Specifically, it explores the challenges, failures, expectations, and victories of seven early churches, and challenges students to embrace the mission God still has for his Church today.

Gospel-Centered War Nov 15 2021 If you have struggled with an addictive sin, or are trying to help someone that does, then you know that these sins have great potential to enslave. This book offers various keys to unlock the enslaving shackles. However, understand, there is no master key, only a Master Unlocker. This book strives to be real and practical. It strives to keep the heart and power of the gospel at the forefront. It incorporates modern-day examples, poetry, and action steps. It is researched and nuanced but not scholarly. The chapters and book are intentionally short so it's not intimidating to pick up and read. This book is written by someone that has fought the gospel-centered war and has experienced much victory by the grace of God and yet knows scars are real and the battle is never over. The book also shows that the author has fought alongside many comrades, both helping and receiving help. In short, the book is real about war and offers help in our continued gospel-centered war. ***** "As the title of this book makes clear, a gospel-centered approach is, in the long run, the only effective way to combat sin and addiction. Any resource, like this one by Paul O'Brien, which helps us fight our sinful compulsions by means of the gospel of Jesus Christ is one I recommend." -Dr. Donald S. Whitney, professor of biblical spirituality and associate dean at The Southern Baptist Theological Seminary, and author of *Spiritual Disciplines of the Christian Life* and *Praying the Bible*. ***** "Gospel-Centered War is for those who struggle with life-dominating sin and for those who counsel them. Instead of simply addressing behavior modification, Paul O'Brien gets to the heart of the matter. This book addresses the issues that provide freedom from destructive, self-defeating behaviors by helping the reader understand how God can change their heart and passions. Read it, devour it, and then be changed from the inside out." -Pastor Mike Wilson, Lincoln Heights Baptist Church, Mansfield, Ohio ***** "Paul is a genuine man of faith who has dedicated his life to Jesus and his calling. As a former heroin addict who was mentored by Paul, I had the privilege to witness his passion for Christ and his desire to help people through God's word. This book shows that same passion." -Ricky Upton, Louisville, KY Gospel Principles Aug 12 2021 A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.

GALATIANS AND EPHESIANS A Devotional Bible Study Sep 01 2020 GALATIANS Galatians answers the question "Are we saved by believing or by achieving?" Galatians is a letter of liberation that declares "freedom from bondage" to all who read it. It is a forceful, strong declaration of freedom based on grace. It is a letter celebrating the freedom we find only in Jesus Christ - not freedom to do whatever we please, but freedom from sin and freedom to obey and serve our Saviour. Jesus Christ's death is sufficient to satisfy all of God's demands against sin. If I place my faith and trust in Christ, I am saved. Not what I have done for Christ, but what He has done for me on the Cross. I believe in Him. I am saved forever because of what Jesus has done. The Holy Spirit has come into my life to revive me and to empower me to live for Him. Galatians 5:1 - For freedom Christ has set us free; stand firm therefore, and do not submit again to a yoke of slavery. The gospel is good news. When Jesus cried; "It is finished" on the Cross, all our sins were forgiven. Jesus is enough! EPHESIANS In Ephesians we find the good news about the riches available to us in Christ. That believers in Christ have been showered with God's kindness, chosen for greatness, marked

with the Holy Spirit, filled with the Holy Spirit's power, freed from sin's curse and bondage, and brought near to God. God has chosen us in Jesus Christ before creation. Jesus brings us to God by His blood. Gentiles and Jews have been given equal status in the body of Christ, the church. The book of Ephesians affirms the glorious fact that believers in Christ have been showered with God's kindness, chosen for greatness, power, freed from the curse of sin and its bondage, and brought to God. The church is in constant battle with the forces of darkness and Christians should use every spiritual weapon at their disposal.

Romans Oct 14 2021 Paul's letter to the Romans is considered by many to be the richest exposition of theological truth ever written. The majestic themes of justification by faith, freedom from sin, substitutionary atonement, and God's gracious adoption of sinners ring throughout its pages. In this classic commentary, now updated with a fresh look and Scripture references from the ESV Bible, pastor R. Kent Hughes brings clear exposition and pointed application to this power-packed Pauline letter. Useful for corporate or individual study, this volume will encourage and equip believers in their walk with God and understanding of his Word. Part of the Preaching the Word series.

Lay It Down Sep 13 2021 There's Good News for the Weary Call it burnout, a spiritual breakdown, or a personal crisis, the toll of Bill Tell's decades of successful ministry finally caught up with him. Incapacitated and depressed, he found that the road to recovery began at the cross. To his delight, healing opened new freedoms as he embraced the gospel in new ways. Lay It Down: Living in the Freedom of the Gospel is a bold declaration of the overwhelming grace of God. More than merely saving us in our sin, by grace God delivers us from it, making us new creations and treating us accordingly—no matter what. For a generation of Christians who have learned a gospel of performance and striving, Lay It Down offers the good news of the grace that is already ours in Christ.

The Royal Law of Liberty Nov 03 2020 This book is a frontal assault on all law based, obedience oriented religion. Most Christians carry a load of spiritual bondage, condemnation, guilt and shame. Some are deeply despondent and depressed because this load is too heavy for them to bear. Few Christians are truly confident in their personal relationship with God. This situation exists because: 1) Christians are generally unable to distinguish between actual sin versus mere human opinion about sin; 2) Christians do not understand that Jesus set them free from obedience based religion; 3) Christians do not know how to decide for themselves what is truly moral; 4) Christians have no real experience of "Christian Liberty." These issues are examined in sufficient detail to enable one to understand the radical nature of the "freedom for which Christ set us free," (Gal. 5:1). The author's goal is to destroy the roots of religious legalism so Christian believers can live the life of freedom which is their spiritual "blood-right." Beginning with a development of the "Master Key" to Biblical morality, the nature and implications of Christ's "Law of Love" are thoroughly explored. Next, the author discusses the true nature of morality, answering the question, "What exactly makes a thing sinful?" Careful attention is given to the concept of "defilement" or "uncleanness," with a bold look at Paul's revolutionary statement that "nothing is unclean of itself," (Rom. 14:14, 20). In Part Three, Legalism is exposed in all its ugliness. This section details the Biblical method for determining what is truly sin, and what is merely human opinion. Part Four destroys the bitter root of Legalism with persistent emphasis on the fact that Jesus Christ ended the rule of law by His life, death and resurrection. Part Five looks at the theology of Galatians, the Christian's "Emancipation Proclamation," closing with pointed illustration of how this all affects a Christian's liberty to exercise personal choice in what (s)he will or won't do. Five appendices explore several specific issues raised by the preceding study. These include: Conclusions About Christian Liberty "Contradictory" Scriptures? Christian Liberty and Sexual Issues The Necessity Of Experiencing Freedom The Non-Negotiables of Bible Study This is the only book on Christian Freedom written by an ex Fundamentalist. The author was raised in an atmosphere of extreme legalism. The first half of his Christian ministry was spent preaching, defending and even debating

the concepts that he now seeks to destroy. The author lived in legalism forty years. He understands legalism. He therefore knows how to attack its vulnerable spots. His goal was not to write a book, but to give to anyone who is interested, information that will set them free from bondage to legalism and open the pathway to self-government under the rule of love. Letters of the Revelation - Bible Study Book May 09 2021 Letters of the Revelation Bible Study Book includes six small-group sessions, applicable Scripture, "How to Use This Study," and tips for leading a group. The Bible Study Book, a vital component of a group member's discipleship experience, includes optional personal-study activities that can be adapted to the individual's specific needs or schedule. John's Revelation is perhaps the most studied and discussed book in the Bible. It begins with seven letters to seven different churches of the day: Ephesus, Smyrna, Pergamum, Thyatira, Sardis, Philadelphia, and Laodicea. Revelation and this study explore their challenges, failures, expectations, and victories. Participants will develop a better context for end-times theology and gain a greater understanding of the task that faces the church right now. Individuals will be challenged to repent and reorient their lives to the mission of the church, as revealed in the prophecies of John. They will learn that modern churches have shortcomings like those of the churches of Asia. Rekindling Your First Love: The Church in Ephesus 2. Faithful in Persecution: The Church in Smyrna 3. Return to Purity: The Churches in Thyatira and Pergamum 4. Awake from Your Deadness: The Church in Sardis 5. Cling to What Is Good: The Church in Philadelphia 6. Freedom From The Sin of Adultery And Fornication Jun 22 2022 Although the fourteen books in this series are complementary and help the reader to have a more complete view of the theme, each book is complete in its own right and should be read for the profit of it. Although the books are rooted in the Word of God, they are written, not merely to help readers to know God's point of view on the issues discussed, but also to lead the believer beyond theoretical understanding into spiritual experience; for sanctification is ultimately not merely a doctrine but an experience. My prayer for you is that, the One who "chose us in him before the foundation of the world, that we should be holy and blameless before him" (Ephesians 1:4), should work mightily in you as you read, working in you and through you, so that you may enter into and make progress in the life of sanctification. May the Lord bless you exceedingly!

Freedom from S.I.N. Jun 29 2020 S.I.N., satan's intended notion for our lives, has a firm grip on our society, families, churches - and on us. This book exposes the enemy's efforts to divide us and offers hope for overcoming the effects of sin. Naturally, we pull away from conflict; but freedom comes when we do the opposite of our inclination. By moving beyond quick fixes and embracing true deliverance, keys to the kingdom are found. God's system of free will leads us to experience life as He intended, as practice rounds of spiritual preparation. As we learn to submit to the Triune God, we gain the covering God desires to provide until we reach our eternal destination. In his first life-stirring manuscript, Larry Luby has provided a roadmap toward true freedom.

Liberating King May 29 2020 Worship Is Our Remedy Christ has delivered believers from the power of sin, but instead of living in true freedom, we struggle with the same failures every day. This is not how it's supposed to be. We need someone stronger than us to release us from the prison of sin. Enter Jesus, the liberating king. With passion and purpose, worship pastor Stephen Miller calls readers to draw near to Christ in worship, allowing his Word and the Holy Spirit to loose our chains by exposing the lies that

imprisoned us in the first place. When we do, we see everything more clearly--from the sinking sand of our man-made security to the solid rock of Jesus's unshakeable power. Miller shows that holy living is within our grasp when we keep our eyes and our adoration on the one who was sent not only to save us, but to make us into new creations.

The Justification Dec 16 2021 God has justified man even in the state of his sin which would have brought about death, condemnation, punishment, and destruction. He has delivered man from the impending danger that should have befallen him. God in his infinite mercy and love set man free through his son. He sacrificed his only son who came down in human flesh to face what would have befallen man. We live in a world where the life of the flesh looks prevalent and seems to control man, where sin has become the order of the day and a lifestyle, a norm and practice that looks normal. Some have struggled with it and want to be delivered from its lifestyle but still find themselves in it; their actions which would have brought death resulted in God's mercy and favor, they know that they don't deserve it and wandered who would love them and bless them despite their weakness and still choose to call them his own. God's grace is prevalent to all men, his provision of love has been shown to all, and his blessings and acts of righteousness have been revealed through his son. It is in confessing and accepting of his son that man will be delivered and saved from whatever danger that may befall a man. All his sins will be forgiven and he will become a changed person, God will not keep a record of his sins again but will bring about freedom from the oppression of the enemy and success in all that one does because he lives a new life, the life of God, the life of the spirit, the righteousness of God through his son. We deserved death, condemnation, punishment, and destruction but it does not count again because of what God has done and revealed through his son. We have to walk with him and allow his leadership in our life.

How Does Sanctification Work? Nov 22 2019 Many popular views try to reduce the process of Christian growth to a single template: Remember past grace. Rehearse your identity in Christ. Avail yourself of the means of grace. Discipline yourself. But Scripture portrays the dynamics of sanctification in a rich variety of ways. No single factor, truth, or protocol can capture why and how a person is changed into the image of Christ. Weaving together personal stories, biblical exposition, and theological reflection, David Powlison shows the personal and particular ways that God meets you where you are to produce change. He highlights the variety of factors that work together, helping us to avoid sweeping generalizations and pat answers in the search for a key to sanctification. This book is a go-to resource for understanding the multifaceted, lifelong, personal journey of sanctification.

Freedom from Sin Nov 27 2022 HOW LONG SHALL WE CONTINUE TO STRUGGLE? For a long while, sin has been a common topic for consideration in Christian circles. From the confines of our hearts to the open pulpit we struggle with the concept. We hang our heads in shame in our defeat where Christ has given us total victory and convict ourselves of sins long atoned for. Are you uncertain about your salvation? Has your life been a continuous cycle of repentance and rededication? Are you struggling with immoral habits and addictions Has your bible suddenly become another boring piece of literature? This book beautifully reveals through the scripture what Christ's finished work has accomplished for you, how you can freely access the victory which is already yours in Him and walk in complete freedom from sin. Christ did not die on the cross so we can become "sinners in Christ", rather that we might become the RIGHTEOUSNESS OF GOD in Him. The book also features: How to overcome habits and addictions How to handle temptations How to effectively study and enjoy your bible What to do when you "fall into" temptations The difference between sin as a nature and sin as an action "I salute your courage for the openness you have displayed for the benefit of others. It is obvious in recent times that many Christians are still struggling with the issue of sin and they just can't see a way out. Your book will open the eyes of many to the fact that as born again children of God, we are free from the bondage of sin and are victorious over sin. One major way of living a victorious life emphasized in your book is by renewing our minds with the word of God as recommended in the Epistle of Paul to the Romans. I recommend this book to all those that truly desire to experience freedom from the bondage of sin." Dr. Gloria A. Ayoola, PhD

[The Negro Bible - The Slave Bible](#) Apr 27 2020 The Slave Bible was published in 1807. It was commissioned on behalf of the Society for the Conversion of Negro Slaves in England. The Bible was to be used by missionaries and slave owners to teach slaves about the Christian faith and to evangelize slaves. The Bible was used to teach some slaves to read, but the goal first and foremost was to tend to the spiritual needs of the slaves in the way the missionaries and slave owners saw fit.

[Liberty: Freedom Not to Sin](#) Mar 27 2020 No one is able to keep all of the laws of the Old Testament - all of the time, not even the holy men of the Old Testament - Moses, King David and others. Jesus himself said that even if you only look at a woman lustfully you have already committed adultery in your heart. Priests and those in leadership within the Church have often been guilty of misusing the laws of Moses by teaching and demanding strict, literal or even excessive conformity to the Old Testament Law. Such practice puts

one under the law, and even places the law above the gospel. In his letter to the Galatians Paul teaches that to be a Christian you do not need to be circumcised and that an over emphasis on keeping the laws, including keeping the Sabbath results in legalism and ultimately brings God's Wrath. The opposite of legalism is license - doing whatever you want whenever you want and that you are only responsible to yourself rather than a higher authority. This also brings God's wrath. In this book David Pawson explains how through Christ's death and resurrection, we have been released from the legalism of the Old Testament Laws (which no one is able to keep all of the time), not to do the opposite which will result in sin by doing whatever we please, whenever we want, but through Christ we have been given true liberty ...the liberty to choose not to sin, by walking in the Spirit.

[Desiring God](#) Jan 17 2022 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

Freedom and Sin Mar 19 2022 A fresh argument for a venerable but recently neglected solution to the problem of human freedom and divine sovereignty. If God is the creator of all that is, then God is the creator of everything we do. This basic premise of Christian theology raises difficult questions. How can we have free will if God is the source of all our actions? And how can we explain the existence of evil without ascribing it to God? *Freedom and Sin* resolves this conundrum through a classical position known as compatibilist indeterminism: the idea that God can determine our free choices while not determining all our choices. This solution, which insists that God's agency is both non-competitive with ours and is not implicated in our sins, has been neglected in recent years but remains the most compelling response to philosophical objections to Christian doctrine. In this volume, Ross McCullough provides a detailed defense and exposition of compatibilist indeterminism, showing how human freedom is not compromised but perfected by being fixed to the will of God. With a novel re-working of Hans Urs von Balthasar's account of analogy, with an attention to everyday Christian concerns about suffering, and with a consideration of challenging scriptural passages—Jesus's cryptic explanation of parables in Mark 4 and Paul's account of election in Romans 9—McCullough demonstrates a commitment both to formidable theological questions and their concrete applications.

[Dead to Sin, Alive to God](#) Oct 02 2020 If you have been born again through faith in Jesus Christ, now reckon yourself dead to sin and alive to God in Christ! Learn to think about your "new self" in Christ as God does. With a pastor's heart, Stuart C. Smith explains why the key to New Covenant sanctification is the important concept of biblical reckoning. Obedience to Paul's command in Romans 6:11 can transform your life. Reckoning is not something to do but something to think. So powerful is this thought that it inevitably leads to action. Learn how to overcome the power of sin by a stronger power, and the desire to sin by a stronger desire--adoration of Jesus Christ. Bring your thinking in line with your identity. You are a new creation in Christ, a saint, an adopted child of God, and victor over Satan. Learn about the Father's passion for you, and seek to satisfy his passion for a holy and pure bride for his Son. Midway through the book, these principles come alive in the experience of Cody, a young man who leaves his troubled past for a new life of freedom in Christ.

It Is God That Justifieth Mar 07 2021 The Online Bible seminar was hosted on May of 2020, as on-site services and conferences became difficult due to COVID-19. With its surprisingly enthusiastic response, sermons were translated in 26 different languages and being televised to possibly 1 billion viewers worldwide through 248 broadcasting stations in 94 countries. The sermons from the eleven sessions, totaling about 990 minutes and receiving countless comments, is now a published book. Faith does not refer to a devotion of heart nor to give effort to accomplish something. It refers to accepting the works which Jesus did for us. Jesus was crucified on the cross, and He has already washed away our sins. Unfortunately, there are still many Christians bound to sin saying, "Lord, I'm a sinner. Please forgive me of this sin." This book points to many scriptures in the Bible which testify the truth that Jesus has already taken care of our sins, forever. And it explains how we became righteous forever. Using extensive and deep knowledge of the Bible as the basis, this book explains spiritual life in a precise manner, causing people to automatically proclaim, "Ah, I truly understand!" Within the pages of this book, you will discover the vast and deep love of God towards you, and the amazing grace God has bestowed upon everyone. You will also

come to discover just how blessed and glorious of a new creature God has made us. Readers will be filled with happiness, as if they discovered the treasure in the field.

Three Free Sins Aug 24 2022 From a popular pastor and radio host—Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many Christians. It's about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins - not just three. Chapter one, titled "Teaching Frogs to Fly," is even better. The gist of this chapter is that you can't teach frogs to fly, just like you can't teach people not to sin. Steve tells a story about a guy who has a frog, and he's convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls - all to the poor frog's demise. The message is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.

In His Image Aug 20 2019 Sometimes we ask What is God's will for my life? when we should really be asking Who should I be? The Bible has an answer: Be like the very image of God. How to be Free from Sin Jul 23 2022 The Islamic concept of salvation differs from that of other religions, and from Christianity in particular, because Islam rejects the concept of Original Sin and declares man to be responsible only for his own sins. He, therefore, needs to free himself from his own sins in order to

attain salvation. In this article, Mirza Ghulam Ahmad, the Promised Messiah(as) answers the all-important question, why does man commits sin, and how can he free himself from it. The Promised Messiah(as) also argues that a true religion must be judged by its ability to lead its followers to certainty about the existence of God. The holy author makes a detailed comparison between Islam and other major religions, and concludes that Islam alone can lead man to perfect awareness and, consequently, to freedom from sin. The first English translation of this article was published under the title How to get rid of the Bondage of Sin, in the English edition of The Review of Religions, January 1902. The current translation has been prepared by Wakalat Tasnif, Rabwah.

Slave Jul 11 2021 A COVER-UP OF BIBLICAL PROPORTIONS... Centuries ago, English translators perpetrated a fraud in the New Testament, and it's been purposely hidden and covered up ever since. Your own Bible is probably included in the cover-up! In this book, which includes a study guide for personal or group use, John MacArthur unveils the essential and clarifying revelation that may be keeping you from a fulfilling—and correct—relationship with God. It's powerful. It's controversial. And with new eyes you'll see the riches of your salvation in a radically new way. What does it mean to be a Christian the way Jesus defined it? MacArthur says it all boils down to one word: SLAVE "We have been bought with a price. We belong to Christ. We are His own possession." Endorsements: "Dr. John MacArthur is never afraid to tell the truth and in this book he does just that. The Christian's great privilege is to be the slave of Christ. Dr. MacArthur makes it clear that this is one of the Bible's most succinct ways of describing our discipleship. This is a powerful exposition of Scripture, a convincing corrective to shallow Christianity, a masterful work of pastoral encouragement...a devotional classic." - Dr. R. Albert Mohler, President, The Southern Baptist Theological Seminary "John MacArthur expertly and lucidly explains that Jesus frees us from bondage into a royal slavery that we might be His possession. Those who would be His children must, paradoxically, be willing to be His slaves." - Dr. R.C. Sproul "Dr. John MacArthur's teaching on 'slavery' resonates in the deepest recesses of my 'inner-man.' As an African-American pastor, I have been there. That is why the thought of someone writing about slavery as being a 'God-send' was the most ludicrous, unconscionable thing that I could have ever imagined...until I read this book. Now I see that becoming a slave is a biblical command, completely redefining the idea of freedom in Christ. I don't want to simply be a 'follower' or even just a 'servant'...but a 'slave'." - The Rev. Dr. Dallas H. Wilson, Jr., Vicar, St. John's Episcopal Chapel, Charleston, SC
