All about Me! Oct 02 2020 At 95, the legendary Mel Brooks continues to set the standard for comedy across television, film, and the stage. Now, for the first time, this EGOT (Emmy, Grammy, Oscar, Tony) winner shares his story in his own words. 'Not since the Bible have I read anything so powerful and poignant. And to boot - it's a lot funnier!' - M. Brooks For anyone who loves American comedy, the long wait is over. Here are the never-before-told, behind-the-scenes anecdotes and remembrances from a master storyteller, filmmaker, and creator of all things funny. All About Me! charts Mel Brooks's meteoric rise from a Depression-era kid in Brooklyn to the recipient of the National Medal of Arts. Whether serving in the United States Army in World War II, or during his burgeoning career as a teenage comedian in the Catskills, Mel was always mining his experiences for material, always looking for the perfect joke. His iconic career began with Sid Caesar's Your Show of Shows, where he was part of the greatest writers' room in history, which included Carl Reiner, Neil Simon, and Larry Gelbart. After co-creating both the mega-hit 2000 Year Old Man comedy albums and the classic television series Get Smart, Brooks's stellar film career took off. He would go on to write, direct, and star in The Producers, The Twelve Chairs, Blazing Saddles, Young Frankenstein, Silent Movie, High Anxiety, and Spaceballs, as well as produce groundbreaking and eclectic films, including The Elephant Man, The Fly, and My Favorite Year. Brooks then went on to conquer Broadway with his record-breaking, Tony-winning musical, The Producers. All About Me! offers fans insight into the inspiration behind the ideas for his outstanding collection of boundary-breaking work, and offers details about the many close friendships and collaborations Brooks had, including those with Sid Caesar, Carl Reiner, Gene Wilder, Madeleine Kahn, Alfred Hitchcock, and the great love of his life, Anne Bancroft. Filled with tales of struggle, achievement, and camaraderie (and dozens of photographs), readers will gain a more personal and deeper understanding of the incredible body of work behind one of the most accomplished and beloved entertainers in history.

We joined forces with an unlikely bunch and set out on our mission. Can we outrun the shadow and bring peace to the Empire?

Rome Mar 07 2021 "This magnificent love letter to Rome" (Stephen Greenblatt) tells the story of the Eternal City through pivotal moments that defined its history—from the early Roman Republic through the Renaissance and the Reformation to the German occupation in World War Two—"an erudite history that reads like a page-turner" (Maria Semple). Rome, the Eternal City. It is a hugely popular tourist destination with a rich history, famed for such sites as the Colosseum, the Forum, the Pantheon, St. Peter's, and the Vatican. In no other city is history as present as it is in Rome. Today visitors can stand on bridges that Julius Caesar and Cicero crossed; walk around temples in the footsteps of emperors; visit churches from the earliest days of Christianity. This is all the more remarkable considering what the city has endured over the centuries. It has been ravaged by fires, floods, earthquakes, and—most of all—by roving armies. These have invaded repeatedly, from ancient times to as recently as 1943. Many times Romans have shrugged off catastrophe and remade their city anew. "Matthew Kneale [is] one step ahead of most other

Roman chroniclers” (The New York Times Book Review). He paints portraits of the city before seven pivotal assaults, describing what it looked like, felt like, smelled like and how Romans, both rich and poor, lived their everyday lives. He shows how the attacks transformed Rome—sometimes for the better. With drama and humor he brings to life the city of Augustus, of Michelangelo and Bernini, of Garibaldi and Mussolini, and of popes both saintly and very worldly. Rome is “exciting...gripping...a slow roller-coaster ride through the fortunes of a place deeply entangled in its past” (The Wall Street Journal).

Thea Stilton and the Ghost of the Shipwreck (Thea Stilton #3) Mar 19 2022 Geronimo's adventurous sister, Thea, narrates this fabulous adventure that's packed with action, mystery, and friendship! During a marine biology lesson at Mouseford Academy, the Thea Sisters learn about a mysterious shipwreck off Whale Island. According to legend, a very rare diamond called Jasmine's Heart was on the ship when it sank. When biology teacher Professor Van Kraken disappears, the Thea Sisters have to dive into the deep ocean to find him and the jewel. And just when they think their adventures are over, the Thea Sisters receive an invitation to travel to China to find another missing treasure. It's an adventure these five world-traveling mice will never forget!

The Ruins Lesson Apr 20 2022 How have ruins become so valued in Western culture and so central to our art and literature? Covering a vast chronological and geographical range, from ancient Egyptian inscriptions to twentieth-century memorials, Susan Stewart seeks to answer this question as she traces the appeal of ruins and ruins images, and the lessons that writers and artists have drawn from their haunting forms. Stewart

takes us on a sweeping journey through founding legends of broken covenants and original sin, the Christian appropriation of the classical past, myths and rituals of fertility, images of decay in early modern allegory and melancholy, the ruins craze of the eighteenth century, and the creation of “new ruins” for gardens and other structures. Stewart focuses particularly on Renaissance humanism and Romanticism, periods of intense interest in ruins that also offer new frames for their perception. The Ruins Lesson looks in depth at the works of Goethe, Piranesi, Blake, and Wordsworth, each of whom found in ruins a means of reinventing art. Ruins, Stewart concludes, arise at the boundaries of cultures and civilizations. Their very appearance depends upon an act of translation between the past and the present, between those who have vanished and those who emerge. Lively and engaging, The Ruins Lesson ultimately asks what can resist ruination—and finds in the self-transforming, ever-fleeting practices of language and thought a clue to what might truly endure.

Island of Ghosts Oct 26 2022 Ariantes is a Sarmatian, a barbarian warrior-prince, uprooted from his home and customs and thrust into the honorless lands of the Romans. The victims of a wartime pact struck with the emperor Marcus Aurelius to ensure the future of Sarmatia, Ariantes and his troop of accomplished horsemen are sent to Hadrian's Wall. Unsurprisingly, the Sarmatians hate Britain--an Island of Ghosts, filled with pale faces, stone walls, and an uneasy past. Struggling to command his own people to defend a land they despise, Ariantes is accepted by all, but trusted by none. The Romans fear his barbarian background, and his own men fear his gradual Roman assimilation. When Ariantes uncovers a conspiracy sure to damage both his Roman benefactors and his beloved countrymen, as well as put him and the woman he loves in grave danger, he must make a difficult decision--one that will change his own life forever. Collected Ghost Stories Sep 20 2019 Considered by many to be the most terrifying writer in English, M.R. James was an eminent scholar who spent his entire adult life in the academic surroundings of Eton and Cambridge. His classic supernatural tales draw on the terrors of the everyday, in which documents and objects unleash terrible forces, often in closed rooms and night-time settings where imagination runs riot. Lonely country houses, remote inns, ancient churches or the manuscript collections of great libraries provide settings for unbearable menace, from creatures seeking retribution and harm. These stories have lost none of their power to unsettle and disturb. This edition presents all of James's published ghost stories, including the unforgettable 'Oh, Whistle and I'll Come to You, My Lad' and 'Casting the Runes', and an appendix of James's writings on the ghost story. Darryl Jones's introduction and notes provide a fascinating insight into James's background and his mastery of the genre he made his own. --! From publisher's description.

Wolf by Wolf Dec 16 2021 Her story begins on a train. The year is 1956, and the Axis powers of the Third Reich and Imperial Japan rule. To commemorate their Great Victory, they host the Axis Tour: an annual motorcycle race across their conjoined continents. The prize? An audience with the highly reclusive Adolf Hitler at the Victor's ball in Tokyo. Yael, a former death camp prisoner, has witnessed too much suffering, and the five wolves tattooed on her arm are a constant reminder of the loved ones she lost. The resistance has given Yael one goal: Win the race and kill Hitler. A survivor of painful human experimentation, Yael has the power to skinshift and must complete her mission by impersonating last year's only female racer, Adele Wolfe. This deception becomes more difficult when Felix, Adele's twin brother, and Luka, her former love interest, enter the race and watch Yael's every move. But as Yael grows closer to the other competitors, can she be as ruthless as she needs to be to avoid discovery and stay true to her mission? From the author of *The Walled City* comes a fast-paced and innovative novel that will leave you breathless.

Pilgrims Oct 22 2019 Lake Wobegon goes to Italy in Garrison Keillor's latest Twelve Wobegonians fly to Rome to decorate a war hero's grave, led by Marjorie Krebsbach, with radio host Gary Keillor along for the ride. The pilgrimage is inspired by a phone call from an Italian woman seeking her Lake Wobegon roots and by a memoir *O Paradiso* by a farm wife who found the secret of life and love in Italy. And by Marjorie's longing to win back the love of her husband Carl. Far from home, sitting in the rain in the Piazza Navona, the pilgrims talk about themselves, as they never could do in the Chatterbox Café. "You're not going to write about this, I hope," says Irene Bunsen. "Of course I am. I invented this town," says Mr. Keillor. "Oh my, aren't you something," she replies.

The Hunt for the Secret Papyrus May 09 2021 Geronimo is on the hunt in this fabmouse and super-sized adventure! There was a mystery in New Mouse City's Egyptian Museum! Will Rogers Coliseum Jul 11 2021 Fewer buildings in Fort Worth are more iconic than the Will Rogers Coliseum and Auditorium. Built in 1936 as a part of the Texas Centennial celebrations, it stands as a tribute to the spirit of patriotism and pride with which it was constructed and to the optimism that it represented. The list of events that have been held at this venue includes World War II bond drives, Golden Gloves boxing competitions, the symphony, the opera, rock concerts, high school graduations, the Ice Capades, evangelical gatherings, and, of course, the Fort Worth Stock Show. As each decade passes, new demands challenge the role the complex may serve in the future. It is hoped that this book will contribute in some small way to the preservation of this amazing structure.
