The bestselling book *The Measure of a Man* continues to impact millions of men around the world, but it has long been author Gene Getz's dream to bring that message to young men who are still in the process of finding their identities. When his son, Kenton, was in junior high, Gene wrote a / series of letters to him based on 1 Timothy 4:12: "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in life, in love, in faith and in purity." Out of that verse, Gene drew seven principles that he hoped would inspire Kenton to become a young man of faith, strength and godly purpose. Gene and his son, who is now a father of five, have teamed up to share these principles with young men and their families. *The Measure of a Young Man* challenges readers to find their identity in Christ and to set a high standard for themselves in words, in daily living, in loving others, in growing faith and in sexuality. It also encourages young men to reach out to a network of fathers, grandfathers, youth pastors and Christian peers who will support their growth to faithful, godly maturity. The lyrical prose of writer, journalist and film director Khwaja Ahmad Abbas (1914-1987) easily lends itself to short stories. In

Sardarji and Other Stories, a captivating collection, the protagonists of each tale are portrayed grappling with realities imposed upon them by an unrelenting historical churning that compels them to revisit their relationships with their cultural, spatial and psychological moorings. Communal riots, poverty, abjection, love and longing or renewed hopes and nascent dreams make this collection an incisive and moving portrayal of the human condition. This Khwaja Ahmad Abbas collection includes some of the best short stories ever penned down by the author, journalist and film director. Each of the stories selected for this volume gives a glimpse into the mind and works of this legendary writer. Encompasses a variety of themes that readers can easily identify with. Includes the last interview with Abbas about his last film, Ek Aadmi.

"In these tales the reader can observe Anne's writing prowess grow from that of a young girl's into the observations of a perceptive, edgy, witty and compassionate woman"--Jacket flaps.

In July 1942, Anne Frank and her family fleeing the horrors of Nazi occupation, hid in the back of an Amsterdam warehouse. Anne was thirteen when the family went into the secret annexe, and over the next two years she vividly describes in her diary the frustrations of living in such confined quarters, the constant threat of discovery, hunger and tiredness, and, above all, the boredom. Her diary ends abruptly when she and her family were finally discovered by the Nazis in August 1944. The author was born on 12 June 1929 and died while imprisoned at Bergen-Belsen, three months short of her sixteenth birthday. The book remains the single most poignant true-life story to emerge from

The Second World War. The Holocaust was one of the most horrendous and terrible eras in history. Innumerable books have been written describing the horrors of the Holocaust; but nothing beats the documentation of a family who had gone into hiding in the diary of a little girl, Anne Frank. Honest, lucid and empathetic; *The Diary of A Young Girl* deserves a read by everyone who has ever questioned mental strength of humans and also by those who cannot come to terms with the cruelties that could be inflicted by humans upon fellow humans. The first entry in the diary is on June 12, 1942 by Anne Frank, who had received it as a birthday present and the entries in the diary end abruptly on 1 August, 1944. Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages. A theoretical dissection of capitalism's ultimate form of merchandise: the living spectacle of the Young-Girl. The Young-Girl is not always young; more and more frequently, she is not even female. She is the figure of total integration in a disintegrating social totality. —from *Theory of the Young-Girl* First published in France in 1999, *Preliminary Materials for a Theory of the Young-Girl* dissects the impossibility of love under Empire. The Young-Girl is consumer society's total product and model citizen: whatever “ type ” of Young-Girl she may embody, whether by whim or concerted performance, she can only seduce by consuming. Filled with the language of French women's magazines, rooted in Proust's figure of Albertine and the amusing misery of (teenage) romance in Witold Gombrowicz's *Ferdydurke*, and informed by Pierre Klossowski's notion of “ living currency ” and libidinal economy, *Preliminary Materials for a Theory of the Young-Girl* diagnoses—and makes visible—a phenomenon that is so ubiquitous as to have become transparent. In the years since the book's first publication in French, the worlds of fashion, shopping, seduction plans, makeover projects, and eating disorders have moved beyond the comparatively tame domain of paper magazines into the perpetual accessibility of Internet culture. Here the Young-Girl can seek her own reflection in corporate universals and social media exchanges of “ personalities ” within the impersonal realm of the marketplace. Tracing consumer society's colonization of youth and sexuality through the Young-Girl's “ freedom ” (in magazine terms) to do whatever she wants with her body, Tiqqun exposes the rapaciously competitive and psychically ruinous landscape of modern love. This title discusses, in simple terms, sexual and physical abuse, explains why adults may become abusive, and encourages children to report such abuse to a trusting adult. The letters cover the period from July 1915, after Percy McClare enlisted at Halifax, to 17 April 1917, just before his death. The writing reflects a country boy and his desire for

a stable life. After her mother's tragic death, Shayla is left to navigate her teenage years with little help from her neglectful, playboy father. Used and abused by the adults around her, Shayla makes some risky choices, taking a job as a waitress in one of Harlem's top strip clubs before she's even of legal age. She makes ends meet by running scams on unsuspecting patrons, but her luck soon runs out when she is raped and left for dead one night after work. Confused and scared, Shayla concocts a lie that leads to an arrest. A man is convicted and sent to prison for the crime, though he insists he's innocent. Shayla goes about putting her life back together, and with the help of a great mentor, she makes some big changes. Now a graduate of Howard University, she's ready to begin a new career and put her old life far behind her—until an unexpected twist turns everything upside down. New DNA evidence leads the court to reopen the rape case, and Shayla will be forced to confront the lies that she told. Will she ever be truly free from the ugly demons of her past?

A comprehensive study guide offering in-depth explanation, essay, and test prep for Anne Frank's *The Diary of a Young Girl*, arguably one of the most powerful Holocaust memoirs of the World War II era. The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works, exploring critical commentary, plots, and themes. In 1942, with the Nazis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. She recorded daily events, her personal experiences and her feelings in her diary for the next two years. It is one of the most celebrated and enduring books of the last century and it remains a deeply admired testament to the indestructible nature of human spirit. In her diary Anne Frank recorded vivid impressions of her experiences during this period. Wall Street Journal, USA Today, and Publishers Weekly bestseller

The prospect of living to 200 years old isn't science fiction anymore. A leader in the emerging field of longevity offers his perspective on what cutting-edge breakthroughs are on the horizon, as well as the practical steps we can take now to live healthily to 100 and beyond. In *The Science and Technology of Growing Young*, industry investor and insider Sergey Young demystifies the longevity landscape, cutting through the hype and showing readers what they can do now to live better for longer, and offering a look into the exciting possibilities that await us. By viewing aging as a condition that can be cured, we can dramatically revolutionize the field of longevity and make it accessible for everyone. Join Sergey as he gathers insights from world-leading health entrepreneurs, scientists, doctors, and inventors, providing a comprehensive look into the future of longevity in two horizons:

- The Near Horizon of Longevity identifies the technological developments that will allow us to live to 150—some of which are already in use—from AI-based diagnostics to

gene editing and organ regeneration. • The Far Horizon of Longevity offers a tour of the future of age reversal, and the exciting technologies that will allow us to live healthily to 200, from Internet of Bodies to digital avatars to AI-brain integration. In a bonus chapter, Sergey also showcases 10 longevity choices that we already know and can easily implement to live to 100, distilling the science behind diet, exercise, sleep, mental health, and our environments into attainable habits and lifestyle hacks that anyone can adopt to vastly improve their lives and workplaces. Combining practical advice with an incredible overview of the brave new world to come, *The Science and Technology of Growing Young* redefines what it means to be human and to grow young. James Cutler, a high school physics teacher, is shattered by the suicide of his most promising student. Hoping to gain perspective and peace of mind, he travels with his wife, Phyllis, to Vermont to spend the summer at the farm of old friends, Josh and Lucy Blair. ø *The Body of a Young Man* is a deeply moving story of four people whose friendship asks more than they can give and offers more than they can take. Only in observing another tragedy does James begin to see vulnerability as a virtue and ambiguity as a source of strength. ø Get your "A" in gear! A BuzzFeed "Best Book of June 2021" From sixteen-year-old Dara McAnulty, a globally renowned figure in the youth climate activist movement, comes a memoir about loving the natural world and fighting to save it. *Diary of a Young Naturalist* chronicles the turning of a year in Dara ' s Northern Ireland home patch. Beginning in spring when “ the sparrows dig the moss from the guttering and the air is as puffed out as the robin ' s chest these diary entries about his connection to wildlife and the way he sees the world are vivid, evocative, and moving. As well as Dara ' s intense connection to the natural world, *Diary of a Young Naturalist* captures his perspective as a teenager juggling exams, friendships, and a life of campaigning. We see his close-knit family, the disruptions of moving and changing schools,

and the complexities of living with autism. “ In writing this book, ” writes Dara, “ I have experienced challenges but also felt incredible joy, wonder, curiosity and excitement. In sharing this journey my hope is that people of all generations will not only understand autism a little more but also appreciate a child ’ s eye view on our delicate and changing biosphere. ” Winner of the Wainwright Prize for UK nature writing and already sold into more than a dozen territories, *Diary of a Young Naturalist* is a triumphant debut from an important new voice. A thirteen-year-old Dutch-Jewish girl records her impressions of the two years she and seven others spent hiding from the Nazis before they were discovered and taken to concentration camps. Includes entries previously omitted. ""This volume of essays was developed from ... a colloquium convened in 2005 by the Working Group on Jews, Media, and Religion of the Center for Religion and Media at New York University""--Intr. This first monograph by New York-based Young Projects demonstrates a new approach to spatial design that embraces ambiguity at the intersections of form, type, and material. This monograph introduces the cutting-edge research and work of Young Projects, founded by Bryan Young, where materiality, structure, and form intersect to generate new architectural typologies. The book presents a selection of the practice ’ s most relevant projects: five innovative houses completed between 2015 and 2020 as well as less in-depth looks at other projects that define the practice. Each house serves as a chapter through which Young Projects ’ broader body of work is explored across scales, illustrated through a rich landscape of drawings, diagrams, renderings, mock-ups, prototypes, and photography. The through-line connecting all chapters is the studio ’ s interest in using ambiguity and anomaly to create novel and accessible spaces, whether for high profile clients or a new resort in St. Kitts. Young Projects seeks to draw users into immersive spatial experiences that unfold over time, in a manner that is familiar but subtly foreign. This quality of “ allure ” is a result of a unique and experimental approach to materiality and spatial legibility. These are the threads that tie the work together and have set Young Projects apart as an emerging practice, as well as inform the larger-scale projects the studio undertakes as it enters its second decade. Young Projects ’ process often begins with simple exercises in making: form-finding experiments they undertake within their Brooklyn studio. Material research has included hand-pulling plaster with an irregular knife, using furniture foam as a casting bed, and forming concrete with palm stems. These experiments, among many others, mine characteristics that are not typically associated with conventional architectural materials and break traditional methodology, allowing for qualities of randomness and spontaneity to enter the process of making. The studio finds that letting go of control (at the

right moments) produces results that are often surprising, entirely bespoke, and resist replication. A lyrical adaptation of the writings of Opal Whiteley, in which she describes her love of nature and her life in an Oregon lumber camp at the turn of the century. "The Book of Art for Young People" by Agnes Ethel Conway, Sir William Martin Conway. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Tomas Young ' s War is the tragic yet life affirming story of a paralyzed Iraq War veteran who spent his last ten years battling heroically with his injuries, while courageously speaking against America's wars. Based on hours of interviews with Young and those close to him, the book puts the reader alongside Young as he struggles with life as a paralyzed veteran, suffering frustration and humiliation as he attempts to reenter society and resume as normal an existence as possible. It shows his fight to balance his precarious health with his drive to speak out for veterans care and against the war, and the impact his catastrophic injuries had on his family and his relationships. This emotional and powerful book sheds light on many crucial but often overlooked issues such as veterans ' care, public attitudes toward the disabled, medical marijuana, and the terminally ill. Tomas Young ' s War shares everything, as unflinchingly honest as Tomas himself: the depression, the pain, the love, and laughter . . . the life of this man whose world was turned upside down by an Iraqi bullet more than ten years ago. Throughout, it serves as a powerful testament to the true cost of war. " SLY, EXHILARATING . . . HILARIOUS. " —People (Book of the Week) This is the story of five women . . . Meet Rachel Grossman. She ' ll stop at nothing to protect her daughter, Aviva, even if it ends up costing her everything. Meet Jane Young. She ' s disrupting a quiet life with her daughter, Ruby, to seek political office for the first time. Meet Ruby Young. She thinks her mom has a secret. She ' s right. Meet Embeth Levin. She ' s made a career of cleaning up her congressman husband ' s messes. Meet Aviva Grossman. The Internet won ' t let her or anyone else forget her past transgressions. This is the story of five women . . . . . and the sex scandal that binds them together. From Gabrielle Zevin, the bestselling author of The Storied Life of A. J. Fikry, comes another story with unforgettable characters that is particularly suited to the times we live in now . . . In a trip across the universe, liv carrillo describes a life of pain, hatred, and toxicity, reflecting on both the hurt and the growth that has come from it. Within these pages, carrillo weaves a

tale of strength and self-love, intermingled with profound life lessons and musings. From the first page to the very end, a trip across the universe demands the reader to question the world they know and the very foundation of life's essence. "Originally published in Great Britain in 2020 by Weidenfeld & Nicolson, an imprint of The Orion Publishing Group Ltd., London." A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly's little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven's best friend, Dustin, is madly (and one-sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia "Count" Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn't, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at all. Dazzlingly opulent and emotionally riveting, *Anna K: A Love Story* is a brilliant reimagining of Leo Tolstoy's timeless love story, *Anna Karenina*—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak. In this award-winning young adult series from Madeleine L'Engle, author of *A Wrinkle in Time*, Vicky Austin experiences the difficulties and joys of growing up. The Austins are trying to settle into their new life in New York City, but their once close-knit family is pulling away from each other. Their father spends long hours alone in his study working on the research project that brought the family to the city. John is away at college. Rob is making friends with people in the neighborhood: newspaper vendors, dog walkers, even the local rabbi. Suzy is blossoming into a vivacious young woman. And Vicky has become closer to Emily Gregory, a blind and brilliant young musician, than to her sister Suzy. With the Austins going in different directions, they don't notice that something sinister is going on in their neighborhood—and it's centered around them. A mysterious genie appears before Rob and Emily. A stranger approaches Vicky in the park and calls her by

name. Members of a local gang are following their father. The entire Austin family is in danger. If they don't start telling each other what's going on, someone just might get killed. Santiago Ramón y Cajal was a mythic figure in science. Hailed as the father of modern anatomy and neurobiology, he was largely responsible for the modern conception of the brain. His groundbreaking works were New Ideas on the Structure of the Nervous System and Histology of the Nervous System in Man and Vertebrates. In addition to leaving a legacy of unparalleled scientific research, Cajal sought to educate the novice scientist about how science was done and how he thought it should be done. This recently rediscovered classic, first published in 1897, is an anecdotal guide for the perplexed new investigator as well as a refreshing resource for the old pro. Cajal was a pragmatist, aware of the pitfalls of being too idealistic—and he had a sense of humor, particularly evident in his diagnoses of various stereotypes of eccentric scientists. The book covers everything from valuable personality traits for an investigator to social factors conducive to scientific work. The compelling diary of a young girl on the brink of maturity as her life draws to toward its tragic end -- one of the most moving and vivid documents of the Jewish experience.
