We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. An expert on Stan Kenton, Sparke delivers a comprehensive history of Kenton's activities as a bandleader and creative force in jazz. Based largely on interviews with Kenton and members of the various incarnations of his orchestra, the book shows how the "Kenton sound" evolved over four decades, focusing on the role that Kenton himself played in that development. While Sparke's style is sometimes a bit florid, his vast knowledge and enthusiasm for his subject is evident throughout the book. Likely to become the standard history of Kenton's orchestra, this book will be enjoyed by any reader interested in the history of big-band jazz. Annotation b2010 Book News, Inc., Portland, OR (booknews.com). "A descriptive list of the stocks, confederacies, tribes, tribal divisions, and settlements north of Mexico, accompanied with the various names by which these have been known, together with biographies of Indians of note, sketches of their history, archeology, manners, arts, customs, and institutions, and the aboriginal words incorporated into the English language.--From the Letter of transmittal
