Lucky Madden is a mouthy piece of work. Yes, she's gorgeous to a fault and that's precisely why her overprotective, tatted up brother, Jet, pays me the big bucks to make sure none of the idiots at Whitney Briggs University land her horizontal. Only, too bad for me, Lucky Madden is the last person I want to hover over every free chance I get. Then one night, she cuts the mouthy routine and does something far more productive with those lips, she kisses me. Now I can't get Lucky Madden out of my mind. I'm addicted in every single way, and soon enough, the only person her brother will want to rip to pieces is me. Jet Madden is notoriously good with the ladies. I'm trying to resist him, really I am, but I have to see if those rumors are true. Each night I dream of falling asleep in Jet Madden's arms, and each day I pretend as if I loathe his existence. It's all a lie. We're a lie. Staying away from Jet Madden is proving impossible. My body demands to collide with his, even if all it will ever amount to is our dirty little secret. Cade James is my best friend's brother, well bred and well bed. To him I'm just another plaything, but I can't blame him for that. I'm not much to look at, and there's not a man on the planet that would be willing to make me his own. But Cade is pulling me deeper, asking questions, wanting to know what makes me tick—wanting to know who gave me the scar that takes up the landscape over half my face. Cade wants far more than what I'm willing to give him. If I let him in, let him into the most sacred chamber of my heart, I might end up with a wound far greater than the one that left that scar. The wound Cade James has the power to inflict could never heal. Praise for the Celestra Series... "This series has been incredible from book 1! There is non-stop action throughout and its got tension-filled romance as well. Usually when there is a love triangle, I choose a side and stay there, but with this series I can't decide whose team I'm on. One book, it's hands down team Gage. Then in the next book I'm feeling bad for Logan. Now, even Marshall is growing on me!! Not to mention the suspense, which is KILLING me!" --Wendyirp "This is a must read series...
