A vivid political history of the schemes, plots, maneuvers, and conspiracies that have attempted -- successfully and not -- to remove unwanted presidents To limit executive power, the founding fathers created fixed presidential terms of four years, giving voters regular opportunities to remove their leaders. Even so, Americans have often resorted to more dramatic paths to disempower the chief executive. The American presidency has seen it all, from rejecting a sitting president's renomination bid and undermining their authority in office to the more drastic methods of impeachment, and, most brutal of all, assassination. How to Get Rid of a President showcases the political dark arts in action: a stew of election dramas, national tragedies, and presidential departures mixed with party intrigue, personal betrayal, and backroom shenanigans. This briskly paced, darkly humorous voyage proves that while the pomp and circumstance of presidential elections might draw more attention, the way that presidents are removed teaches us much more about our political order. According to Alan Fine, every one of us has the capacity for greatness. So what is it that's stopping us from reaching our true potential? The answer: too much information. Most people who want to get better at hitting golf shots, negotiating with clients, delivering presentations, or any field of endeavour - seek out new information. They read a book, take a class, employ an expert tutor. But as Alan Fine has learned from many years of coaching athletes and businesspeople, this 'outside-in' approach often doesn't produce the results people want. More information becomes a distraction rather than a solution, and high performance remains elusive. Fortunately, there is a better way. Fine has developed and honed a unique 'inside-out' approach to performance improvement which is not about gaining new knowledge, but instead about using the knowledge you already have. Through a simple four-step process, Fine shows how to remove the obstacles that get in the way of applying your existing skills to unlock your natural potential. No matter who you are or what you do, this book will help you get better. A bench warrant is oftentimes issued by a Judge against an individual when the individual is either accused of committing some sort of prosecutable offense rather than if it occurred prior to being in court or if the warrant was the result of an individual's failure to fulfill a presumed obligation ordered by the court such as an order to pay a fine, or failure to appear before the court on a specified date. The bench warrant is issued by the Judge in order to arrest the accused and bring them before the court to face prosecution for the alleged offense. Many people are not aware that a bench warrant can be removed or recalled for various reasons other than by getting arrested or turning themselves in. These reasons can remove personal liability (mens rea) from you and cause the Judge to recall/remove your bench warrant and provide you with another opportunity to fulfill the presumed obligation. What is holding you back from your greatest success and happiness? How to Remove Your Success Blockers provides the secrets for removing the success blockers that have been holding you back and keeping you from achieving success in your life and business. Our only limits are the ones residing in our minds. We can accomplish anything in life that we set our minds on, believe in what we want and begin to take focused actions until the belief becomes positively contagious in our minds and hearts. Don Xavier's first discovery was that the principle hindrance was the ineffective use of the two greatest gifts with which we have been blessed our minds and time. We each have a mind that we can develop exactly the way we want. This book will show you how to super-focus on your strengths within and understand your weaknesses in order to maximize your full potential and at the same time enjoy a happier, healthier and an overall well-balanced quality of life. Over the years Don has helped countless people reach their dreams and live their best lives by using these techniques and he believes How to Remove Your Success Blockers will help you too. Items such as bolts, screws, ... used in pipes, hoses, machines, etc. are rusted, damaged and we need to remove them. This is very normal because they have been affected by many different sources, causing the failure. And knowing how to fix them is also the knowledge that everyone should know in case something goes wrong. And this book is a detailed guide to doing just that. You should remember: The common knowledge solutions for rusty fasteners are often not solutions at all, but impatient shortcuts. Shortcuts with a higher chance of failure than a more restrained approach. Use a longer lever, grind it off, or heat it up. All involve brute force and heat. In this book you will find: the common knowledge of fixing things the ten-step process terminology how fasteners work how things seize how things loosen and much more Buy the book now. Making progress on complex, problematic situations requires a new approach to working together: transformative facilitation, a structured and creative process for removing the obstacles to fluid forward movement. It is becoming less straightforward for people to move forward together. They face increasing complexity and decreasing control. They need to work with more people from across more divides. In such situations, the most common ways of advancing—some people telling others what to do, or everyone just doing what they think they need to—aren't adequate. One better way is through facilitating. But the most common approaches to facilitating—bossy vertical directing from above or collegial horizontal accompanying from alongside—aren't adequate. They often leave the participants frustrated and yearning for breakthrough. This book describes a new approach: transformative facilitation. It doesn't choose either the bossy vertical or the collegial horizontal approach: it cycles back and forth between them. Rather than forcing or cajoling, the facilitator removes the obstacles that stand in the way of people contributing and connecting equitably. It enables people to bring their whole selves to the process. This book is for anyone who helps people work together to transform their situation, be it a professional facilitator, manager, consultant, coach, chairperson, organizer, mediator, stakeholder, or friend. It offers a broad and bold vision of the contribution that facilitation can make to helping people collaborate to make progress. If your face is besieged with dark spots and you are looking for ways to clear up these blemishes, there are hidden tips and methods in this guide that will help you out. This guide will show natural proven ways to get rid of dark spots from your face with natural ingredients Negativity. The plague of our existence! Thought Shifting is about how to remove the negative inner voice in 30 Days. No one can be happier or more fulfilled than their thoughts allow them. In order to create any change it must occur within a person's thought processes and inner voice. Thought Shifting is not about labeling anyone or anything, it is about removing labels, and creating awareness. This awareness is then taught how to create the change you desire. This book is not about telling you WHAT to think. This book will teach you HOW to think. People are not intentionally negative. People are not born negative. All of our thoughts are learned behaviors from a system of NO system. It does not matter who you are or where you came from but one thing for sure is that you never received a class or a course on how to think. So really, where did your thoughts come from and why do you think the way you do? Do you need this book? Here is the question to ask yourself. Do you want all the thoughts in your head to come true? ALL of them. If the answer is NO, then you need this book and the information in it. Thought Shifting is a simple to read and understand book that was written by a therapist that worked with 1,000s of people over several years. What he realized is that every issue, every problem and every situation that people were going through involved negativity. Negativity became the problem. It is recurring negative thoughts and no way of seeing it any different that causes worry, stress, anxiety, depression. Written by therapist Rick Saruna as a manual for awareness, change and to achieve the happiness ones desires and deserves. Step by step, Rick would lead his clients to a place of change and opportunity. Thought Shifting is the answer. If you know you are not as happy as you would like. If you lay blame in anything or anyone this will change everything. But remember you do not have to be in a bad place to benefit from Thought Shifting. It will only take you to a better place, better attitude and allow you to live and love life with happiness and a new outlook. Thought Shifting has been used by successful athletes to improve their game. It has been used by top business people to appreciate their results and to maximize them. It has been used by students to improve grades. It has been used by people with insomnia to sleep quickly and peacefully. It has been used by people just like you because we are all different yet we are all the same. If you want to learn step by step a proven way to increase joy and happiness join the 1000's of others that have benefited from Thought Shifting and you will be glad you did. This eBook could remove your fear of death forever It could teach you-for the first time in your existence-how to live outrageously alive. Now Not tomorrow. But now! It is a book about life and death. How to be alive-now. And how never to die. It is, however, a completely subversive and dangerous eBook. It is difficult to read-shattering in its impact-full of strange consequences for you, your family, your job, and your "responsibilities". Its author grew up in and was inspired by for example was inspired by the "Hippie" movement. Had he written this book five hundred years ago, he would have been burned at the stake. If, therefore, you are satisfied with your life as it is now . . . If you feel that you are alive enough now, that you gain enough satisfaction and meaning out of each day now . . . If you do not want to discuss or confront the question of death-then turn away from this page now. The rest of this letter will simply be confusing and destructive for you. Now, for those of you who remain, let us look at the universe through different eyes: This book says that Western Society has tricked you-INTO BELIEVING THAT YOU ARE A PRISONER IN A BAG OF SKIN! This book assumes that you are a normal American man or woman. In other words, that you are a member of our modern Western society. As such, it says, you have been condemned at birth to spend your entire life in the shadow of impossible-and essentially ridiculous-definitions of yourself that say this: That you are nothing more than a walking bag of skin-filled with a mind, personality, and perhaps (though no one can prove it) a soul. Therefore, that you are born-live-struggle-suffer-build-love-and all the rest, only to die. To vanish. To disappear into the same nothingness you came from. That-if you no longer accept the old Western idea of a heaven and a hell-once you die, you are simply gone. That death is like being buried alive forever-no more friends, no more sunlight, or birdsong, no more love or laughter. Only darkness without end. All that all humans live and die in this terrible loneliness. Each of us is irrevocably cut off from the other-separated and alone-with even love as only a flicker of light in aeons of darkness. Cast adrift in a hostile universe-which itself will probably end in eternal darkness. This, then, is the modern Western view. And, again, this eBook says it is ridiculous. Let us turn it upside down. Let us see how the universe looks through the other end of the telescope. This book gives you a new you. It takes away your bag of skin, and gives you both your conscious and unconscious in synchronistic equilibrium.
