direct democracy such as participatory  
democracy is where people directly vote in  
decisions for events or legislation this is usually  
seen on the local scale since it works best at  
such a scale indirect democracy is the kind of  
government we have on the federal scale here in  
the us it is where we the people elect  
representatives to democracy a system of  
government in which power is vested in the  
people who rule either directly or through freely  
elected representatives notes for democracy  
democratic institutions such as parliaments may  
exist in a monarchy such constitutional  
monarchies as britain canada and sweden are  
generally counted as democracies in practice  
plural democracies 1 a government by the  
people especially rule of the majority b a  
government in which the supreme power is  
vested in the people and exercised by them  
directly or indirectly through a system of  
representation usually involving periodically

held free elections 2 a political unit that has a  
democratic government democratic jul 8 2016  
a democracy is a form of government in which  
the leaders are chosen by the citizens votes and  
in which the people have a say in decisions  
about the state s affairs the primary  
characteristics of democracy include political  
freedom rule of law and legal equality jun 10  
2022 the concept of a democracy coming from  
the greek words for people dēmos and rule  
kratos democracy means rule by the people as  
such a democracy requires that the people be  
allowed to take part in the government and its  
political processes jul 27 2006 1 democracy  
defined the term democracy as we will use it in  
this entry refers very generally to a method of  
collective decision making characterized by a  
kind of equality among the participants at an  
essential stage of the decision making process  
democracy is broadly understood to mean rule  
by the people in practice it is often defined as  
people choosing their leaders in free and fair  
elections other definitions go beyond this for  
example some of them see democracy as people  
having additional individual rights and being  
protected from the state democracy is a core  
value of the united nations the un supports  
democracy by promoting human rights  
development and peace and security in the 75  
years since the un charter was signed the jan 10  
2023 democracy literally rule by the people the  
term is derived from the greek dēmokratia which  
was coined from people and kratos rule in the  
middle of the 5th century to denote the political  
systems then existing in some greek city states  
notably athens read madeleine albright s  
britannica essay on democracy fundamental  
questions democracy noun uk dɪ'mɒk rə si us  
dɪ'mɑː krə si b2 u the belief in freedom and  
equality between people or a system of  
government based on this belief in which power  
is either held nov 6 2019 the basic definition of  
democracy in its purest form comes from the  
greek language the term means rule by the

people but democracy is defined in many ways a fact that has caused much direct democracy also called pure democracy forms of direct participation of citizens in democratic decision making in contrast to indirect or representative democracy direct democracies may operate through an assembly of citizens or by means of referenda and initiatives in which citizens vote on issues instead of for candidates or parties the term is also according to madison the two great points of difference between a democracy and a republic are first the delegation of the government in the latter to a small number of citizens elected by the rest secondly the greater the number of citizens and greater sphere of country over which the latter may be extended

dec 7 2021 in addition to representative democracy the survey found considerable support for direct democracy across the 38 countries polled a median of 66 said a democratic system where citizens not elected officials vote directly on major national issues to decide what becomes law is a very or somewhat good way to govern their country jan 29 2021 a democracy is a form of government that empowers the people to exercise political control limits the power of the head of state provides for the separation of powers between governmental entities and ensures the protection of natural rights and civil liberties in practice democracy takes many different forms democracy is neither purely participatory nor purely liberal it above all entails arbitrating and this implies recognition of a central conflict between tendencies as dissimilar as investment and participation or communication and subjectivity

jan 28 2023 a democracy is a country in which the people choose their government by voting for it the new democracies face tough challenges 3 uncountable noun democracy is a system of running organizations businesses and groups in which each member is entitled to vote and take part in decisions the union s emphasis on industrial democracy sep 29 2021 view bio democracy is a form of government where the people have the power to vote and elect the rulers or representatives of the nation learn about the definition of democracy discover the two democracy noun us dr'mɑ: krə si uk dr'mɒk rə si b2 u the belief in freedom and equality between people or a system of government

based on this belief in which power is either held democracy from ancient greek δημοκρατία romanized dēmokratía dēmos people and kratos rule 1 is a form of government in which the people have the authority to deliberate and decide legislation direct democracy or to choose governing officials
