Journey to the Edge of the Earth: True Adventure of Naval Officer Abhilash Tomy Apr 29 2020 Travel far and wide with an Indian sailor and his endless love for the sea! Imagine an infinite blue ocean and somewhere in the middle of it, tossed by wind and wave-a single boat. In it a solitary sailor. This is the gritty, glorious and true adventure of Commander Abhilash Tomy, a former officer of the Indian Navy, who in 2012 set off on the journey of a lifetime. Without once stopping by land, he circumnavigated the world alone for 151 days, encountering deathly perils on choppy waters! No other Indian had sailed like this before. When he finally returned to India, Abhilash was awarded the Kirti Chakra for his heroism. Dive right into this rousing tale of a real-life hero whose ambition, courage, and determination to circle the world on his little boat, will fire up your imagination. And as you travel with Abhilash across the ocean, learn about famous ships and sailors, legends and maps, winds and currents, and a score and more fascinating stories about our world of water.

Surf and Stay Feb 08 2021 - A wanderlust filled surfing itinerary to 7 European hotspots, for the new generation of surfers - The best hotels and restaurants at each stunning location, and a road map for the most scenic routes This wanderlust-fueled guide profiles breath-taking surfing spots in seven European regions, including Spanish Cantabria, the French Basque Country, Tenerife, Belgium, the UK, and Brittany. Veerle Helsen, a die-hard surfer and design journalist, has combed Europe for a mix of better and lesser- known surfing spots, authentic beach restaurants, fabulous hotels, and the most beautiful driving routes. This book expands on her previous photo/guidebook to surf travel (also called Surf & Stay, 9789401449069) which was published in 2018 and focused on the coasts of Spain and Portugal.

The Secret History of the Reptilians Sep 03 2020 In The Secret History of the Reptilians, Scott Alan Roberts investigates and examines the pervasive presence of the serpent in human history, religion, culture and politics. Are we the product of an extraterrestrial race that moves and breathes - and even breeds - beneath the surface of all of human history?

Freedom of Speech Nov 17 2021 A provocative, timely assessment of the state of free speech in America With his best seller The Working Poor, Pulitzer

Prize winner and former New York Times veteran David K. Shipler cemented his place among our most trenchant social commentators. Now he turns his incisive reporting to a critical American ideal: freedom of speech. Anchored in personal stories—sometimes shocking, sometimes absurd, sometimes dishearteningly familiar—Shipler’s investigations of the cultural limits on both expression and the willingness to listen build to expose troubling instabilities in the very foundations of our democracy. Focusing on recent free speech controversies across the nation, Shipler maps a rapidly shifting topography of political and cultural norms: parents in Michigan rallying to teachers vilified for their reading lists; conservative ministers risking their churches’ tax-exempt status to preach politics from the pulpit; national security reporters using techniques more common in dictatorships to avoid leak prosecution; a Washington, D.C., Jewish theater’s struggle for creative control in the face of protests targeting productions critical of Israel; history teachers in Texas quietly bypassing a reactionary curriculum to give students access to unapproved perspectives; the mixed blessings of the Internet as a forum for dialogue about race. These and other stories coalesce to reveal the systemic patterns of both suppression and opportunity that are making today a transitional moment for the future of one of our founding principles. Measured yet sweeping, *Freedom of Speech* brilliantly reveals the triumphs and challenges of defining and protecting the boundaries of free expression in modern America.
