From brave and bold to creative and clever, Emily Winfield Martin's rhythmic rhyme expresses all the loving things that parents think of when they look at their children. With beautiful, lush illustrations and a stunning gatefold that opens at the end, this is a book that families will love reading over and over. *The Wonderful Things You Will Be* has a loving and truthful message that will endure for lifetimes and makes a great gift to the ones you love for any occasion.

The Very Special Baby Dec 24 2019 This brightly illustrated sticker book provides lots of fun for young ones as they learn about Jesus' birth and His early years. While reading or listening to the story, children match the more than 30 stickers to the similar shapes scattered throughout the book. This sticker book gives little ones an early introduction to the Bible by teaching them about Jesus--including where He was born, who came to visit Him, and why one night His parents quickly gathered Him up and set off on a long journey to Egypt.

Growing Together Sep 01 2020 I created this pregnancy journal so expecting mamas could have a place to

document every stage of their pregnancy. When I was pregnant with my first, Payson, I was so excited to start a pregnancy journal for her. When I got it I was disappointed in the questions & the overwhelming space to have to fill in. I wanted to create a simple, beautiful book that I'd want to display in my home & keep for my little ones so that they could look back on it forever. This book is all the thoughts and feelings I've had throughout my second pregnancy and it's everything I wish I had with my first. I hope you love it, find inspiration in it, & celebrate your pregnancy long after you have your sweet baby.-Mackenzie Lunt

Heaven's Very Special Child and the Family Mar 07 2021 Heaven's Very Special Child & The Family is a most needed book concerning the purpose of God in allowing a child who is retarded or physically disabled to be born. From personal experiences by the author, a widow of a pastor, and one of their 5 children, with Down Syndrome (Ruth lived 43 years), Edna recounts the blessings, amid many trying times. Besides her personal story, in this book

are many other stories from others that touch the hearts of readers. In Part 2 of the book are original poems and songs all related to the care and inspiration given to parents and other caregivers of children who are either physically disabled or mentally retarded. And, from a religious angle, the mention of prayers, unspoken by the child are emphasized. There is a resource section also, where readers can receive further information about parenting a disabled child, and the obvious joys and benefits to themselves and to society. The poem 'Heaven's Very Special Child' was read and acknowledged by the late President Kennedy on the day of his assassination. As we all know, his sister was mentally retarded. The actual inspiration for the poem was through Henry Viscardi's conversation with his mother. Henry was born without legs and became a famous author and he started a school for disabled children in New York. For ordering and with personal communication with its author, you can write to her at the following address: EDNA MASSIMILLA 2815 Byberry Rd.Suite 120, Hatboro, PA 19040

A Very Special Me Mar 19 2022 This book will remind omphalocele kids' they're very special! All methods to repair are unique and serious. 'A Very Special Me' was written to remind omphalocele children that they were born a little different, but they're loved just the same. Please use this story as a tool to create dialogue when children start asking questions about their tummies. By the end of the story your child will realize that they really are very special. It is written in a wonderful rhyme, and the watercolors are so full of life they will catch your child's attention through the entire story. Prior to our daughter's last omphalocele surgery, she asked a lot of questions. A nurse suggested a kids book that could help her understand what was going to happen. Because I couldn't find the right book for this situation or age, I decided to write one myself. Through a support group, I met Emily, an artist who is also an omphalocele adult. Emily was able to take the words provided and easily put emotions and life experiences into her pictures, bringing them beautifully to life.

This re-issue of the book once again makes this delightful story available to families who want to share the Christmas story with their young child.

The Phantom Tollbooth Mar 27 2020 With almost 5 million copies sold 60 years after its original publication, generations of readers have now journeyed with Milo to the Lands Beyond in this beloved classic. Enriched by Jules Feiffer's splendid illustrations, the wit, wisdom, and wordplay of Norton Juster's offbeat fantasy are as beguiling as ever. "Comes up bright and new every time I read it . . . it will continue to charm and delight for a very long time yet. And teach us some wisdom, too." --Phillip Pullman For Milo, everything's a bore. When a tollbooth mysteriously appears in his room, he drives through only because he's got nothing better to do. But on the other side, things seem different. Milo visits the Island of Conclusions (you get there by jumping), learns about time from a ticking watchdog named Tock, and even embarks on a quest to rescue Rhyme and Reason. Somewhere along the way, Milo realizes something astonishing. Life is far from dull. In fact, it's exciting beyond his wildest dreams!

Baby Book Aug 24 2022 The perfect gift for all new parents! The Baby Book is the ideal place to record all the special moments and memories from the first three years of your child's life. As well as details of the birth, parents and siblings, you can record all the firsts (sitting, crawling, walking, teeth), favourites (toys, books, friends, music)

and events, with space for notes and photographs and charts to record growth. An expandable pocket at the back allows you to hold on to keepsakes and an elastic enclosure keeps everything in place.

Do Baby Elephants Suck Their Trunks? Sep 13 2021 There are babies everywhere! Some babies can fly and some babies can swim. Most animal babies are very different to us, but there are lots of special ways that we might be the same. Especially when we were very little. This book encourages children to think about what makes them unique while learning about amazing similarities they might share with babies in the animal kingdom. From giraffes wobbling as they walk to puppies losing their baby teeth, each spread is fully illustrated with artwork that captures the love between parent and child.

I Love You Still combines aspects of traditional baby books with areas for memorialization, with lots of additional journaling space for grieving moms to complete whenever it feels right for them. The book's quality is meant to last, and its content can be revisited for months or years to come. * A beautiful baby memory book, memorial keepsake, and bereavement journal specifically created for the events and emotions that follow miscarriage, stillbirth, or newborn loss * Over 50 full-color professional illustrations featuring a gender-neutral nursery animal theme. Words and images are and carefully designed to be as inclusive as possible for all babies and gestational ages. * Substantial 8 x 10.5 padded hardcover book with Smyth sewn, lay-flat binding. The cover features a soft matte finish with spot UV treatment for subtle shine on the imagery and title. * 64-pages, including traditional baby book sections, prompted journaling, freeform journal space and scrapbook. Example sections include: parents' backgrounds, trying to conceive, pregnancy test reactions, monthly pregnancy milestones, baby's due date, favorite memories and time spent together, memorial gestures, holding the space, scrapbooking, resources, and more. The mission of I Love You Still: A Memorial Baby Book is to cherish pregnancy, remember baby, and honor motherhood. Born and raised in Wayzata, Minnesota, Margaret Scofield attended the University of Arizona where she earned her BA in English with a minor in Family Studies and Human Development. In 2016, while taking time off from her career to start a family, Margaret's dear friend lost her daughter to miscarriage. As a new mom herself, Margaret wanted to do more to help. After she tried in vain to find a baby book that catered to the 1 in 4 women who endure miscarriage, Margaret's purpose became clear. In 2016, Margaret started a business and created the manuscript for I Love You Still: A Memorial Baby Book. Since then, the book has been circulated to over 20 countries, and her story has appeared on news outlets such as NBC News, The TODAY Show, People Magazine, FOX Television, and MSN News. Today, Margaret continues her mission to cherish pregnancy, remember baby, and honor motherhood by encouraging real

conversation about pregnancy and baby loss, and postpartum mental health.

A Very Special Baby Apr 27 2020

The Christmas Light Oct 22 2019 Cold, cranky, and restless one winter's night, the young daughter of a Bethlehem innkeeper is bothered to wakefulness by the crowded, comfortless condition of her family's sleeping loft. Recalling the young couple staying in the stable out back, she arises to bring them some fire for warmth. There she approaches the newborn Babe asleep in the manger and has an encounter that changes her mood and alters her life forever.

Claudia McAdams's marvelous retelling of the Christmas story demonstrates to children how an encounter with Christ can change their lives ... eternally.
