When a new, chatty, young couple and their two daughters move in next door, Ove's well-ordered, solitary world turns upside down. A brilliant, life-affirming, and hilarious memoir from a “genius” (The New York Times) and master storyteller. With illustrations by Jason Polan. The seven years between the birth of Etgar Keret’s son and the death of his father were good years, though still full of reasons to worry. Lev is born in the midst of a terrorist attack. Etgar’s father gets cancer. The threat of constant war looms over their home and permeates daily life. What emerges from this dark reality is a series of sublimely absurd ruminations on everything from Etgar’s three-year-old son’s impending military service to the terrorist mind-set behind Angry Birds. There’s Lev’s insistence that he is a cat, releasing him from any human responsibilities or rules. Etgar’s siblings, all very different people who have chosen radically divergent paths in life, come together after his father’s shivah to experience the grief and love that tie a family together forever. This wise, witty memoir—Etgar’s first nonfiction book published in America, and told in his inimitable style—is full of wonder and life and love, poignant insights, and irrepressible humor. Waiting for Elijah is an intimate portrait of time-reckoning, syncretism, and proximity in one of the world’s most polarized landscapes, the Bosnian Field of Gacko. Centered on the shared harvest feast of Elijah’s Day, the once eagerly awaited pinnacle of the annual cycle, the book shows how the fractured postwar landscape beckoned the return of communal life that entails such waiting. This seemingly paradoxical situation—waiting to wait—becomes a starting point for a broader discussion on the complexity of time set between cosmology, nationalism, and embodied memories of proximity. Adulterers, cheats, hypocrites, bad seeds—in My Husband, Rumena Bužarovska turns her wry and razor-sharp gaze on men, and on the lives of the women who suffer them. In these eleven devastatingly precise and psychologically unsettling stories, we follow the female protagonists’ thwarted attempts at intimacy, ranging from pretense, to denial, to violent and ultimately self-destructive acts. This smart, funny, provocative collection demonstrates the profound skills that have made Rumena Bužarovska one of the finest contemporary writers of short fiction in Macedonia. The author recounts his descent into despair and his discovery of spiritual nourishment in the works of Aristotle, Emerson, Ben Franklin, and Plato, and enumerates the seventeen rules that helped transform his life. Og Mandino was one of the leading inspirational authors in the world. But once, he was a thirty-five-year-old derelict who nearly spent his last few dollars on a suicide gun. In A Better Way to Live, he describes the joyously redemptive process that turned a down-and-out alcoholic into a millionaire and a happy man within ten years. Og Mandino is the only person who could tell this heartwarming tale of personal triumph—because it is his own true story. And it can profoundly influence your life. Here are the principles that turned Og Mandino’s life around: his seventeen “Rules to Live By.” These simple, easy-to-follow rules comprise a sound, wise prescription for inner growth and for a fulfilling everyday life that will work for you—just as it worked for Og Mandino. You can avoid spending even one more day feeling failure, grief, poverty, shame, or self-pity. Here is a better way to live: a way that literally saved Og Mandino’s life, a way that can help make your dreams come true.
