"Waniek is a poet of intelligence, passion, and gentleness with a fine sense of the comic and unfailing judgment about what constitutes a poetic line. She creates a rich mixture of impressions about the speaker of these poems as a woman who is at the same time in her mid-twenties and her mid-fifties, who is black and white and red, who is both trapped by and freed by motherhood." —Miller Williams Marilyn Nelson Waniek writes with great wisdom and compassion. Grounded but never earthbound, her poems speak honestly and eloquently about giving birth, nurturing life, and facing death; they inhabit the present, fully aware of their responsibilities to the past and the future. Waniek leaves us with the affecting strength and assurance of lasting things, as in the poem "Mama's Promise." But the dangerous highway curves through blue evenings when I hold his yielding hand and snip his minuscule nails with my vicious-looking scissors. I carry him around like an egg in a spoon, and I remember a porcelain fawn, a best friend's trust, my broken faith in myself. It's not my grace that keeps me erect as the sidewalk clatters downhill under my rollerskate wheels. Then I think of Mama, her bountiful breasts. When I was a child, I really swear, Mama's kisses could heal. I remember her promise, and whisper it over my sweet son's sleep: When you float to the bottom, child, like a mote down a sunbeam, you'll see me from a trillion miles away: my eyes looking upon you, my arms outstretched for you like night. Over a span of five years, [the authors] talked in-depth with 162 low-income single moms ... to learn how they think about marriage and family. [This book] offers an intimate look at what marriage and motherhood mean to these women and provides [an] extensive on-the-ground study ... of why they put children before marriage despite the daunting challenges they know lie ahead.. [This book] argues that until poor young women and men have greater access to jobs that lead to financial security - that is, until they can hope for a rewarding life outside of bearing and raising children - they will continue to have children far sooner than most Americans think they should, and in less than ideal circumstances.-Dust jacket. Campaign promises are a cornerstone of representative democracy. Candidates make promises to signal to voters their intentions in office and voters evaluate candidates based on those promises. This study unpacks the theorized pathway regarding campaign promises: not whether promises are kept, but what purpose promises serve, what they signal, and how they affect voter decision-making. The author explores the pathways and conditions influencing promises and finds that promises tend to have a polarizing effect on voters' opinions of politicians, attracting similarly-positioned voters and strongly repelling voters who disagree with a candidate's position. In addition, voters perceive promise breakers as less honest and less likely to follow through than candidates who more weakly took the same position. With a wealth of data and fascinating case studies, this book is full of important insights into electoral psychology and the study of promises, campaigning, and representation. An examination of the state of America's political economy describes the Washington Party that runs the country and caters to corporations and calls for another American revolution. 15,000 first printing. God Never Breaks His Promises 21 Promises combines the clarity of the gospel and the authenticity of life stories to accurately reveal the abiding promises of God displayed in our lives. In some cases, we fail to recognize God's presence as we endure present times. However, the beauty of the gospel comes to a brief fruition when we step away from the window and observe God's sustaining work arising in each of our days. The purpose of focusing on the promises of God found in Scripture originates from a lack of Biblical understanding in our generation. As young adults in a liberal society, the value of gathering an accurate understanding of God's promises remains crucially important. Friends, family, and professors might teach or share false ideas about God, prompting young adults to doubt his existence, his goodness, and his authority. With the help of Scripture, 21 Promises teaches adults, young and old, to understand with their minds and believe with their hearts in the unfailing promises of God. Likewise, the creative narrative of this book allows the reader to witness stories from a first-person perspective before reflecting on God's promises as a third-person party. In essence, the hope of this book focuses on the reader's observation of the promises of God displayed in Scripture and real life events, regardless of their history and knowledge of God. Without God's promises, we live confused lives; yet, he makes himself present and available through these divine revelations.
