, completely? Are murder and marriage two sides of the same coin, each endlessly recycling into the other? And what, in the end, is the truth about love? #1 NATIONAL BESTSELLER • Two starcrossed magicians engage in a deadly game of cunning in the spellbinding novel that captured the world's imagination. • "Part love story, part fable ... defies both genres and expectations." —The Boston Globe The circus arrives without warning. The highly anticipated second book in the *New York Times* bestselling *Matched* trilogy! Perfect for fans of *1984*, *Brave New World*, *Black Mirror*, and *The Handmaid's Tale*. Chasing down an uncertain future, Cassia makes her way to the Outer Provinces in pursuit of Ky--taken by Society to his certain death--only to find that he has escaped into the majestic, but treacherous, canyons. On this wild frontier are glimmers of a different life . . . and the enthralling promise of rebellion. But even as Cassia sacrifices everything to reunite with Ky, ingenious surprises from Xander may change the game. On the edge of Society, nothing is as expected, and crosses and double crosses make Cassia's path more twisted than ever. Look for the epic series finale, *REACHED!* The Pulitzer Prize-winning biographer brings to life the most intriguing woman in the history of the world: Cleopatra, the last queen of Egypt. Her palace shimmered with onyx, garnets, and gold, but was richer still in political and sexual intrigue. Above all else, Cleopatra was a shrewd strategist and an ingenious negotiator. Though her life spanned fewer than forty years, it reshaped the contours of the ancient world. She was married twice, each time to a brother. She waged a brutal civil war against the first when both were teenagers. She poisoned the second. Ultimately she dispensed with an ambitious sister as well; incest and assassination were family specialties. Cleopatra appears to have had sex with only two men. They happen, however, to have been Julius Caesar and Mark Antony, among the most prominent Romans of the day. Both were married to other women. Cleopatra had a child with Caesar and -- after his murder -- three more with his protégé. Already she was the wealthiest ruler in

the Mediterranean; the relationship with Antony confirmed her status as the most influential woman of the age. The two would together attempt to forge a new empire, in an alliance that spelled their ends. Cleopatra has lodged herself in our imaginations ever since. Famous long before she was notorious, Cleopatra has gone down in history for all the wrong reasons. Shakespeare and Shaw put words in her mouth. Michelangelo, Tiepolo, and Elizabeth Taylor put a face to her name. Along the way, Cleopatra's supple personality and the drama of her circumstances have been lost. In a masterly return to the classical sources, Stacy Schiff here boldly separates fact from fiction to rescue the magnetic queen whose death ushered in a new world order. Rich in detail, epic in scope, Schiff's is a luminous, deeply original reconstruction of a dazzling life. Introduction by Terry Tempest Williams Afterword by T. H. Watkins Called a "magnificently crafted story . . . brimming with wisdom" by Howard Frank Mosher in *The Washington Post Book World*, *Crossing to Safety* has, since its publication in 1987, established itself as one of the greatest and most cherished American novels of the twentieth century. Tracing the lives, loves, and aspirations of two couples who move between Vermont and Wisconsin, it is a work of quiet majesty, deep compassion, and powerful insight into the alchemy of friendship and marriage. "A marvelous addition to the literature of inspirational sports stories." - *Booklist* (Starred Review) "This remarkable and inspiring story shines." - *Publishers Weekly* (Starred Review) "Crossing the Line will not just leave you with hope, but also ideas on how to make that hope transferable" - *New York Times* bestselling author Wes Moore An inspiring memoir of defying the odds from Kareem Rosser, captain of the first all-black squad to win the National Interscholastic Polo championship. Born and raised in West Philadelphia, Kareem thought he and his siblings would always be stuck in "The Bottom", a community and neighborhood devastated by poverty and violence. Riding their bicycles through Philly's Fairmount Park, Kareem's brothers discover a barn full of horses. Noticing the brothers' fascination with her misfit animals, Lezlie Hiner, founder of The Work to Ride stables, offers them their escape: an after school job in exchange for riding lessons. What starts as an accidental discovery turns into a love for horseback riding that leads the Rossers to discovering their passion for polo. Pursuing the sport with determination and discipline, Kareem earns his place among the typically exclusive players in college, becoming part of the first all-Black national interscholastic polo championship team—all while struggling to keep his family together. *Crossing the Line: A Fearless Team of Brothers and the Sport That Changed Their Lives Forever* is the story of bonds of brotherhood, family loyalty, the transformative connection between man and horse, and forging a better future that comes from overcoming impossible odds. When romance finally blossoms in her life, will it grow in the right direction? Emma Sutton knows she should be satisfied with her life. She has a position at London's Central Telegraph Office, and behind her rented rooms is a small plot where she can indulge her passion for gardening. But ever since she was orphaned as a child, she has longed for a family of her

own and the stability and consistency it provides. Her deepest wish appears realized when a handsome engineer is thrown into her orbit and sends her a thrilling love note. Mitchell Harris's sharp wit and facility with a pen have enabled him to thrive despite serious obstacles. That the woman of his dreams works just two floors above his should make life perfect. But a childhood accident has left Mitchell convinced he'll never draw a woman's affection, especially from someone like Emma. When his best friend—who once saved his life—falls in love with Emma too and asks for help writing her love letters, Mitchell must choose between desire and loyalty.
