Wallace Stevens Mar 21 2022 Wallace Stevens is often characterized as an aesthete, as one withdrawn from the major artistic and social movements of the first half of the 20th century. This edition examines his major works of poetry.

No Dogs Allowed! Mar 09 2021 Twelve-year-old Kristine, still struggling to come to terms with the death of her beloved horse, finds it difficult to accept the new dog she receives for her birthday.

The Wallace Feb 26 2020 William Wallace ? a man of violent passions and unquenchable spirit, the natural leader of a proud race. Scotland at the end of the 13th century was a blood-torn country suffering under the harsh domination of a tyrant usurper, the hated Plantagenet, Edward Longshanks. During the appalling violence of those unsettled days, one man rose to become leader of the Scots. That man was William Wallace. Motivated at first by revenge for the slaughter of his father, Wallace vowed to cleanse his country of the English and set the rightful king, Robert the Bruce, upon the Scottish throne. Though Wallace was a heroic figure, he was but a man ? and his chosen path was to lead him through grievous danger and personal tragedy before the final outcome . . .

String Theory: David Foster Wallace on Tennis Jul 13 2021 An instant classic of American sportswriting—the tennis essays of David Foster Wallace, “the best mind of his generation” (A. O. Scott) and “the best tennis-writer of all time” (New York Times) Gathered for the first time in a deluxe collector's edition, here are David Foster Wallace's legendary writings on tennis, five tour-de-force pieces written with a competitor's insight and a fan's obsessive enthusiasm. Wallace brings his dazzling literary magic to the game he loved as he celebrates the other-worldly genius of Roger Federer; offers a wickedly witty dissection of Tracy Austin's memoir; considers the artistry of Michael Joyce, a supremely disciplined athlete on the threshold of fame; resists the crush of commerce at the U.S. Open; and recalls his own career as a "near-great" junior player. Whiting Award-winning writer John Jeremiah Sullivan provides an introduction.

Wallace Stegner Sep 27 2022 A chronicle of the author Wallace Stegner moves from Stegner's prairie childhood in Saskatchewan to his prominence in the environmental movement and literary world

The Gathering of Zion May 11 2021 Pulitzer Prize-winning author Wallace Stegner tells about a thousand-mile migration marked by

hardship and sudden death—but unique in American history for its purpose, discipline, and solidarity. Other Bison Books by Wallace Stegner include *Mormon Country*, *Recapitulation*, *Second Growth*, and *Women on the Wall*.

Howard Wallace, P. I. Aug 02 2020 Howard Wallace lives by his own rules of private investigation and works with what he's got: a bathrobe for a trench coat, a makeshift office, and no friends. So when he lands a hot case of blackmail, he's ready to solve it himself . . . until the ne

The David Foster Wallace Reader Nov 05 2020 Where do you begin with a writer as original and brilliant as David Foster Wallace? Here -- with a carefully considered selection of his extraordinary body of work, chosen by a range of great writers, critics, and those who worked with him most closely. This volume presents his most dazzling, funniest, and most heartbreaking work -- essays like his famous cruise-ship piece, "A Supposedly Fun Thing I'll Never Do Again," excerpts from his novels *The Broom of the System*, *Infinite Jest*, and *The Pale King*, and legendary stories like "The Depressed Person." Wallace's explorations of morality, self-consciousness, addiction, sports, love, and the many other subjects that occupied him are represented here in both fiction and nonfiction. Collected for the first time are Wallace's first published story, "The View from Planet Trillaphon as Seen In Relation to the Bad Thing" and a selection of his work as a writing instructor, including reading lists, grammar guides, and general guidelines for his students. A dozen writers and critics, including Hari Kunzru, Anne Fadiman, and Nam Le, add afterwords to favorite pieces, expanding our appreciation of the unique pleasures of Wallace's writing. The result is an astonishing volume that shows the breadth and range of "one of America's most daring and talented writers" (*Los Angeles Times Book Review*) whose work was full of humor, insight, and beauty.

The Whole Harmonium Jun 24 2022 "A perceptive, insightful

biography of perhaps the most important American poet of the twentieth century, Wallace Stevens, by an accomplished biographer and poet who traces Stevens's lifelong artistic quest"--

Essays Dec 26 2019 Probing essays and observations by acclaimed actor and playwright Wallace Shawn, in his first nonfiction collection.

Goosed! Oct 16 2021 When Jeff's girlfriend leaves a Labrador retriever puppy with his family for a week, his dog T.P. and cat Cord hope the energetic puppy does not stay any longer.

Wallace Reid Feb 08 2021 For a decade Wallace Reid was the most recognized face in Hollywood, the most universally beloved actor in silent film. Today all that is widely remembered of "Wally" Reid is that he died in a padded sanitarium cell, the victim of a fatal morphine addiction. Of all the actors who have enjoyed great fame only to vanish from the public eye, Reid perhaps fell the fastest and the hardest. This first full biography recounts Reid's complicated childhood, his disrupted family history and his rise to film stardom despite these restricting factors. It documents his myriad talents and accomplishments, most notably his gift for brilliant onscreen acting. The text explores in depth how the modern studio, however unconsciously, turned the popular star, a well-adjusted man with a loving family, into a drug-dependent mental patient within three years. His death rocked the foundations of Hollywood, and the huge new industry that he helped build nearly died with "Dashing Wally Reid."

Wilder Boys Apr 10 2021 To evade their mother's abusive boyfriend, brothers Jake, thirteen, and Taylor, eleven, venture from the suburbs of Pittsburgh toward the wilds of Wyoming in search of the father they have not seen in four years, using their wilderness skills to survive against both natural and human dangers. Includes wilderness tips.

The Gospel According to David Foster Wallace Nov 17 2021 The Gospel According to David Foster Wallace is the first book to

explore key religious themes - from boredom to addiction, and distraction - in the work of one of America's most celebrated contemporary novelists. In a series of short, topic-focused chapters, the book joins a selection of key scenes from Wallace's novels *Infinite Jest* and *The Pale King* with clear explanations of how they contribute to his overall account of what it means to be a human being in the 21st century. Adam Miller explores how Wallace's work masterfully investigates the nature of first-world boredom and shows, in the process, how easy it is to get addicted to distraction (chemical, electronic, or otherwise). Implicitly critiquing, excising, and repurposing elements of AA's Twelve Step program, Wallace suggests that the practice of prayer (regardless of belief in God), the patient application of attention to things that seem ordinary and boring, and the internalization of clichés may be the antidote to much of what ails us in the 21st century.

Faustian Bargains May 23 2022 Lyndon Johnson and Mac Wallace crossed paths only briefly; but Wallace's life, especially one violent episode and its intricate aftermath, illuminates the dark side of our 36th president. Perhaps no president has a more ambiguous reputation than LBJ. A brilliant tactician, he maneuvered colleagues and turned bills into law better than anyone. But he was trailed by a legacy of underhanded dealings, from his "stolen" Senate election in 1948 to kickbacks he artfully concealed from deals engineered with Texas wheeler-dealer Billie Sol Estes and defense contractors like his longtime supporter Brown & Root. On the verge of investigation, Johnson was reprieved when he became president upon JFK's assassination. Among the remaining mysteries has been LBJ's relationship to Mac Wallace who, in 1951, shot a Texas man having an affair with LBJ's loose-cannon sister Josefa, also Wallace's lover. When arrested, Wallace coolly said "I work for Johnson . . . I need to get back to Washington." Charged with murder, he was overnight defended by LBJ's powerful lawyer John Cofer, and though

convicted, amazingly received a suspended sentence. He then got high-security clearance from LBJ friend and defense contractor D.H. Byrd, which the Office of Naval Intelligence tried to revoke for 11 years without success. Using crucial Life magazine and Naval Intelligence files and the unredacted FBI files on Mac Wallace, never before utilized by others, investigative writer Joan Mellen skillfully connects these two disparate Texas lives and lends stark credence to the dark side of Lyndon Johnson that has largely gone unsubstantiated.

The Wallace Book Aug 26 2022 Through his personality, ingenuity and ability, Wallace initiated a resistance movement which ultimately secured the nation's freedom and independence. This title investigates what is known of the medieval warrior's career. It examines his reputation, from the time of his horrendous execution onwards.

Every Love Story Is a Ghost Story Dec 18 2021 The acclaimed New York Times–bestselling biography and “emotionally detailed portrait of the artist as a young man” (Michiko Kakutani, *The New York Times*) In the first biography of the iconic David Foster Wallace, D.T. Max paints the portrait of a man, self-conscious, obsessive and struggling to find meaning. If Wallace was right when he declared he was “frightfully and thoroughly conventional,” it is only because over the course of his short life and stunning career, he wrestled intimately and relentlessly with the fundamental anxiety of being human. In his characteristic lucid and quick-witted style, Max untangles Wallace’s anxious sense of self, his volatile and sometimes abusive connection with women, and above all, his fraught relationship with fiction as he emerges with his masterpiece *Infinite Jest*. Written with the cooperation of Wallace’s family and friends and with access to hundreds of unpublished letters, manuscripts and journals, this captivating biography unveils the life of the profoundly complicated man who gave voice to what we thought we could not say.

An Alfred Russel Wallace Companion Sep 03 2020 Although Alfred Russel Wallace (1823–1913) was one of the most famous scientists in the world at the time of his death at the age of ninety, today he is known to many as a kind of “almost-Darwin,” a secondary figure relegated to the footnotes of Darwin’s prodigious insights. But this diminution could hardly be less justified. Research into the life of this brilliant naturalist and social critic continues to produce new insights into his significance to history and his role in helping to shape modern thought. Wallace declared his eight years of exploration in southeast Asia to be “the central and controlling incident” of his life. As 2019 marks one hundred and fifty years since the publication of *The Malay Archipelago*, Wallace’s canonical work chronicling his epic voyage, this collaborative book gathers an interdisciplinary array of writers to celebrate Wallace’s remarkable life and diverse scholarly accomplishments. Wallace left school at the age of fourteen and was largely self-taught, a voracious curiosity and appetite for learning sustaining him throughout his long life. After years as a surveyor and builder, in 1848 he left Britain to become a professional natural history collector in the Amazon, where he spent four years. Then, in 1854, he departed for the Malay Archipelago. It was on this voyage that he constructed a theory of natural selection similar to the one Charles Darwin was developing, and the two copublished papers on the subject in 1858, some sixteen months before the release of Darwin’s *On the Origin of Species*. But as the contributors to the *Companion* show, this much-discussed parallel evolution in thought was only one epoch in an extraordinary intellectual life. When Wallace returned to Britain in 1862, he commenced a career of writing on a huge range of subjects extending from evolutionary studies and biogeography to spiritualism and socialism. *An Alfred Russel Wallace Companion* provides something of a necessary reexamination of the full breadth of Wallace’s thought—an attempt to describe not only the

history and present state of our understanding of his work, but also its implications for the future.

Wallace Berman Jan 27 2020 Commemorating the 40th anniversary of the artist's accidental death at age 50, this volume offers the first substantial survey of the entire oeuvre of Wallace Berman (1926-76) from the late 1940s until 1976. Berman has been long heralded as one of the most significant and influential artists to emerge in Southern California. Spiritually inclined yet steeped in popular culture and the political events of the day, he conducted reconnaissance far beyond the borders of California, mining the American psyche and broadcasting his ideas through mail art, publications, photographs and multilayered art works. Berman intersected with several intriguing cultural moments, starting with his first Los Angeles solo show in 1957 at Ed Kienholz and Walter Hopps' Ferus Gallery. He also participated in an important 1966 group exhibition in London at the legendary Robert Fraser Gallery, whose other artists included Richard Hamilton, Bruce Conner and Peter Blake--who put Berman's face among the notable crowd in his cover for the Beatles' Sgt Pepper's Lonely Hearts Club Band. As interest in West Coast art has increased over the past 40 years, scholars have viewed Berman as a quintessentially Californian artist whose entourage of likeminded friends was essential to the formation of his creative vision. This volume takes a broader view, reassessing Berman's significant contributions to the history of 20th-century American art.

Wallace Dec 30 2022 Shares the tale of a pit bull rescued by a shelter volunteer who overcame considerable odds to become a World Champion competitive Frisbee dog.

Life and Letters of General W. H. L. Wallace Jun 12 2021 Originally published in 1909, this biography by Isabel Wallace recounts the life of her adoptive father, the little-recognized William Hervy Lamme Wallace, the highest-ranking Union officer to fall at the battle of Shiloh. Born in 1821 in Ohio, Wallace and

his family moved to Illinois in 1834, where he was educated at Rock Springs Seminary in Mount Morris. On his way to study law with Abraham Lincoln in Springfield in 1844, Wallace was persuaded by local attorney T. Lyle Dickey, a close friend of Lincoln, to join his practice in Ottawa instead. Wallace eventually married Dickey's daughter, Martha Ann, in 1851. When the Civil War broke out, both Wallace and Dickey immediately volunteered for service with the Eleventh Illinois, which assembled in Springfield. Wallace was elected as the unit's colonel; a successful lawyer, a friend of President Lincoln, a generation older than most privates, and an officer with Mexican War experience, he was entirely suited for such command. Wallace was appointed brigadier general for his performance at Fort Donelson, the first notable Union victory in the Civil War. Wallace's troops had saved the day, although the Eleventh Illinois had lost nearly two-thirds of its men. He then moved with his troops to Pittsburg Landing, Tennessee, where Confederates launched a surprise attack on the forces of Major General Ulysses S. Grant at Shiloh Church on Sunday, April 6, 1862. Wallace, who held only temporary command of one of Grant's six divisions, fought bravely but was mortally wounded as he began to withdraw his men on the afternoon of the battle. His wife, who had arrived at Pittsburg Landing by steamer on the day of the battle, was at his side when he died three days later. Grant praised Wallace in 1868 as "the equal of the best, if not the very best, of the Volunteer Generals with me at the date of his death." Isabel Wallace traces her father's life from his upbringing in Ottawa through his education, his service in the Mexican War, his law practice, his courtship of and marriage to her mother, and his service in the Eleventh Illinois until his mortal injury at Shiloh. She also details his funeral and her and her mother's life in the postwar years. Based on the copious letters and family papers of the general and his wife, the biography also provides historical information on federal politics of the period, including

commentary on Lincoln's campaign and election and on state politics, especially regarding T. Lyle Dickey, Wallace's father-in-law and law partner, prominent Illinois politician, and associate of Lincoln. It is illustrated with fifteen black-and-white halftones.

Strong Inside Apr 22 2022 "Adapted for young people from 'Strong inside: Perry Wallace and the collision of race and sports in the South' published by Vanderbilt University Press in 2014"--

Why I Can't Read Wallace Stegner and Other Essays Sep 15 2021
This provocative collection of essays reveals the passionate voice of a Native American feminist intellectual. Elizabeth Cook-Lynn, a poet and literary scholar, grapples with issues she encountered as a Native American in academia. She asks questions of critical importance to tribal people: who is telling their stories, where does cultural authority lie, and most important, how is it possible to develop an authentic tribal literary voice within the academic community? In the title essay, "Why I Can't Read Wallace Stegner," Cook-Lynn objects to Stegner's portrayal of the American West in his fiction, contending that no other author has been more successful in serving the interests of the nation's fantasy about itself. When Stegner writes that "Western history sort of stopped at 1890," and when he claims the American West as his native land, Cook-Lynn argues, he negates the whole past, present, and future of the native peoples of the continent. Her other essays include discussion of such Native American writers as Michael Dorris, Ray Young Bear, and N. Scott Momaday; the importance of a tribal voice in academia, the risks to American Indian women in current law practices, the future of Indian Nationalism, and the defense of the land. Cook-Lynn emphasizes that her essays move beyond the narrowly autobiographical, not just about gender and power, not just focused on multiculturalism and diversity, but are about intellectual and political issues that engage readers and writers in Native American studies. Studying the "Indian," Cook-Lynn reminds us, is not just an academic

exercise but a matter of survival for the lifeways of tribal peoples. Her goal in these essays is to open conversations that can make tribal life and academic life more responsive to one another.

Genuine Happiness Sep 22 2019 Discover your personal path to bliss "This book will give anyone interested in the spectrum of core meditative practices stemming from the Buddhist tradition but in essence universal the deepest of perspectives on what is possible for us as human beings as well as excellent guidance in the essential, time-tested attitudes and practices for actualizing our innate capacity for wisdom, compassion, and well-being, right here and right now." —Jon Kabat-Zinn, author of *Coming to Our Senses* and *Full Catastrophe Living* "In *Genuine Happiness*, Alan Wallace displays his rare talent in boiling down the complex to the clear and in guiding readers through a practical path to contentment. A gift for all moods and seasons." —Daniel Goleman, author of *Emotional Intelligence: Why It Can Matter More Than IQ* "This lucid and rich book offers brilliant, wise, and accessible teachings on the essentials of four core meditation techniques that lead one to genuine joy and happiness. Alan Wallace's years of practice and teaching shine through every page, as with ease and great humanity, he brings to the reader the possibility of liberation." —Joan Halifax Roshi, abbot of Upaya Zen Center "Genuine Happiness is a treasure chest of wisdom: clear, inspiring teaching jewels. It is an excellent support for any student of meditation." —Sharon Salzberg, author of *Faith: Trusting Your Own Deepest Experience* In today's overstimulated world, many are realizing that happiness gained through material wealth and frivolous conquests is short-lived. To achieve long-term happiness, you must access your own bountiful resources—housed in your heart and mind. In *Genuine Happiness*, longtime Buddhist practitioner Alan Wallace shows you the path to bliss. Drawing on more than three decades of study under His Holiness the Dalai Lama and sixty other teachers, as well as 2,500 years of Buddhist tradition, Alan Wallace guides you step by step

through five simple yet powerful meditations to help you focus your mind and open your heart to true happiness. Featuring a Foreword by the Dalai Lama, this book will help you discover that it is possible to experience genuine happiness every day. As you incorporate the meditations from *Genuine Happiness* into your life, you will discover that the joy you've sought has always been only a few meditative minutes away.

Recapitulation Jul 01 2020 A classic novel from the "dean of Western writers" (The New York Times) and the Pulitzer Prize-winning author of *Angle of Repose* and *Crossing to Safety*—the incredible, moving sequel to the bestselling *Big Rock Candy Mountain*. Bruce Mason returns to Salt Lake City not for his aunt's funeral, but to encounter the place he fled in bitterness forty-five years ago. A successful statesman and diplomat, Mason had buried his awkward childhood and sealed himself off from the thrills and torments of adolescence to become a figure who commanded international respect. Both the realities of the present recede in the face of ghosts of his past. As he makes the perfunctory arrangements for the funeral, we enter with him on an intensely personal and painful inner pilgrimage: we meet the father who darkened his childhood, the mother whose support was both redeeming and embarrassing, the friend who drew him into the respectable world of which he so craved to be a part, and the woman he nearly married. In this profound book, the sequel to the bestselling *The Big Rock Candy Mountain*, Wallace Stegner has drawn an intimate portrait of a man understanding how his life has been shaped by experiences seemingly remote and inconsequential.

Dead Space Oct 04 2020 Nominated for the Philip K. Dick Award An investigator must solve a brutal murder on a claustrophobic space station in this tense science fiction thriller from the author of *Salvation Day*. Hester Marley used to have a plan for her life. But when a catastrophic attack left her injured, indebted, and stranded far from home, she was forced to take a dead-end

security job with a powerful mining company in the asteroid belt. Now she spends her days investigating petty crimes to help her employer maximize its profits. She's surprised to hear from an old friend and fellow victim of the terrorist attack that ruined her life—and that surprise quickly turns to suspicion when he claims to have discovered something shocking about their shared history and the tragedy that neither of them can leave behind. Before Hester can learn more, her friend is violently murdered at a remote asteroid mine. Hester joins the investigation to find the truth, both about her friend's death and the information he believed he had uncovered. But catching a killer is only the beginning of Hester's worries, and she soon realizes that everything she learns about her friend, his fellow miners, and the outpost they call home brings her closer to revealing secrets that very powerful and very dangerous people would rather keep hidden in the depths of space.

The View from Somewhere May 31 2020 #MeToo.

#BlackLivesMatter. #NeverAgain. #WontBeErased. Though both the right- and left-wing media claim “objectivity” in their reporting of these and other contentious issues, the American public has become increasingly cynical about truth, fact, and reality. In *The View from Somewhere*, Lewis Raven Wallace dives deep into the history of “objectivity” in journalism and how its been used to gatekeep and silence marginalized writers as far back as Ida B. Wells. At its core, this is a book about fierce journalists who have pursued truth and transparency and sometimes been punished for it—not just by tyrannical governments but by journalistic institutions themselves. He highlights the stories of journalists who question “objectivity” with sensitivity and passion: Desmond Cole of the *Toronto Star*; *New York Times* reporter Linda Greenhouse; Pulitzer Prize-winner Rachel Kaadzi Ghansah; Peabody-winning podcaster John Biewen; *Guardian* correspondent Gary Younge; former *Buzzfeed* reporter Meredith Talusan; and many others. Wallace also shares

his own experiences as a midwestern transgender journalist and activist who was fired from his job as a national reporter for public radio for speaking out against “objectivity” in coverage of Trump and white supremacy. With insightful steps through history, Wallace stresses that journalists have never been mere passive observers—the choices they make reflect worldviews tinted by race, class, gender, and geography. He upholds the centrality of facts and the necessary discipline of verification but argues against the long-held standard of “objective” media coverage that asks journalists to claim they are without bias. Using historical and contemporary examples—from lynching in the nineteenth century to transgender issues in the twenty-first—Wallace offers a definitive critique of “objectivity” as a catchall for accurate journalism. He calls for the dismissal of this damaging mythology in order to confront the realities of institutional power, racism, and other forms of oppression and exploitation in the news industry. Now more than ever, journalism that resists extractive, exploitive, and tokenistic practices toward marginalized people isn’t just important—it is essential. Combining Wallace’s intellectual and emotional journey with the wisdom of others’ experiences, *The View from Somewhere* is a compelling rallying cry against journalist neutrality and for the validity of news told from distinctly subjective voices.

American Dreamer: A Life of Henry A. Wallace Nov 29 2022 The great politician, agriculturalist, economist, author, and businessman—loved and reviled, and finally now revealed. The great politician, agriculturalist, economist, author, and businessman—loved and reviled, and finally now revealed. The first full biography of Henry A. Wallace, a visionary intellectual and one of this century's most important and controversial figures. Henry Agard Wallace was a geneticist of international renown, a prolific author, a groundbreaking economist, and a businessman whose company paved the way for a worldwide agricultural revolution. He also held two cabinet posts, served

four tumultuous years as America's wartime vice president under FDR, and waged a quixotic campaign for president in 1948. Wallace was a figure of Sphinx-like paradox: a shy man, uncomfortable in the world of politics, who only narrowly missed becoming president of the United States; the scion of prominent Midwestern Republicans and the philosophical voice of New Deal liberalism; loved by millions as the Prophet of the Common Man, and reviled by millions more as a dangerous, misguided radical. John C. Culver and John Hyde have combed through thousands of document pages and family papers, from Wallace's letters and diaries to previously unavailable files sealed within the archives of the Soviet Union. Here is the remarkable story of an authentic American dreamer. A Washington Post Best Book of the Year. 32 pages of b/w photographs. "A careful, readable, sympathetic but commendably dispassionate biography."—Arthur Schlesinger, Jr., Los Angeles Times Book Review "In this masterly work, Culver and Hyde have captured one of the more fascinating figures in American history."—Doris Kearns Goodwin, author of No Ordinary Time "Wonderfully researched and very well written...an indispensable document on both the man and the time."—John Kenneth Galbraith "A fascinating, thoughtful, incisive, and well-researched life of the mysterious and complicated figure who might have become president..."—Michael Beschloss, author of Taking Charge: The Johnson White House Tapes, 1963-1964 "This is a great book about a great man. I can't recall when—if ever—I've read a better biography."—George McGovern "[A] lucid and sympathetic portrait of a fascinating character. Wallace's life reminds us of a time when ideas really mattered."—Evan Thomas, author of The Very Best Men: The Early Years of the CIA "Everyone interested in twentieth-century American history will want to read this book."—Robert Dallek, author of Flawed Giant "[T]he most balanced, complete, and readable account..."—Walter LaFeber, author of Inevitable Revolutions "At long last a lucid, balanced and judicious narrative of Henry Wallace...a first-rate

biography."—Douglas Brinkley, author of *The Unfinished Presidency* "A fine contribution to twentieth-century American history."—James MacGregor Burns, author of *Dead Center: Clinton-Gore Leadership and the Perils of Moderation* "[E]minently readable...a captivating chronicle of American politics from the Depression through the 1960s."—Senator Edward M. Kennedy "A formidable achievement....[an] engrossing account."—Kai Bird, author of *The Color of Truth: McGeorge Bundy & William Bundy, Brothers in Arms* "Many perceptions of Henry Wallace, not always favorable, will forever be changed."—Dale Bumpers, former US Senator, Arkansas

Although Of Course You End Up Becoming Yourself Feb 20 2022
NOW A MAJOR MOTION PICTURE, STARRING JASON SEGAL AND JESSE EISENBERG, DIRECTED BY JAMES PONSOLDT An indelible portrait of David Foster Wallace, by turns funny and inspiring, based on a five-day trip with award-winning writer David Lipsky during Wallace's *Infinite Jest* tour In David Lipsky's view, David Foster Wallace was the best young writer in America. Wallace's pieces for Harper's magazine in the '90s were, according to Lipsky, "like hearing for the first time the brain voice of everybody I knew: Here was how we all talked, experienced, thought. It was like smelling the damp in the air, seeing the first flash from a storm a mile away. You knew something gigantic was coming." Then *Rolling Stone* sent Lipsky to join Wallace on the last leg of his book tour for *Infinite Jest*, the novel that made him internationally famous. They lose to each other at chess. They get iced-in at an airport. They dash to Chicago to catch a make-up flight. They endure a terrible reader's escort in Minneapolis. Wallace does a reading, a signing, an NPR appearance. Wallace gives in and imbibes titanic amounts of hotel television (what he calls an "orgy of spectatorship"). They fly back to Illinois, drive home, walk Wallace's dogs. Amid these everyday events, Wallace tells Lipsky remarkable things—everything he can about his life, how he feels, what he thinks, what terrifies and

fascinates and confounds him—in the writing voice Lipsky had come to love. Lipsky took notes, stopped envying him, and came to feel about him—that grateful, awake feeling—the same way he felt about Infinite Jest. Then Lipsky heads to the airport, and Wallace goes to a dance at a Baptist church. A biography in five days, *Although Of Course You End Up Becoming Yourself* is David Foster Wallace as few experienced this great American writer. Told in his own words, here is Wallace's own story, and his astonishing, humane, alert way of looking at the world; here are stories of being a young writer—of being young generally—trying to knit together your ideas of who you should be and who other people expect you to be, and of being young in March of 1996. And of what it was like to be with and—as he tells it—what it was like to become David Foster Wallace. "If you can think of times in your life that you've treated people with extraordinary decency and love, and pure uninterested concern, just because they were valuable as human beings. The ability to do that with ourselves. To treat ourselves the way we would treat a really good, precious friend. Or a tiny child of ours that we absolutely loved more than life itself. And I think it's probably possible to achieve that. I think part of the job we're here for is to learn how to do it. I know that sounds a little pious." —David Foster Wallace

The Palm at the End of the Mind Jul 25 2022 This selection of works by Wallace Stevens--the man Harold Bloom has called "the best and most representative American poet"--was first published in 1967. Edited by the poet's daughter Holly Stevens, it contains all the major long poems and sequences, and every shorter poem of lasting value in Stevens' career, including some not printed in his earlier *Collected Works*. Included also is a short play by Stevens, "Bowl, Cat and Broomstick."

Snug Harbor Stories Aug 14 2021 The follow up to the Eisner-nominated collection of Wallace The Brave comics, featuring beautifully illustrated scenes of childhood imagination, friendship, outdoor exploration, and adventure. Think "Peanuts" if Charlie Brown were less of a mope or "Calvin & Hobbes" if Calvin weren't a bit of a psychopath. "Wallace The Brave" is about a family. There's Dad, a fisherman, Mom, a gardener, their almost feral young son Sterling, who never met a bug he wouldn't eat, and his older brother Wallace, a rambunctious, imaginative kid big on exploring. Mostly we see the world of the strip through Wallace's eyes, a sleepy East Coast beach town called Snug Harbor where the streets are lined with ice cream shops and the beaches are dotted with rocky tide pools ... The world of childhood depicted in the strip is a timeless, outdoorsy one reminiscent of strips like "Calvin & Hobbes" and "Cul De Sac," both of which Henry cites as influences. -- NPR's Glen Weldon

Wallace and Grace and the Lost Puppy Jan 19 2022 Read & Bloom offers high interest, character driven stories for newly independent readers that feature full-color illustrations throughout and will transition kids from leveled readers to a lifetime of reading. In this charming series, kids are treated to simple whodunit mysteries as an utterly delightful owl duo put their heads together. is the perfect pathway to chapter books like Cam Jansen or Fancy Nancy, Super Sleuth. The Read & Bloom line offers high interest, character driven stories for newly independent readers that feature full-color illustrations throughout and will transition kids from leveled readers to a lifetime of reading. In this adventure, Monty the chipmunk's cupcake is stolen, and he thinks Sal the groundhog took it. If Wallace and Grace want to prove that Sal is the cupcake thief, they will need to look for clues and talk to witnesses. But what happens when the clues lead them to a cupcake thief they never expected?

Alfred Russel Wallace Nov 24 2019 Presents the letters of the great Victorian naturalist who, while on his journey in the Malay Archipelago, derived the theory of evolution independent of Darwin.

Wallace and Grace Take the Case Oct 28 2022 This charming mystery series in the Read & Bloom line will be the perfect pathway to chapter books like Cam Jansen or Fancy Nancy, Super Sleuth. The Read & Bloom line offers high interest, character driven stories for newly independent readers that feature full-color illustrations throughout and will transition kids from leveled readers to a lifetime of reading. In this delightful series, kids will be treated to simple whodunit mysteries as an utterly delightful owl duo put their heads together. In their first adventure, Wallace and Grace meet a rabbit who is sure he saw a ghost! But the clues lead them in a different direction. Something is spooking the garden . . . Can Wallace and Grace solve this case?

Fate, Time, and Language Apr 29 2020 In 1962, the philosopher Richard Taylor used six commonly accepted presuppositions to imply that human beings have no control over the future. David Foster Wallace not only took issue with Taylor's methods, but also noted a semantic trick at the heart of Taylor's argument. Fate, Time, and Language presents Wallace's critique of Taylor's work. Wallace's thesis reveals his great skepticism of abstract thinking made to function as a negation of something

more genuine and real. He was especially suspicious of the cerebral aestheticism of modernism and the clever gimmickry of postmodernism, which abandoned "the very old traditional human verities that have to do with spirituality and emotion and community." As Wallace rises to meet the challenge to free will presented by Taylor, we witness the developing perspective of this major novelist and his struggle to establish logical ground for his convictions. This volume, edited by Steven M. Cahn and Maureen Eckert, reproduces Taylor's original article and other works on fatalism cited by Wallace. James Ryerson's introduction connects Wallace's early philosophical work to the themes and explorations of his later fiction, and Jay Garfield supplies a critical biographical epilogue.
