From the illustrator of WHERE THE WILD THINGS ARE. Little Bear loves to go on adventures and Mother Bear is always there when he needs her. In this book he goes to the moon, plays in the snow and there's even a surprise birthday party. Just what will he get up to next? Full of warm and lovingly playful stories that are perfect for children learning to sound out words and sentences on their own. Just when you thought it was safe to read an early reader . . . SHARK! This fun Step 1 book about two sharks is a study in opposites. Big Shark has big teeth; Little Shark has little teeth. Big Shark swims fast; Little Shark swims slow. But they are both hungry! Will they each succeed in finding a tasty snack? Little Shark is hoping that he won't become fast food for Big Shark! Step 1 Readers feature big type and easy words for children who know the alphabet and are eager to begin reading. Rhyme and rhythmic text paired with picture clues help children decode the story. New York Times Bestseller Embrace Hygge (pronounced hoo-ga) and become happier with this definitive guide to

the Danish philosophy of comfort, togetherness, and well-being. Why are Danes the happiest people in the world? The answer, says Meik Wiking, CEO of the Happiness Research Institute in Copenhagen, is Hygge. Loosely translated, Hygge—pronounced Hoo-ga—is a sense of comfort, togetherness, and well-being. "Hygge is about an atmosphere and an experience," Wiking explains. "It is about being with the people we love. A feeling of home. A feeling that we are safe." Hygge is the sensation you get when you're cuddled up on a sofa, in cozy socks under a soft throw, during a storm. It's that feeling when you're sharing comfort food and easy conversation with loved ones at a candlelit table. It is the warmth of morning light shining just right on a crisp blue-sky day. The Little Book of Hygge introduces you to this cornerstone of Danish life, and offers advice and ideas on incorporating it into your own life, such as: Get comfy. Take a break. Be here now. Turn off the phones. Turn down the lights. Bring out the candles. Build relationships. Spend time with your tribe. Give yourself a break from the demands of healthy living. Cake is most definitely Hygge. Live life today, like there is no coffee tomorrow. From picking the right lighting to organizing a Hygge get-together to dressing hygge, Wiking shows you how to experience more joy and contentment the Danish way. She tried to forget the horrors of war—but her quiet hometown conceals a litany of new evils. Sergeant Camille Waresch did everything she could to forget Iraq. She went home to Eastern Washington and got a quiet job. She connected with her daughter, Sophie, whom she had left as a baby. She got sober. But the ghosts of her past were never far behind. While conducting a routine property tax inspection on an isolated ranch, Camille discovers a teenager's tortured corpse hanging in a dilapidated outbuilding. In a flash, her combat-related PTSD resurges—and in her dreams, the hanging boy merges with a young soldier whose eerily similar death still haunts her. The case hits home when Sophie reveals that the victim was her ex-boyfriend—and as Camille investigates, she uncovers a tangled trail that leads to his jealous younger brother and her own daughter, wild, defiant, and ensnared. The closer Camille gets to the truth, the closer she is driven to the edge. Her home is broken into. Her truck is blown up. Evidence and witnesses she remembers clearly are erased. And when Sophie disappears, Camille's hunt for justice becomes a hunt for her child. At a remote compound where the terrifying truth is finally revealed, Camille has one last chance to save her daughter—and redeem her own shattered soul. A Pixar animator offers a colorful, close-up look at the most important gods and goddesses of the Hindu religion, in a collection of full-color illustrations, accompanied by concise profiles and the stories of Hindu mythology. Original. 40,000 first printing. Lays out strategies for harnessing one's creativity for greater success, drawing on the wisdom of more than two hundred creative thinkers, including Steve Jobs and Chris Rock. THE LITTLE

WAY OF RUTHIE LEMING follows Rod Dreher, a Philadelphia journalist, back to his hometown of St. Francisville, Louisiana (pop. 1,700) in the wake of his younger sister Ruthie's death. When she was diagnosed at age 40 with a virulent form of cancer in 2010, Dreher was moved by the way the community he had left behind rallied around his dying sister, a schoolteacher. He was also struck by the grace and courage with which his sister dealt with the disease that eventually took her life. In Louisiana for Ruthie's funeral in the fall of 2011, Dreher began to wonder whether the ordinary life Ruthie led in their country town was in fact a path of hidden grandeur, even spiritual greatness, concealed within the modest life of a mother and teacher. In order to explore this revelation, Dreher and his wife decided to leave Philadelphia, move home to help with family responsibilities and have their three children grow up amidst the rituals that had defined his family for five generations-Mardi Gras, L.S.U. football games, and deer hunting. As David Brooks poignantly described Dreher's journey homeward in a recent New York Times column, Dreher and his wife Julie "decided to accept the limitations of small-town life in exchange for the privilege of being part of a community." Louisa May Alcott's iconic novel-the beloved portrait of a nineteenth-century New England family in wartime The classic story of the March family, Little Women has been adored for generations. Now in a vibrant new deluxe edition with an introduction by Jane Smiley and a cover by Julie Doucet, the novel follows the lives of four sisters-tomboyish Jo, beautiful Meg, fragile Beth, and romantic Amy-as they come of age while their father is fighting in the Civil War. Since 1868, readers have rooted for Laurie in his pursuit of Jo's hand, cried over the family's tragedy, and dreamed of traveling through Europe with old Aunt March and Amy. In this simple, enthralling tale, Louisa May Alcott has created four of American literature's most beloved women. Tom Perrotta's thirty-ish parents of young children are a varied and surprising bunch. There's Todd, the handsome stay-at-home dad dubbed "The Prom King" by the moms of the playground; Sarah, a lapsed feminist with a bisexual past, who seems to have stumbled into a traditional marriage; Richard, Sarah's husband, who has found himself more and more involved with a fantasy life on the internet than with the flesh and blood in his own house; and Mary Ann, who thinks she has it all figured out, down to scheduling a weekly roll in the hay with her husband, every Tuesday at 9pm. They all raise their kids in the kind of sleepy American suburb where nothing ever seems to happen-at least until one eventful summer, when a convicted child molester moves back to town, and two restless parents begin an affair that goes further than either of them could have imagined. Unexpectedly suspenseful, but written with all the fluency and dark humor of Perrotta's previous novels, Little Children exposes the adult dramas unfolding amidst the swingsets and slides of an ordinary American playground. In May 1937, seventy thousand workers walked off their jobs at four large steel companies known collectively as "Little Steel." The strikers sought to make the companies retreat from decades of antiunion repression, abide by the newly enacted federal labor law, and recognize their union. For two months a grinding

struggle unfolded, punctuated by bloody clashes in which police, company agents, and National Guardsmen ruthlessly beat and shot unionists. At least sixteen died and hundreds more were injured before the strike ended in failure. The violence and brutality of the Little Steel Strike became legendary. In many ways it was the last great strike in modern America. Traditionally the Little Steel Strike has been understood as a modest setback for steel workers, one that actually confirmed the potency of New Deal reforms and did little to impede the progress of the labor movement. However, The Last Great Strike tells a different story about the conflict and its significance for unions and labor rights. More than any other strike, it laid bare the contradictions of the industrial labor movement, the resilience of corporate power, and the limits of New Deal liberalism at a crucial time in American history. The second elegant little book of Jewish culinary traditions, the Little Book of Jewish Feasts offers the perfect dishes to feature at the center of the table. Leah Koenig shares 25 globally inspired Jewish holiday main dishes that will satisfy and delight, from Balsamic and Brown Sugar Brisket to Poppy Seed Chicken Schnitzel to Wild Greens Pie. Building on traditional flavors with the innovative and modern interpretations that Leah is known for, the book features vibrant photographs of each of the showstopping recipes that embody the flavors of Jewish cuisine. With its charming package and delicious takes on the classics, as well as helpful tips for wine pairing and a primer on what to serve for each holiday in the Jewish calendar, this book is sure to bring joy to any celebration. Explores opposites, showing things that are big and little. On board pages. Next-door neighbors and ex-best friends Hannah and Emory haven't spoken in months. Not since the fight-the one where they said things they couldn't take back. Now, Emory is fine-tuning her UCLA performing arts application and trying to make the most of the months she has left with her boyfriend, Luke, before they head off to separate colleges. Meanwhile, Hannah's strong faith is shaken when her family's financial problems come to light, and she finds herself turning to unexpected places-and people-for answers to the difficult questions she's suddenly facing. No matter how much Hannah and Emory desperately want to bridge the thirty-six steps between their bedroom windows, they can't. Not anymore. Until their paths cross unexpectedly when, one night, Hannah finds Luke doubled over in his car outside her house. In the aftermath of the accident, all three struggle to understand what happened in their own ways. But when a devastating secret about Hannah and Emory's argument ultimately comes to light, they must all reexamine the things they hold true. In alternating chapters, a skeptic and a believer piece together the story of their complex relationship with help from the boy caught somewhere in the middle. New York Times best-selling author Tamara Ireland Stone deftly crafts a moving portrait of faith, love, and friendship. Feel uplifted with this gorgeously romantic novel from the No. 1 bestselling author and Queen of the Castle, Giovanna Fletcher 'Puts a smile on your face and hope for magical dreams of your own' 5***** READER REVIEW 'I laughed and cried all the way through, I couldn't put it down!' 5***** READER REVIEW _____ Sarah is doing

just fine. Sure, she's been single for the last five years, and has to spend an uncomfortable amount of time around her ex-boyfriend, his perfect new girlfriend and all their mutual friends. And yes, her job as a PA to one of the most disgusting men in London is mind-numbingly tedious and her career is a constant disappointment to her mother. But it's really okay. She's happy (ish). So it's not surprising that when Sarah starts dreaming about a handsome stranger, she begins to look forward to falling asleep every night. Reality isn't nearly as exciting. That is until her dream-stranger makes an unexpected real-life appearance, leaving Sarah questioning everything she thought she wanted. Because no one ever really finds the person of their dreams . . . do they? _____ 'Saucy, fun and full of heart. This is Giovanna's most accomplished novel yet! This book ticked every one of our must have boxes' Heat 'Tons of charm and genuine warmth' Star "A memoir of a young mom finding joy in her daughter with Down Syndrome, as she learns that unmet expectations can bring peace and freedom"-- Provided by publisher. A classic work of literature, adapted for children and beautifully illustrated. Perceiving the need for a simpler version of a timeless classic, Helen Taylor faithfully adapted John Bunyan's allegory of the Christian life, The Pilgrim's Progress, for young readers--hoping to bring its treasury of wisdom nearer to children's hearts and minds. That version has sold over 800,000 copies! It preserves the original plotlines of Bunyan's classic while telling the story of Little Christian and Christiana in a way that kids can understand. In this fresh, imaginative new edition, bestselling illustrator Joe Sutphin portrays the characters of Bunyan's tale as furry creatures living in a woodland realm. Children will delight in the lavish illustrations, reading alongside their parents or interacting on their own with the timeless words and beautiful imagery that they discover on every page. This book will help children see the trials and triumphs of faithfulness with fresh eyes, leading them to declare along with Christian, "I am going to the King!" Our ancestors gathered around a fire in a circle, families gather around their kitchen tables in circles, and now we are gathering in circles as communities to solve problems. The practice draws on the ancient Native American tradition of a talking piece. Peacemaking Circles are used in neighborhoods to provide support for those harmed by crime and to decide sentences for those who commit crime, in schools to create positive classroom climates and resolve behavior problems, in the workplace to deal with conflict, and in social services to develop more organic support systems for people struggling to get their lives together. A title in The Little Books of Justice and Peacebuilding Series. Can community-building begin in a classroom? The authors of this book believe that by applying restorative justice at school, we can build a healthier and more just society. With practical applications and models. Can an overworked teacher possibly turn an unruly incident with students into an "opportunity for learning, growth, and community-building"? If restorative justice has been able to salvage lives within the world of criminal behavior, why shouldn't its principles be applied in school classrooms and cafeterias? And if our children learn restorative practices early and daily, won't we be building a

healthier, more just society? Two educators answer yes, yes, and yes in this new addition to The Little Books of Justice and Peacebuilding series. Amstutz and Mullet offer applications and models. "Discipline that restores is a process to make things as right as possible." This Little Book shows how to get there. The set includes: Little House in the Big Woods, Little House on the Prairie, Farmer Boy, On the Banks of Plum Creek, By the Shores of Silver Lake, The Long Winter, Little Town on the Prairie, These Happy Golden Years, and The First Four Years. Little House in the Big Woods Wolves and panthers and bears roam the deep Wisconsin woods in the late 1870's. In those same woods, Laura lives with Pa and Ma, and her sisters, Mary and Baby Carrie, in a snug little house built of logs. Pa hunts and traps. Ma makes her own cheese and butter. All night long, the wind howls lonesomely, but Pa plays the fiddle and sings, keeping the family safe and cozy. Little House on the Prairie Pa Ingalls decides to sell the little log house, and the family sets out for Indian country! They travel from Wisconsin to Kansas, and there, finally, Pa builds their little house on the prairie. Sometimes farm life is difficult, even dangerous, but Laura and her family are kept busy and are happy with the promise of their new life on the prairie. Farmer Boy While Laura Ingalls grows up in a little house on the western prairie, Almanzo Wilder is living on a big farm in New York State. Almanzo and his brother and sisters work at their chores from dawn to supper most days -- no matter what the weather. There is still time for fun, though, especially with the horses, which Almanzo loves more than anything. On the Banks of Plum Creek Laura's family's first home in Minnesota is made of sod, but Pa builds a clean new house made of sawed lumber beside Plum Creek. The money for materials will come from their first wheat crop. Then, just before the wheat is ready to harvest, a strange glittering cloud fills the sky, blocking out the sun. Soon millions of grasshoppers cover the field and everything on the farm. In a week's time, there is no wheat crop left at all. By the Shores of Silver Lake Pa Ingalls heads west to the unsettled wilderness of the Dakota Territory. When Ma, Mary, Laura, Carrie, and baby Grace join him, they become the first settlers in the town of De Smet. And Pa begins work on the first building in what will soon be a brand-new town on the shores of Silver Lake. The Long Winter The first terrible storm comes to the barren prairie in October. Then it snows almost without stopping until April. Snow has reached the rooftops, and no trains can get through with food or coal. The people of De Smet are starving, including Laura's family, who wonder how they're going to make it through this terrible winter. It is young Almanzo Wilder who finally understands what needs to be done. He must save the town, even if it means risking his own life. Little Town on the Prairie The long winter is over. With spring come socials, parties, and "Literaries." There is also work to be done. Laura spends many hours each day sewing shirts to help send Mary to a college for the blind. But in the evenings, Laura makes time for a new caller, Almanzo Wilder. These Happy Golden Years Laura is teaching school, and it's terrifying! Most of the students are taller than she is, and she must sleep away from home for the first time. Laura is miserable, but the money is needed to keep Mary in a college for the blind. And every

Friday -- no matter what the weather -- Almanzo Wilder arrives to take Laura home to her family for the weekend. Laura and Almanzo are courting, and even though she's not yet sixteen, she knows that this is a time for new beginnings. The First Four Years Laura and Almanzo Wilder have just been married! Their life on a small prairie homestead begins with high hopes. But each year seems to bring unexpected disasters -- storms, sickness, fire, and unpaid debts. These first four years call for courage, strength, and a great deal of determination. Always, though, there is love, especially for the newest member of the family -- baby Rose. Celebrate Christmas all year round with Nina, the littlest elf in Santa's workshop! Nina doesn't finish the teddy bear she's making in time for it to get loaded onto Santa's sleigh but, encouraged by Santa Claus himself to not give up, she works far into the night. While Santa is out delivering presents, a baby is born. Santa comes back for Nina's bear-and guess who he takes along to deliver it? Travel to Twoland where two friends can be double the fun fun!! This classic Little Golden books collection that's all about mom is the perfect gift for Mother's Day! A mini-treasury featuring three Little Golden books all about moms! This unique collection of mommy-themed Little Golden Books is a loving tribute to mothers. Classics, such as Baby Dear, We Help Mommy, and Mommies: All About the Work They Do, are all here. Featuring classic art and text, as well as a beautiful gold spine. Filled with humorous, practical tips for getting the most out of life, this Little Golden Book "guide to life" is the perfect keepsake gift to celebrate birthdays and other new beginnings and milestones for readers of any age who cherish the classic little books with the gold foil spines! This humorous guide offers advice for getting the most out of life, the Little Golden Book way! Drawn from beloved classics like The Poky Little Puppy, We Help Mommy, and many more classics, important lessons such as "Remember to stop and smell the strawberries," "Don't forget to enjoy your wedding," and "Be a hugger" are paired with iconic images by Richard Scarry, Eloise Wilkin, Mary Blair, Garth Williams, and more. A young girl pretends to be a mommy as she take care of her dolls throughout the day. From early morning to bedtime, Little Duck enjoys exploring, playing with his friends, learning to swim, and cuddling with his mother. On board pages. In essays on matters literary, social, cultural, and personal, Mary Gaitskill explores date rape and political adultery, the transcendentalism of the Talking Heads, the melancholy of Björk, and the playfulness of artist Laurel Nakadate. She celebrates the clownish grandiosity and the poetry of Norman Mailer's long career and maps the sociosexual cataclysm embodied by porn star Linda Lovelace. Witty, wide-ranging, tender, and beautiful, Somebody with a Little Hammer displays the same heat-seeking, revelatory understanding for which Gaitskill's writing has always been known. The ultimate cheat sheet that sets out a workable and flexible plan for successful weight loss to fit every lifestyle and diet choice. In this "worst-case diet survival handbook", nutritionist and founder of Foodtrainers™, Lauren Slayton offers strategies and tips to avoid the most disastrous diet booby traps. Along with her no-nonsense nutrition and exercise advice, readers will discover that the missing component of most weight-loss

schemes is planning. Planning to succeed and planning for the obstacles on the way to slim are as vital as what and when to eat and how to incorporate fat-burning activity into your day. All too many dieters give up when they hit a few road bumps created by work, family, socializing, travel, fatigue or indifference. Slayton comes to the rescue with:

- The Big 10 "Do-Not-Pass-Go" Basics, from high protein breakfast to "closing the kitchen" after dinner!
- Top Ten Things to Avoid to Get Healthy and Slim Down Fast
- The 4 P's -- Plan, Purchase, Prep and Promise -- to get and stay on track
- The 4-Step Treat Training Strategy to survive the "Witching Hour" Dozens of smart, simple ways to cope with the big obstacles to slim: family, restaurants, travel, entertaining, alcohol and more.

Slayton provides the know-how and the what-to-do-when-things-go-south to help readers keep on track, no matter what diet they follow. In this quick and vibrant little book, Kelly Kapic presents the nature, method and manners of theological study for newcomers to the field. He emphasizes that theology is more than a school of thought about God, but an endeavor that affects who we are. "Theology is about life," writes Kapic. "It is not a conversation our souls can afford to avoid." This Little Black Book is your companion for Lent. It's an old-fashioned "vade mecum" (pronounced vahday maykum). That's Latin for "travel with me" and was used to describe a book that was a constant companion -- perhaps a condensed book of prayers for traveling priests, or a handbook for quick reference -- something you could take with you anywhere. This book is designed to introduce and cover its subject in a simple and entertaining, yet comprehensive, way. It contains chapters on such topics as style, substance, structure, questions, and rebuttal to explain effective approaches to this peculiar form of conversation. Sam Kass, former chef to the Obamas and White House food policy advisor, makes it easier to do a little better for your diet--and the environment--every day, through smart ways to think about shopping, setting up your kitchen so the healthy stuff comes to hand most naturally, and through 90 delicious, simple recipes. JAMES BEARD AWARD WINNER • IACP AWARD FINALIST This book lays out Kass's plan to eat a little better. Knowing that sustainability and healthfulness come most, well, sustainably when new habits and choices seem appealing rather than drastic and punitive, Kass shares his philosophy and methods to help make it easy to choose, cook, and eat delicious foods without depriving yourself of agency or pleasure. He knows that going organic, local, and so forth all the time is just not realistic for most people, and that's ok--it's all about choosing and doing a little better, and how those choices add up to big change. It's the philosophy he helped the Obamas instill in their home, both in Chicago and that big white one in Washington. In these six video lessons and accompanying book, author Dan Boone "clears away the speculative clutter and presents a responsible interpretation of Revelation that replaces cataclysmic predictions with a compelling vision -- a vision of Jesus and the abundant hope-filled life He wants for all His people."--Container. Following the staggering events of September 11, 2001, the Center for Justice and Peacebuilding at Eastern Mennonite University was asked to help, along with Church World Service, to equip religious and civil leaders

for dealing with traumatized communities. The staff and faculty proposed Strategies for Trauma Awareness and Resilience (STAR) programs. Now, STAR director, Carolyn Yoder, has shaped the strategies and learnings from those experiences into a book for all who have known terrorism and threatened security. A startlingly helpful approach. A title in The Little Books of Justice and Peacebuilding Series. This beautiful picture book featuring the beloved Christmas poem, "Little Tree," will delight children and parents alike! In a warm and touching poem, e.e. cummings describes the wonder and excitement of a young brother and sister who find a little tree on a city sidewalk and carry it home, where they adorn it with Christmas finery. A little book with a big goal! This book aims to give kids the building blocks to develop strong principles of care, empathy, and community. Because you're never too young to make a difference! Howard Zehr is the father of Restorative Justice and is known worldwide for his pioneering work in transforming understandings of justice. Here he proposes workable principles and practices for making Restorative Justice possible in this revised and updated edition of his bestselling, seminal book on the movement. (The original edition has sold more than 110,000 copies.) Restorative Justice, with its emphasis on identifying the justice needs of everyone involved in a crime, is a worldwide movement of growing influence that is helping victims and communities heal, while holding criminals accountable for their actions. This is not soft-on-crime, feel-good philosophy, but rather a concrete effort to bring justice and healing to everyone involved in a crime. In The Little Book of Restorative Justice, Zehr first explores

how restorative justice is different from criminal justice. Then, before letting those appealing observations drift out of reach into theoretical space, Zehr presents Restorative Justice practices. Zehr undertakes a massive and complex subject and puts it in graspable form, without reducing or trivializing it. This resource is also suitable for academic classes and workshops, for conferences and trainings, as well as for the layperson interested in understanding this innovative and influential movement. A manual for building a faster brain and a better you! The Little Book of Talent is an easy-to-use handbook of scientifically proven, field-tested methods to improve skills—your skills, your kids' skills, your organization's skills—in sports, music, art, math, and business. The product of five years of reporting from the world's greatest talent hotbeds and interviews with successful master coaches, it distills the daunting complexity of skill development into 52 clear, concise directives. Whether you're age 10 or 100, whether you're on the sports field or the stage, in the classroom or the corner office, this is an essential guide for anyone who ever asked, "How do I get better?" Praise for The Little Book of Talent "The Little Book of Talent should be given to every graduate at commencement, every new parent in a delivery room, every executive on the first day of work. It is a guidebook—beautiful in its simplicity and backed by hard science—for nurturing excellence."—Charles Duhigg, bestselling author of The Power of Habit "It's so juvenile to throw around hyperbolic terms such as 'life-changing,' but there's no other way to describe The Little Book of Talent. I was avidly trying new things

within the first half hour of reading it and haven't stopped since. Brilliant. And yes: life-changing."—Tom Peters, co-author of In Search of Excellence Here comes the school bus, beep, beep, beep! Step right up and take a seat with a sleepy sheep, a squirmy worm, a hairy bear, a quick, quick chick, a fox with socks, a pig in a wig, and a goat in his coat, and ride the bus to school, to school, and ride the bus to school! The bouncy, rhyming text and the bright, witty pictures make ""The Little School Bus a ride that children will want to take over and over again. In The Little Book of Bull Moves, popular author and economic advisor, Peter Schiff, takes a new look at America's bull markets of the 1920's, 1960's, and 1990's, and the bear markets that followed. Analyzing similarities and differences from both an economic and political perspective, Schiff discusses investment strategies that worked then and explains how those same conservative approaches to investing can be applied in today's market. Provides detailed advice on the techniques and strategies that can help investors maintain and even build wealth now and in the turbulent times that lie just ahead Filled with insightful commentary, inventive metaphors, and prescriptive advice Other titles by Schiff: Crash Proof: How to Profit From the Coming Economic Collapse, and The Little Book of Bull Moves in Bear Markets Written by a seasoned Wall Street prognosticator, The Little Book of Bull Moves shows readers how to make money under adverse market conditions by using conservative, nontraditional investment strategies.
