Beckett, Lacan, and the Voice May 28 2020 The voice traverses Beckett's work in its entirety, defining its space and its structure. Emanating from an indeterminate source situated outside the narrators and characters, while permeating the very words they utter, it proves to be incessant. It can alternatively be violently intrusive, or embody a calming presence. Literary creation will be charged with transforming the mortification it inflicts into a vivifying relationship to language. In the exploration undertaken here, Lacanian psychoanalysis offers the means to approach the voice's multiple and fundamentally paradoxical facets with regards to language that founds the subject's vital relation to existence. Far from seeking to impose a rigid and purely abstract framework, this study aims to highlight the singularity and complexity of Beckett's work, and to outline a potentially vast field of investigation.

*Migration, Prostitution and Human Trafficking* Oct 21 2019 "Migration, Prostitution, and Human Trafficking examines the nature, magnitude, and gravity of prostitution and sex trafficking--and the relationship between them--in contemporary China. By researching the backgrounds, circumstances, and other factors that drive Chinese women to migrate to Shenzhen, China, Liu hopes to shed light on the underlying reasons for their entry into the sex industry."

**Finding Your Sexual Voice** Oct 25 2022 Finding Your Sexual Voice promotes the genuine understanding of strong female sexuality and empowers women to value desire, pleasure, eroticism, and satisfaction. The book confronts myths and misunderstandings about female sexuality, especially desire, and encourages an increased understanding of healthy couple sexuality so that the woman and man can be intimate and erotic allies. Each chapter includes a detailed psychosexual exercise, as well as a range of motivating case studies, to help women to discover their sexual style and value their sexual voice. The guide also expands the concept of sex to include sensual, playful, and erotic touch, and emphasizes the multiple roles and meanings of the Good Enough Sex (GES) model. This accessible and powerful book is pro-female, pro-couple, and pro-sexuality, and will be valuable reading for women, from 25-85, looking to build strong, resilient desire and to embrace female sexuality. It will also be of use to couples who are dealing with sexual dissatisfaction, as well as all mental health professionals involved in the fields of marriage, couple, and sex therapy.

**I FOUND MY VOICE** Jan 04 2021 I Found My Voice is an inspirational story about the perspective that is gained when taking the road less traveled and using that perspective to help others find their way.

Sharron J. Brown was around five years when she was sexually victimized for the first time, leading her into a life of abuse, inner turmoil, and human exploitation. Her journey from suffering to self-actualization and the lessons she learned along the way are contained within the pages of this book. Through the various twists and turns of her past, standing strong in her present and beating the odds to propel into her future, Sharron finally found her voice and is using it to advocate against sex trafficking and human exploitation.

**How to Hear the Voice of God** Dec 23 2019 Provides methods for learning how to listen to one's inner voice via meditation, releasing blockage, distinguishing divine voices, and developing a personal plan for spiritual fulfillment, in a volume accompanied by a CD containing special guided meditation techniques. Original.

*Becoming a Mighty Voice* Dec 15 2021 American labor unions resemble private representative democracies, complete with formally constituted conventions and officer election procedures. Like other democratic institutions, unions have repeatedly experienced highly charged conflicts over the integration of ethnic minorities and women into leadership positions. In *Becoming a Mighty Voice*, Daniel B. Cornfield traces the 55-year history of the United Furniture Workers of America (UFWA), describing the emergence of new social groups into union leadership and the conditions that encouraged or inhibited those changes. This vivid

case history explores leadership change during eras of union growth, stability, and decline, not simply during isolated episodes of factionalism. Cornfield demonstrates that despite the strong forces perpetuating existing union hierarchies, leadership turnover is just as likely as leadership stagnation. He also shows that factors external to the union may influence leadership change; periods of turnover in the UFWA leadership reflected employer efforts to find cheap, non-union labor, as well as union efforts to unionize workers. When unions are threatened by intensified conflict with employers and when entrenched high status groups within the union are obliged to recruit members of lower socioeconomic status, then new social groups are likely to be integrated into union leadership. Becoming a Mighty Voice develops a theory of leadership change that will be of interest to many engaged in the labor, civil rights, and women's movements as well as to sociologists or historians of work, gender, and race, and to students of political and organizational behavior.

**Sophie's Voice** Dec 27 2022 Editorial Reviews "Ms. Hardt has a way of writing that makes me forget I'm reading a book. It's more like slipping into a world she created and getting lost for a while." -Tiger Lily, Whipped Cream Reviews "Ms. Hardt creates magic..." -The Romance Studio "Flawlessly written, and in my opinion a work of art..." -Girly Girl Book Reviews "Helen writes these books with such grace and finesse that you feel as though you've been transported back in time and are walking among the characters. You feel every bit of passion, anguish, and love emanating from the pages. It envelops you and leaves you grasping at the hopes that these two wonderfully in love couples get to have the HEA they both deserve." -Bare Naked Words Synopsis Lady Sophie MacIntyre has the voice of an angel, but due to her timid nature, no one ever hears it. After losing a bet to her conniving sister, Sophie auditions for the new musicale at the Regal Theatre run by handsome actor Zachary Newland. Though distracted by Zach's elegant masculinity and her own nerves, she sings well and earns a role in the production. Zach is a confirmed bachelor, and his taste in women leans toward the glamorous and uninhibited...until he meets the demure Sophie. Her delicate soprano and understated beauty captivate him. She responds to his inappropriate kiss, but quickly dismisses the heat between them. She's a lady of the peerage, after all, and not one to associate with a rake like him. Zach, however, is not so easily dissuaded. He gets what he wants, and he intends to help Sophie find her true voice...in more ways than one.

*Women's Political Voice* Feb 17 2022 Since the 1960's, academic and activist women have been challenging the conventional wisdom about political life and the study of politics. This book provides a comprehensive critical history of the changing research on politics and the changing nature of the political science discipline. It analyzes the course of women's political activism in US.

A Voice Crying in the Wilderness Nov 21 2019 Thoughts on nature, politics, love, and much more—from the environmentalist and author of such classics as *Desert Solitaire* and *The Monkey Wrench Gang*. Finished just two weeks before his death, *A Voice Crying in the Wilderness* is a collection of Edward Abbey's observations, both biting and witty and inspirational, on a wide range of topics—from philosophy and writing to music, money, sex, and sports. Abbey chose each passage himself from his own journals and previous writings—and warns us in his typical humorous style that some of the notes “may be unconscious plagiarisms from the great and dead (never steal from the living and mediocre).” Abbey's last wish was to be buried in an unmarked grave somewhere out in the vast desert he loved so much. This book is an enduring signal from that desert, through the words of one of the singular American thinkers of our times.

**The Voice of the Body** Apr 19 2022 The Voice of the Body is the first publication in a single volume of Alexander Lowen's public lectures known as The Lowen Monographs. This historical collection of twenty-two lectures by one of the founders of contemporary body psychotherapy embodies the groundbreaking principles of Bioenergetics and Bioenergetic Analysis. Presented between 1962 and 1982, these lectures document the depth and breadth of Lowen's work not otherwise detailed in his published work. Poignant and relevant to the challenges of today's world, the topics include: Stress and Illness: A Bioenergetic View; Breathing, Movement and Feeling; Thinking and Feeling: The Bioenergetic Analysis of Thought; Sex and Personality; Self Expression vs. Survival; Aggression and Violence in the Individual; and Psychopathic Behavior and the Psychopathic Personality.
