Are you believing God to restore your marriage? Are you standing on God's promises to heal your family? This book is designed to walk one through the journey of standing for their marriage by leading them through prayer and renewed relationship with God. Before God changes your spouse, His desire is to change you first""make you whole again and restore you back to Him. *Until You Come Home* began as a struggle through prayer for the restoration of my family and marriage. Not as a book, but as a collection of several handwritten journals that God wanted to use for His glory and to save the life of this woman. I made one vow to God to help another woman get through the difficulties of life. I did not want another to struggle to find her voice in prayer, not realizing the power and authority she has implanted deep within her because she is the daughter of the Most High King. You may find the need to leave the constructs of religion and religious practices to seek an authentic relationship with God. Nicole's journey is one that breaks through the barriers of pain and brokenness to healing, restoration, and strength. One of the greatest gifts of love you can give is prayer. After being released from prison, and determined to stay out of trouble, Jase Hollister returns home to Strawberry Valley, Oklahoma where his plans to live a nice, simple life are thwarted by the arrival of hot-blooded Southern beauty and down-on-her-luck waitress Brook Lynn Dillon. *Original. Who – or what – is Wendy Swan?* A girl born from nightmares pursues four friends bound by a shocking event from the past in this supernatural horror epic. A desert town. A ritual of darkness. An unending horror unleashed. An old friend is hunting them. He calls himself the Desolation Angel. At the center of it all, a mysterious girl, missing for

years — and the creature that possesses her soul. Read all of New York Times bestselling and award-winning author Douglas Clegg's novels of the supernatural, including *Neverland*, *Goat Dance*, and *The Children's Hour*. For fans of Stephen King, Dean Koontz, and Guillermo del Toro. *"Horror at its finest!" – Starred Review in *Publisher's Weekly*. "David Icke...has exposed the global network of families behind Big Banking, Big Biotech, Big Food, Big Government, Big Media and Big Pharma in book after book as his awareness has expanded -- and he takes this on to still new levels of exposure in *Remember Who You are...the key is in the title*. We are enslaved because we identify with our body and our name, when these are only vehicles and symbols for what we really are -- Infinite Awareness, Infinite Consciousness. We are imprisoned in the realms of the five senses and 'little me' when we are *All That Is, All That Has Been and all That Can Ever Be*. To breach the perceptual walls of the Saturn-Moon Matrix and bring an end to mass human enslavement, we need to awaken to our true identity." -- *Publisher's description*. *How Far You Have Come* is an exquisitely illustrated collection of poetry and essays from bestselling artist and writer Morgan Harper Nichols. In the midst of the hurt and the mundane, the questions and the not yet's, you can forget just how far you have come. Morgan weaves together personal reflections with her signature poems, encouraging you to reclaim moments of brokenness, division, and pain and re-envision them as experiences of reconciliation, unity, and hope. As Morgan reflects on the moments that shaped her, she invites you to: Awaken your heart and recognize how your own history has made you who you are today Into a deeper understanding of pressing on and pressing in, of transformation and surrender, of meaning in the losses and wild anticipation for the splendor ahead Reclaim moments of brokenness, division, and pain and re-envision them as experiences of reconciliation, unity, and hope Become who you are in the moment you hold right now *A Wall Street Journal* and *Publishers Weekly* bestselling author, Morgan has cultivated a loyal online community, over a million Instagram followers, and an in-person following as she shares her unique message around the country. *How Far You Have Come* is an excellent gift for college and high school graduations, faith celebrations and anniversaries, life transitions, and birthdays or simply a gift for yourself. M. John Harrison is a cartographer of the liminal. His work sits at the boundaries between genres – horror and science fiction, fantasy and travel writing – just as his characters occupy the no man's land between the spatial and the spiritual. Here, in his first collection of short fiction for over 15 years, we see the master of the New Wave present unsettling visions of contemporary urban Britain, as well as supernatural parodies of the wider, political landscape. From gelatinous aliens taking over the world's financial capitals, to the middle-aged man escaping the pressures of fatherhood by going missing in his own house... these are weird stories for weird times. 'M. John Harrison's slippery, subversive stories mix the eerie and familiar into beguiling, alarming marvels. No one writes quite like him; no one I can think of writes such flawless sentences, or uses them to such disorientating effect.' – Olivia Laing, author of *The Lonely City* 'These stories map a rediscovered fictional hinterland, one tucked behind the glossier edifices of modernity and genre with views down alleyways into pubs and flats where Patrick Hamilton glares balefully at J. G. Ballard.' – Will Eaves, author of *This is Paradise* 'M. John Harrison

moves elegantly, passionately, from genre to genre, his prose lucent and wise, his stories published as SF or as fantasy, as horror or as mainstream fiction. In each playing field, he wins awards, and makes it look so easy. His prose is deceptively simple, each word considered and placed where it can sink deepest and do the most damage.’ – Neil Gaiman, author of *American Gods* ‘With an austere and deeply moving humanism, M. John Harrison proves what only those crippled by respectability still doubt – that science fiction can be literature, of the very greatest kind.’ – China Miéville, author of *Perdido Street Station*

A journal devoted to insurance and the industries. For use in schools and libraries only. Four-year-old Suki is worried about being left in day care for the first time until her mother reassures her that she loves her and will always return for her. She was just an orphan, abandoned and put in front of an old man who lived by picking up rubbish. In eighteen years, the old man recklessly raised her with his whole life's energy, but in order not to affect her, he left a word note and left. After grandma disappeared, she waited for the first lover she met when she was 18. He is a rich young man. In order to save his father's business, he went back to his hometown to get a land lease, but he didn't expect to meet his destined lover. Three years, he promised to meet her in three years. However, when he went to that small mountain village again, he found that she did not grow there at all. All her lies. Where does his love go? Where can her love be accepted. She can see him on TV all day, but she is with other women. The three-year appointment has come. Why did he find her, but she didn't want to be with him? Why, when everything is ready, she didn't want to accept him. When he was full of happiness and good into the palace of marriage, but why, it happened again, let her want to escape, can't stay beside her. Who in the world pushed her into the inferno, and who pulled her into the heaven on earth. All this, is the fate of the joke, or artificial joke. This book is about the love and power of the gospel of Yahshua of Nazareth. This book will help you understand what you will need to hear from heaven, and when you seek Him, with all your heart; I pray that you will be encouraged to seek the King of all Kings, Yahshua “Amazingly raw and candid . . . Come As You Are is as good as rock bios get”

—Billboard Nirvana came out of nowhere in 1991 to sell nearly five million copies of their landmark album *Nevermind*, whose thunderous sound and indelible melodies embodied all the confusion, frustration, and passion of the emerging Generation X. *Come As You Are* is the close-up, intimate story of Nirvana—the only book with exclusive in-depth interviews with bandmembers Kurt Cobain, Krist Noveselic, and Dave Grohl, as well as friends, relatives, former bandmembers, and associates—now updated to include a final chapter detailing the last year of Kurt Cobain's life, before his tragic suicide in April 1994. On May 12, 2013, 48-year-old Vicky Isaac of rural Puxico, Missouri—a woman with a history of learning disabilities, traumatic brain injuries, and drug addiction—loaded a .22 caliber handgun and shot her violent addict husband while he slept in the trailer they shared with Vicky's adult son. Or did she? According to police reports, Vicky called 911 and confessed to the crime. Was this another sad case of murder amongst addicts or something more? Betty Frizzell escaped her family's legacy of crime, addiction, and abuse to become a respected law enforcement officer and teacher. Drawn back to the town and people of her past, Betty works to uncover the truth of murder and

her family's history of violence. Her investigation uncovers sad realities about mental illness, small-town politics, and a society that doesn't care about "poor, white trash". There are never easy answers when the odds are stacked against you and no amount of "elegies" will save your family. When Brandon Greene, an oatmeal-skinned junior from upstate New York, drunkenly hurls a beer bottle at an unsuspecting, brown-skinned Natalie Chandler, both their worlds are changed indefinitely. Brandon makes his intentions clear from the beginning: he is hopelessly in love with his girlfriend, Sophia, but does not want to marry her. He does, however, want to be friends with Natalie. Neither Brandon nor her curiosities about him make sense to her at all, and her complacency begins to tumble, as she and Brandon grow closer. She's thrust into a love triangle that she wants no part of and suddenly, a streamlined future to success in the medical field is the last thing on her mind -- all she sees now is a shade of gray. Brandon and Natalie have a powerful dynamic; but can it stand the weight that time, spatial disparity and color have placed on them? *When You Come to Me* is a sometimes humorous, sometimes dramatic take on the loss of innocence in its most colorful form. I will love you till the cows come home from a trip to Mars through skies unknown, in a rocket ship made of glass and stone... I will love you till the cows come home. Love knows no bounds in this tender tribute to the depths of family love. For fans of *Guess How Much I Love You*—only funnier! Makes a good baby shower or Valentine's Day gift. This book extends the saying, "I'll love you till the cows come home" to the humorous extreme. Along the way there are yaks in cadillacs, sheep setting sail, frogs on big-wheeled bikes, and more, in this great read-aloud. *I'll Love You Till the Cows Come Home* is filled with warm, funny art and rhythmic, romping text, perfect for curling up with your little one at the end of the day...or anytime you want to express your love. A lyrical story of star-crossed love perfect for readers of *The Hate U Give*, by National Ambassador for Children's Literature Jacqueline Woodson Jeremiah feels good inside his own skin. That is, when he's in his own Brooklyn neighborhood. But now he's going to be attending a fancy prep school in Manhattan, and black teenage boys don't exactly fit in there. So it's a surprise when he meets Ellie the first week of school. In one frozen moment their eyes lock, and after that they know they fit together—even though she's Jewish and he's black. Their worlds are so different, but to them that's not what matters. Too bad the rest of the world has to get in their way. Jacqueline Woodson's work has been called "moving and resonant" (*Wall Street Journal*) and "gorgeous" (*Vanity Fair*). Now celebrating its twentieth anniversary, and including a new preface by the author, *If You Come Softly* is a powerful story of interracial love that leaves readers wondering "why" and "if only . . ." A revised and updated edition of Emily Nagoski's game-changing *New York Times* bestseller *Come As You Are*, featuring new information and research on mindfulness, desire, and pleasure that will radically transform your sex life. For much of the 20th and 21st centuries, women's sexuality was an uncharted territory in science, studied far less frequently—and far less seriously—than its male counterpart. That is, until Emily Nagoski's *Come As You Are*, which used groundbreaking science and research to prove that the most important factor in creating and sustaining a sex life filled with confidence and joy is not what the parts are or how they're organized but how

you feel about them. In the years since the book's initial publication, countless women have learned through Nagoski's accessible and informative guide that things like stress, mood, trust, and body image are not peripheral factors in a woman's sexual wellbeing; they are central to it—and that even if you don't always feel like it, you are already sexually whole by just being yourself. This revised and updated edition continues that mission with new information and advanced research, demystifying and decoding the science of sex so that everyone can create a better sex life and discover more pleasure than you ever thought possible. A selection of plays illustrating the history of the English Drama from its origin down to Shakespeare. A Washington Post, Chicago Review of Books, Kirkus, and Christian Science Monitor Best Book of the Month "Inventive, funny and moving." —The New York Times Book Review Translated from the German by Damion Searls Winner of the German Book Prize, Saša Stanišić's inventive and surprising novel asks: what makes us who we are? In August, 1992, a boy and his mother flee the war in Yugoslavia and arrive in Germany. Six months later, the boy's father joins them, bringing a brown suitcase, insomnia, and a scar on his thigh. Saša Stanišić's *Where You Come From* is a novel about this family, whose world is uprooted and remade by war: their history, their life before the conflict, and the years that followed their escape as they created a new life in a new country. Blending autofiction, fable, and choose-your-own-adventure, *Where You Come From* is set in a village where only thirteen people remain, in lost and made-up memories, in coincidences, in choices, and in a dragons' den. Translated by Damion Searls, it's a novel about homelands, both remembered and imagined, lost and found. A book that playfully twists form and genre with wit and heart to explore questions that lie inside all of us: about language and shame, about arrival and making it just in time, about luck and death, about what role our origins and memories play in our lives. From the author of *Call the Nurse*, come new tales of a London nurse working to help and heal a community on a remote Scottish island. Lively, touching, engaging reading for fans of *Call the Midwife* and *All Creatures Great and Small*. "Julia MacLeod shares unique and enchanting experiences as a nurse in rural Scotland. Her stories will ring true with every nurse—or anyone—who has ever cared for a family or a community, whether in Scotland or America. *Call the Nurse* is a delightful read." —LeAnn Thieman, author *Chicken Soup for the Nurse's Soul* Mary J. Macleod and her husband left the London area for an idyllic place to raise their young children in the late sixties, and they found the island of Papavray in the Scottish Hebrides. There they bought a croft house on a "small acre" of land, and Mary J. (also known as Julia) became the district nurse. At the age of eighty, she first recounted her family's adventures in her debut, *Call the Nurse*, where she introduced readers to the austere beauties of the island and the hardy charm and warmth of the islanders. The anecdotes in this new volume take us to the end of her stay on Papavray, after which the MacLeod family left for California. Once again, we meet the crofters Archie, Mary, and Fergie, and other friends. There are stories of troubles, joy, and tragedy, of children lost and found, the cow that wandered into the kitchen, a distraught young mother who strides into the icy surf with her infant child, the ghostly apparition that returns after death to reveal the will in a sewing box. There are accidents and broken bones, twisters that come in from the sea, and acts of

simple courage and uncommon generosity. Here again, a nurse's compassion meets Gaelic fortitude in these true tales of a bygone era. A lyrical story of star-crossed love perfect for readers of *The Hate U Give*, by National Ambassador for Children's Literature Jacqueline Woodson--now celebrating its twentieth anniversary, and including a new preface by the author Jeremiah feels good inside his own skin. That is, when he's in his own Brooklyn neighborhood. But now he's going to be attending a fancy prep school in Manhattan, and black teenage boys don't exactly fit in there. So it's a surprise when he meets Ellie the first week of school. In one frozen moment their eyes lock, and after that they know they fit together--even though she's Jewish and he's black. Their worlds are so different, but to them that's not what matters. Too bad the rest of the world has to get in their way. Jacqueline Woodson's work has been called "moving and resonant" (*Wall Street Journal*) and "gorgeous" (*Vanity Fair*). *If You Come Softly* is a powerful story of interracial love that leaves readers wondering "why" and "if only . . ." Written by one of the country's leading younger poets, "Zapruder's poems don't merely attempt beauty, they attain it."--*Boston Review*

Sun, cloud, rain, wind, water, and the whole of creation join family and friends in celebrating the baptism of a child of God. The classic Western, now newly repackaged as part of Bantam's Louis L'Amour's Lost Treasures program--with never-before-seen material from Louis and his son, Beau L'Amour. It was just a godforsaken mountainside, but no place on earth was richer in silver. For a bustling, enterprising America, this was the great bonanza. The dreamers, the restless, the builders, the vultures--they were lured by the glittering promise of instant riches and survived the brutal hardships of a mining camp to raise a legendary boom town. But some sought more than wealth. Val Trevallion, a loner haunted by a violent past. Grita Redaway, a radiantly beautiful actress driven by an unfulfilled need. Two fiercely independent spirits, together they rose above the challenges of the Comstock to stake a bold claim on the future. Louis L'Amour's Lost Treasures is a project created to release some of the author's more unconventional manuscripts from the family archives. In Louis L'Amour's Lost Treasures: Volume 1 and Volume 2, Beau L'Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels, and treatments that his father was never able to publish during his lifetime. L'Amour's never-before-seen first novel, *No Traveller Returns*, faithfully completed for this program, is a voyage into danger and violence on the high seas. Additionally, many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material, including outlines, plot notes, and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish. From two-time Caldecott Winner author-illustrator Sophie Blackall! *If You Came to Earth* is a glorious guide to our home planet, and a call for us to take care of both Earth and each other. This stunning book is inspired by the thousands of children Sophie Blackall has met during her travels around the world in support of UNICEF and Save the Children. • An engaging storybook about a single curious and imaginative child • Simultaneously funny and touching • Carries a clear message about the need to care for the earth and each other If you come to Earth, there are a few things you need to know. . . We live in all kinds of places. In all kinds of homes. In all kinds of families. Each of us is different. But

all of us are amazing. And, together, we share one beautiful planet. This masterful and moving picture book is a visually comprehensive guide to the earth, imbued with warmth and humor. • Ideal for children ages 3 to 5 years old • A great pick for teachers looking for a crowd-pleasing picture book about the world for little students • Perfect for parents, grandparents, and caregivers • You'll love this book if you love books like *The Travel Book* by Lonely Planet Kids, *Atlas of Adventures* by Rachel Williams, and *If You Lived Here: Houses of the World* by Giles Laroche. At Santa Cruz Central High School, they called them the misfits, the outcasts, the weirdos. But most of us knew them as the Lost Boys...Holden Parish survived his parents' horrific attempts to make him "the perfect son." After a year's stint in a Swiss sanitarium to recover, he has vowed to never let anything--or anyone--trap him again. Brilliant but broken, he seeks refuge behind alcohol, meaningless sex, and uses his wicked sense of humor to keep people away. He only has to ride out one year in the coastal town of Santa Cruz with his aunt and uncle before he inherits his billions and can make his escape. Disappear. Falling in love is not in the plans. River Whitmore. Star quarterback of the Central High football team, Prom King, Mr. Popular, ladies' man. He leads the perfect life...except it's all a lie. His father has River's future in the NFL all planned out, while River's dream is to run the family business in the town that he loves. But his mother's illness is tearing the family apart and River is becoming the glue that holds them together. How can he break his father's heart when it's already shattering? River's carefully-crafted façade explodes when he meets Holden Parish. A guy who dresses in coats and scarves year-round, drinks expensive vodka, and spends his free time breaking into houses for the fun of it. They're complete opposites. River seeks a quiet life, away from the spotlight. Holden would rather have dental surgery than settle down. Holden's demons and River's responsibilities threaten to keep them apart, while their undeniable attraction crashes them together again and again, growing into something deep and real no matter how they resist. Until one terrible night changes everything. #MMromance Please note, this book contains spoilers for *The Girl in the Love Song*
