Your Right to Be Rich Aug 23 2022

"Authorized by the Napoleon Hill Foundation"--

Cover.

[How to Be Rich](#) Apr 19 2022 You probably don't feel rich. Rich is the other guy. Rich is having more than you currently have. But you can be rich and not feel it. And that's the problem. Andy Stanley is convinced that most of us are richer than we think. We just aren't very good at it. It's one thing to BE rich. Andy wants us to be GOOD at it! "How to Be Rich lays out clear principles for carrying that load, making sure your wealth remains a blessing not just for you, but for your family and community for generations to come." —DAVE RAMSEY, New York Times bestselling author and radio show host

How to Be Rich Jul 22 2022 How to Be Rich by pastor Andy Stanley explores 1 Timothy 6:18. Andy biblically redefines what wealth is, how to use it, and helps readers practice being rich so they will be good at it if they should ever be so fortunate. The early Christians took this command seriously. Generosity was the hallmark of the early church. They did for those who could not do or would not do anything in return. That was new. That got people's attention. Is that how people would describe Christians today? This book will force conversation and reflection around the topic of what to do with what people have. Jesus could not have been any clearer. It's not what you have that matters. It's what you do with what you have that will count for you or against you in the kingdom of heaven. Andy encourages readers to look at richness differently, which might just lead their families, communities, and the world to look at Christians differently.

Second Edition of Read These Methods to Be Rich Aug 31 2020 If you assume financial health is beyond your reach, think again. Read *These Methods To Be Rich, Second Edition* is the current money classic that will improve the lives of many individuals all over the world, to teach them how to properly invest and create their finances. If your answer is "yes" to any of the above questions, then you may want to consider investing in these ways as a route toward your financial independence.

Trump: How to Get Rich Dec 03 2020 First he made five billion dollars. Then he made *The Apprentice*. Now *The Donald* shows you how to make a fortune, Trump style. HOW TO GET RICH Real estate titan, bestselling author, and TV impresario Donald J. Trump reveals the secrets of his success in this candid and unprecedented book of business wisdom and advice. Over the years, everyone has urged Trump to write on this subject, but it wasn't until NBC and executive producer Mark Burnett asked him to star in *The Apprentice* that he realized just how hungry people are to learn how great personal wealth is created and first-class businesses are run. Thousands applied to be Trump's apprentice, and millions have been watching the program, making it the highest rated debut of the season. In *Trump: How To Get Rich*, Trump tells all-about the lessons learned from *The Apprentice*, his real estate empire, his position as head of the 20,000-member Trump Organization, and his most important role, as a father who has successfully taught his children the value of money and hard work. With his characteristic brass and smarts, Trump offers insights on how to • invest wisely • impress the boss and get a raise • manage a business efficiently • hire, motivate, and fire employees • negotiate anything • maintain the quality of your brand • think big and live large Plus, *The Donald* tells all on the art of the hair! With his luxury buildings, award-winning golf courses, high-stakes casinos, and glamorous beauty pageants, Donald J. Trump is one of a kind in American business. Every day, he lives the American dream. Now he shows you how it's done, in this rollicking, inspirational, and illuminating behind-the-scenes story of invaluable lessons and rich rewards.

Simple Money, Rich Life Feb 23 2020 A hope-filled money guide to increase savings, earnings, and giving and actually enjoy it all while

designing a life of freedom and eternal impact, from the founder of SeedTime Money. Broken down and stranded 1,000 miles from home with only \$7 left in his bank account, Bob Lotich had reached his breaking point. He was stuck in a dead-end job, living paycheck-to-paycheck, and overwhelmed by debt. Bob had been following the world's advice with money and this was the fruit of it. In desperation, he cried out to God for wisdom, for a different way. The answer was a simple four-part formula, one based on timeless biblical principles, and, most important, it worked. After applying this simple formula, Bob discovered that his financial stress melted away and he finally felt fully in control of his money. As he continued to follow the four steps, he paid off over \$400,000 in debt, reached a personal goal of giving \$1 million by age 40, and achieved a level of financial freedom he never dreamed possible. In his casual and approachable style, Bob (along with his fun-loving wife, Linda) shares everything he learned about achieving true financial freedom, including: • How to create a money system so you can spend less time and get better results • The One-Category Budget: get 80% of the results with 20% of the work • The four keys to earning more in the digital era • How to automate your way to financial success in less than 10 minutes • The secrets of a six-figure giver • Three credit card rules that banks don't want you to know • How to save \$100s each month while still buying what you love • And much more! Whether you are doing "fine" or are in a financial crisis, the included 21-day kick-start will leave you with specific action items to guide you to success. You can have financial security, peace, significance, and eternal impact. Let Bob show you how to reimagine money as it was meant to be: simple.

Rich People Things Jan 24 2020 Keeping up with the American elite can be tiring. This is the layman's guide to how the wealthy maintain control.

The Science of Getting Rich Apr 07 2021 The original guide to creating wealth! With this seminal book, Wallace Wattles popularized the Law of Attraction, the powerful concept that inspired *The Secret*. *The Science of Getting Rich* explains how to attract wealth, overcome emotional barriers, and apply foolproof methods

to bring financial success into your life. This special 100-year edition contains the complete, original text, along with never-before published biographical information on Wattles, and a foreword by Catherine Ponder, the doyenne of modern prosperity writers. It also features an introduction from personal development authority Tom Butler-Bowdon, plus another Wattles classic, *The Science of Being Great*. [Rich Dad, Poor Dad](#) Nov 02 2020 Although we have been successful in our careers, they have not turned out quite as we expected. We both have changed positions several times-for all the right reasons-but there are no pension plans vesting on our behalf. Our retirement funds are growing only through our individual contributions. Michael and I have a wonderful marriage with three great children. As I write this, two are in college and one is just beginning high school. We have spent a fortune making sure our children have received the best education available. One day in 1996, one of my children came home disillusioned with school. He was bored and tired of studying. "Why should I put time into studying subjects I will never use in real life?" he protested. Without thinking, I responded, "Because if you don't get good grades, you won't get into college." "Regardless of whether I go to college," he replied, "I'm going to be rich."

How to be Rich Jan 16 2022

Your Infinite Power to Be Rich Mar 18 2022

As astonishing as it is true, you no longer need you wish or dream about the things you've always wanted and deserved in life. [The Science of Getting Rich \(Inclusive Edition\)](#)

Jun 28 2020 *The Science of Getting Rich (Inclusive Edition)* is an update to the classic with the proven formula for attracting and obtaining financial abundance. The original text, from 1910, was written with emphasis on "men" and "man". Though common at the time, we now know, without question, that the ability to attract and obtain financial abundance is

available to anyone. Therefore, all readers deserve to access this important work in a manner that speaks directly to the reader. Now, with this special Inclusive Edition, everyone is welcome and encouraged to learn the secret to personal financial growth and success.

Think And Grow Rich Nov 21 2019

How to Be Rich Dec 27 2022 Learn J. Paul Getty's secrets on making money and getting rich in this "excellent How To book from a \$\$\$ and sense man" (Kirkus Reviews). There are plenty of books on making money by men who haven't made much. But if J. Paul Getty, who Fortune magazine called "the richest man in the world," doesn't know how, who does? Here the billionaire businessman discloses the secrets of his success—and provides a blueprint for those who want to follow in his footsteps. And he goes beyond the matter of making money to the question of what to do with it. "Getty says it: 'You can be rich.'"—New York Herald Tribune "Aimed at the rising young business executive."—Albany Times-Union

God Wants You to Be Rich Nov 14 2021 A re-release of a best-selling work argues that today's economy is firmly rooted in the nation's Judeo-Christian heritage, explaining the author's belief that financial prosperity is compatible with spiritual wealth if it promotes the well-being of society overall. Reprint. 25,000 first printing.

A Disposition to be Rich Jan 04 2021

Documents the story of Gilded Age con artist Ferdinand Ward, recounting how his large-scale pyramid operation and other sensational schemes triggered one of the greatest financial scandals in American history.

Do You Sincerely Want to Be Rich? Jun 21

2022 In the fall of 1955, Bernard Cornfeld arrived in Paris with scant money in his pocket and a tenuous relationship with a New York firm to sell mutual funds overseas. Cornfeld, a former psychologist and social worker, knew how to make friends fast and soon targeted two groups of people who could help him fulfill his economic ambitions: American expatriates who were looking to build their own fortunes and servicemen abroad who loved to live high-rolling lives and spend money. Using the first group as door-to-door salesmen and the second group as his gullible target, Cornfeld built a multi-billion-dollar and multi-national company, famous for

its salesmen's winning one-line pitch: "Do you sincerely want to be rich?" In this eye-opening yet entertaining book, an award-winning "Insight" team of the London Sunday Times examines Cornfeld's impressive scheme, a classic example of good, old-fashioned American business gumption and guile.

Be Rich & Happy Apr 26 2020 Are you wrestling with any of these problems? You're struggling along from paycheck to paycheck. You're earning too little to ever afford your dreams. You've got too little stored away to live comfortably in retirement. Then this book is for you! If you're like most of us, your years in school did little to prepare you for the challenges of the real world. They are more likely to have planted seeds of financial and emotional failure in your life. These seeds sprout later, sabotaging our most sincere attempts to get ahead and create happy, prosperous lives for ourselves and our families. This book reverses the damage. It shows you how to identify and reverse the harmful programming you unconsciously received in the classroom, and learn new habits that will set you up for financial and emotional success right now. With the blueprint in this book, you will learn attitudes and abilities that will help you not merely to survive, but to prosper, regardless of whether the economy goes up or goes down. If you want to be rich and happy, read this book!

Are You Dumb Enough to Be Rich? Dec 15 2021 No investment strategy has created more millionaires than real estate . . . even in less-than-stellar markets. This new edition of the bestselling *Are You Dumb Enough to Be Rich?* empowers readers to take their first steps toward real estate investing. The book walks readers through a special 120-day plan for starting down the road to real estate wealth. Barnett gives readers the information and resources they need to find the neighborhoods with the most potential, avoid the common pitfalls of real estate investment, and build personal and professional credibility. The new edition includes exciting trends and opportunities to take advantage of, changes in specific state laws . . . even ways to actually profit from a downturn! In addition, the book now includes Barnett's new "Hot Mapping" system for figuring out where to invest. Too many real estate books focus on stories and unrealistic

examples of how other people became rich. *Are You Dumb Enough to Be Rich?* offers real strategies for people wishing to make smart, low-risk investments. Straightforward and easy-to-follow, this book demonstrates that anyone can make money - lots of it! - in real estate.

Your Magic Power to be Rich! Sep 24 2022

The ultimate all-in-one prosperity bible, featuring updated editions of the greatest works by the champion wealth builder of all time, Napoleon Hill. The timeless personal success writings of Napoleon Hill have inspired millions of readers to reach for and achieve their dreams since his debut book appeared in 1928. Now, three of Hill's most dynamic titles are available together for the first time, revised and updated in this convenient omnibus edition: *Think and Grow Rich*, one of the bestselling books of all time and one of the most successful reissues in recent publishing history, is Hill's landmark volume on wealth building. *The Magic Ladder to Success*, available nowhere else, is the volume in which Hill first distilled the seventeen factors that make up his "Law of Success" philosophy. These seventeen factors are composed of specific beliefs and actions that enable leaders to triumph in many fields. *The Master-Key to Riches* is the actual handbook once used by Hill and certified teachers of his success methods. This is the reference that the master teacher provided for the teaching of his ideas. While all three titles are revised to avoid arcane language or points of references, each features the full range of ideas and exercises that appeared in the original volumes. These are the self-help classics that most marked Hill's success as the greatest prosperity teacher in history. Together, they provide the ultimate guide to attaining the life of your dreams.

How to Get Rich Before 30 Dec 23 2019

Discover the proven path to wealth that anyone can follow... no matter how young you are. When you first start earning your own income, money is often tight and barely enough to cover the necessities. You worry about making rent, affording emergency repairs, or making your debt payments on time. Investing is probably the least of your concerns when you're struggling to meet your day-to-day needs. Why put your money into stocks and bonds that you don't get to use now when there are urgent things you

need to take care of? But if you want to become rich and financially secure, investments are the only way to get there. Investing helps you continue to earn money -- even when you're not actively working for it. Eventually, when your investments become large enough, they can generate enough money to cover your living expenses -- no job required. If you want to reach this point by the time you're 30, you will have to take action while you're still in your 20s... the earlier, the better. In *How to Get Rich Before 30*, you'll learn what it takes to start building and growing wealth, regardless of where you're starting from. Inside, you will discover: How to start investing money now, even if you only have a few dollars to spare How your erroneous beliefs about money are limiting your potential for wealth How to stay motivated and focused on building your nest egg (even when the temptation to splurge strikes) Why you're losing money by keeping it in a savings account The biggest advantage you have as a young adult -- and how to capitalize on it to grow your wealth Small lifestyle changes you can make today to increase the amount you can set aside for investing Beginner-friendly investing methods -- no need to be a finance expert! The #1 investment you need to make that is guaranteed to make a worthwhile return, no matter what happens to the stock market And much more. No matter how much or how little you're earning, setting money aside for investments should be part of your financial habits. Unlike money spent on material things, the money you put into your investments will keep working for you, even when you're no longer working. So don't make your income an excuse for not investing. Instead, make it your best resource to build your wealth on. By taking the small steps towards investing today, your finances will enjoy big leaps in the future. If you want to make the most of your hard-earned money so you won't have to keep working for it forever, then scroll up and click the "Add to Cart" button right now.

The Automatic Millionaire Aug 19 2019

Making your money work for you ... automatically In *The Automatic Millionaire* David Bach unlocks the secret to getting rich. Cutting through the jargon, it's full of common-sense advice and practical strategies to help you take control of your finances. The step-by-step guide

and no-budget, no-discipline, no-nonsense system makes reaching financial security amazingly simple and easy, no matter what your income. You can get rid of the debt that's holding you down. You can get on top of your day-to-day expenses. You can create a safety net that will protect you from life's unknowns. You can have the money to get the things you want. You can build a seven-figure nest egg that will keep you secure and comfortable for the rest of your life. This book has the power to secure your financial future and change your life. All you have to do is follow the one-step programme - the rest is automatic!

If You Want To Be Rich, Don't Work For Money

Aug 11 2021 If a homeless person implements one new idea from this book every day, it is almost certain that the homeless person will not be homeless after 365 days. If you read this book for long enough, you will stop thinking about getting a job when you need more money. (P.S. This book contains a compilation of some of the author's best work online)

Alexander, Who Used to Be Rich Last Sunday

Feb 17 2022 Anthony has two dollars and three quarters and one dime and seven nickels and eighteen pennies. Nicholas has one dollar and two quarters and five dimes and five nickels and thirteen pennies. Alexander has...bus tokens. And even when he's rich, pretty soon all he has is bus tokens. He was rich. Last Sunday. Grandma Betty and Grandpa Louie came and gave Anthony and Nicholas and Alexander each a dollar. Alexander was saving his. Maybe for a walkie-talkie. And then there was bubble gum, some bets with Anthony and Nicholas (that Alexander lost), a snake rental, a garage sale, and all kinds of other things to spend money on. And now all he has is bus tokens. When he used to be rich last Sunday.

Getting Rich Your Own Way Oct 21 2019 "Save yourself ten years of hard work. Read Brian's powerful book and let him show you the shortcut to success. He'll show you the fastest way for you to get rich." -Robert Allen bestselling author, *Multiple Streams of Income* "Millions of people start with nothing and become wealthy as the result of doing certain things in a certain way, over and over again. This book by Brian Tracy shows you how you can achieve all your financial goals, starting from wherever you are

today." -Jack Canfield coauthor, Chicken Soup for the Soul(r) series and The Success Principles "This is the only book you need to read to become wealthy! It is loaded with practical ideas and strategies to propel you onwards and upwards." -Nido Qubein Chairman, Great Harvest Bread Company, and founder, National Speakers Association Foundation "Another great book from Brian Tracy. Tangible, practical ideas that will make you money and make you rich!" -Bill Bachrach President, Bachrach & Associates, Inc. "Brian Tracy has put together a masterpiece of common sense forgetting rich. If you wish a different life, commit now to different actions-read this book!" -H. J. (Jim) Graham President and CEO, Cyber Broadcast One, Inc. "Brian Tracy shows you how unlimited wealth starts in the mind, and how anyone can focus their time and energy to earn millions. It's the readable, riveting primer for countless new American fortunes." -Peter Montoya CEO, Peter Montoya Inc.

The Courage to be Rich Oct 01 2020

The Science of Getting Rich Oct 13 2021 This classic declares that life's direction is a self-fulfilling prophecy and offers a practical rather than philosophical approach. It shows how creative thought and willpower are key to achieving goals.

The 4-hour Workweek May 20 2022 How to reconstruct your life? Why We Want You to Be Rich Jul 10 2021

Discusses the importance of financial education and offers advice for using financial literacy to increase wealth.

The Little Book That Makes You Rich May 28 2020 Profit from a powerful, proven investment strategy The Little Book That Makes You Rich is the latest book in the popular "Little Book, Big Profits" series. Written by Louis Navellier -- one of the most well-respected and successful growth investors of our day -- this book offers a fundamental understanding of how to get rich using the best in growth investing

strategies. Navellier has made a living by picking top, actively traded stocks and capturing unparalleled profits from them in the process. Now, with *The Little Book That Makes You Rich*, he shows you how to find stocks that are poised for rapid price increases, regardless of overall stock market direction. Navellier also offers the statistical and quantitative measures needed to measure risk and reward along the path to profitable growth stock investing. Filled with in-depth insights and practical advice, *The Little Book That Makes You Rich* gives individual investors specific tools for selecting stocks based on the factors that years of research have proven to lead to growth stock profits. These factors include analysts' moves, profit margins expansion, and rapid sales growth. In addition to offering you tips for not paying too much for growth, the author also addresses essential issues that every growth investor must be aware of, including which signs will tell you when it's time to get rid of a stock and how to monitor a portfolio in order to maintain its overall quality. Accessible and engaging, *The Little Book That Makes You Rich* outlines an effective approach to building true wealth in today's markets. Louis Navellier (Reno, NV) has one of the most exceptional long-term track records of any financial newsletter editor in America. As a financial analyst and editor of investment newsletters since 1980, Navellier's recommendations (published in *Emerging Growth*) have gained over 4,806 percent in the last 22 years, as confirmed by a leading independent newsletter rating service, The Hulbert Financial Digest. *Emerging Growth* is one of Navellier's four services, which also includes his Blue Chip Growth service for large-cap stock investors, his Quantum Growth service for active traders seeking shorter-term gains, and his Global Growth service for active traders focused on high growth global stocks.

The Latte Factor Mar 26 2020 INSTANT NEW YORK TIMES, USA TODAY, WALL STREET JOURNAL, AND INTERNATIONAL BESTSELLER Discover #1 New York Times bestselling author David Bach's three secrets to financial freedom in an engaging story that will show you that you are richer than you think. Drawing on the author's experiences teaching millions of people around the world to live a rich life, this fast, easy

listen reveals how anyone—from millennials to baby boomers—can still make his or her dreams come true. In this compelling, heartwarming parable, Bach and his bestselling coauthor John David Mann (*The Go-Giver*) tell the story of Zoey, a twenty-something woman living and working in New York City. Like many young professionals, Zoey is struggling to make ends meet under a growing burden of credit card and student loan debt, working crazy hours at her dream job but still not earning enough to provide a comfortable financial cushion. At her boss's suggestion, she makes friends with Henry, the elderly barista at her favorite Brooklyn coffee shop. Henry soon reveals his "Three Secrets to Financial Freedom," ideas Zoey dismisses at first but whose true power she ultimately comes to appreciate. Over the course of a single week, Zoey discovers that she already earns enough to secure her financial future and realize her truest dreams—all she has to do is make a few easy shifts in her everyday routine. *The Latte Factor* demystifies the secrets to achieving financial freedom, inspiring you to realize that it's never too late to reach for your dreams. By following the simple, proven path that Henry shows Zoey, anyone can make small changes today that will have big impact for a lifetime, proving once again that "David Bach is the financial expert to listen to when you're intimidated by your finances" (Tony Robbins, #1 New York Times bestselling author of *Money: Master the Game*).

Everybody Ought to Be Rich Jul 30 2020

Today, consumer credit, employee stock options, and citizen investment in the stock market are taken for granted—fundamental facts of American economic life. But few people realize that they were first widely promoted by John Jakob Raskob (1879-1950), the innovative financier and self-made businessman who built the Empire State building, made millions for DuPont and General Motors, and helped shape the contours of modern capitalism. David Farber's *Everybody Ought to Be Rich* is the first biography of Raskob, a man who shunned the limelight (he was the anti-Trump of his time) but whose impact on free market enterprise can hardly be overstated. A colorful figure, Raskob's life evokes the roaring twenties, the Catholic elite, the boardrooms of America's biggest

corporations, and the rags-to-riches tale that is central to the American dream. Farber follows Raskob's remarkable trajectory from a teenage candy seller on the railway between Lockport and Buffalo to the pinnacles of wealth and power. With no formal education but possessed of a boundless energy and an unshakeable faith in individual initiative (his motto was "Go ahead and do something!"), Raskob partnered with great industrialists and financiers, buying up companies, leveraging investments, reorganizing corporations, funneling money into the political system, and creating new pools of credit for rich investors and middle class consumers alike—practices commonplace today but revolutionary at the time. His most famous innovation was mass consumer credit, which he offered to individual car buyers, enabling working and middle-class Americans to purchase GM's more expensive cars. Raskob desperately wanted to bridge class divides and to share the wealth American corporations were fast creating—so that everyone could be rich. Chronicling Raskob's short-comings as well as his successes, *Everybody Ought to Be Rich* illuminates a crucial but little-known figure in American capitalism whose influence can still be felt today.

How to Be Rich Mar 06 2021 The accumulated wisdom of the most celebrated motivational writers of all time is distilled into one brief playbook for unlocking the prosperity-power of your mind. *Why Not You?* This is the guiding question of *How to Be Rich*. To answer it, this compact book gleams must-read passages, powerful meditations, and tantalizing wealth-building techniques from the collected work of the greatest motivational writers ever. Each chapter in *How to Be Rich* is short enough to read in a grocery store checkout line—yet powerful enough to challenge years of ingrained, self-limiting thinking. *How to Be Rich* boils down the cumulative insight of leading self-help and positive-thinking guides into one surprisingly concise rule book for releasing your hidden potential. Chapters include: -To Prosper, Let No One Control You by Christian Larson -What We Are Seeking Is Seeking Us: The Mind as Magnet by Julia Seton -The Immense, Secret Power of Gratitude by Wallace D. Wattles -Why Doing More Work Than We're Paid for Leads to Wealth by Napoleon Hill -In Order to Get, We Must Give

by Ralph Waldo Trine -The Power of Meditation
by James Allen -Fourteen Steps to Success by
Joseph Murphy

How to Get Rich May 08 2021 Felix Dennis is an expert at proving people wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."

Why It's OK to Want to Be Rich Sep 12 2021

Finger-wagging moralizers say the love of money is the root of all evil. They assume that making a lot of money requires exploiting others, and that the best way to wash off the resulting stain is to give a lot of it away. In Why It's OK to Want to Be Rich, Jason Brennan shows that the moralizers have it backwards. He argues that, in general, the more money you make, the more you already do for others, and that even an average wage earner is productively "giving back" to society just by doing her job. In addition, wealth liberates us to have the best

chance of leading a life that's authentically our own. Brennan also demonstrates how money-based societies create nicer, more trustworthy, and more cooperative citizens. And in another chapter that takes on the new historians of capitalism, Brennan argues that wealthy nations became wealthy because of their healthy institutions, not from their horrific histories of slavery or colonialism. While writing that the more money one has, the more one should help others, Brennan also notes that we weren't born into a perpetual debt to society. It's OK to get rich and it's OK to enjoy being rich, too. --- Key Features Shows how the desire to become wealthy in an open and fair market helps maximize cooperation and lessens the chance of violence and war Argues that it is much easier for the average for-profit business to add value to the world than it is for the average non-profit Demonstrates that the kinds of virtues (e.g., conscientiousness, thoughtfulness, hard work) that lead to desirable personal and civic states (e.g., happy marriages, stable families, engaged citizens) also make people richer Argues that living in small clans for most of their history has given humans a negative attitude towards anyone acquiring more than her "fair share," an attitude that's ill-suited for our market-driven, globally connected world In a final, provocative chapter, maintains that ideal economic growth is infinite.
