The Red Box Oct 04 2020 A lovely woman is dead, and the fortunes of overextended theatrical producer Llewellyn Frost depend on solving the mystery of the red box: two pounds of candied fruits, nuts and creams, covered with chocolate—and laced with potassium cyanide. When Nero Wolfe's suspicion falls on Frost's kissing cousin, Frost wants the detective to kill the sickly sweet case—before it kills him. Introduction by Carolyn G. Hart "It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore."—The New York Times Book Review A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. Now, with his perambulatory man-about-town, Archie Goodwin, the arrogant, gourmandizing, sedentary sleuth is back in the original seventy-three cases of crime and detection written by the inimitable master himself, Rex Stout.

[Murder in the Ball Park](#) May 31 2020 A killer hiding among the crowd at a Dodgers-Giants game forces Nero Wolfe to step up to the plate in this "superb" mystery (Publishers Weekly, starred review). Archie Goodwin and Saul Panzer have ventured into the wilds of northern Manhattan to watch the Giants take on the Dodgers at the Polo Grounds. The national anthem is just winding down when Panzer spies a notable in the box seats: state senator Orson Milbank, a silver-haired scoundrel with enemies in every corner of upstate New York. In the fourth inning, a monstrous line drive brings every fan in the grandstand to his feet—every fan save for one silver-haired senator, who has been shot dead by a sniper in the upper deck. Archie's employer—the rotund genius Nero Wolfe—has no interest in investigating the stadium slaying, but Archie is swayed by the senator's suspiciously lovely widow. Her husband was mired hip-deep in corruption, and sorting out who killed him will be a task far less pleasant than an afternoon at the ball park.

The Reign of Wolf 21 Dec 06 2020 "A redemption story, an adventure story, and perhaps above all, a love story."—Nate Blakeslee, New York Times bestselling author of American Wolf The Druid Peak Pack was the most famous wolf pack in Yellowstone National Park, and maybe even in the world. This is the dramatic true story of its remarkable leader, Wolf 21—whose compassion and loyalty challenges commonly held beliefs about alpha males. In this compelling follow-up to the national bestseller The Rise of Wolf 8, Rick McIntyre profiles one of Yellowstone's most revered alpha males, Wolf 21. Leader of the Druid Peak Pack, Wolf 21 was known for his unwavering bravery, his unusual benevolence (unlike other alphas, he never killed defeated rival males), and his fierce commitment to his mate, the formidable Wolf 42. Wolf 21 and Wolf 42 were attracted to each other the moment they met—but Wolf 42's jealous sister interfered viciously in their relationship. After an explosive insurrection within the pack, the two wolves came together at last as leaders of the Druid Peak Pack, which dominated the park for more than 10 years. McIntyre recounts the pack's fascinating saga with compassion and a keen eye for detail, drawing on his many years of experience observing Yellowstone wolves in the wild. His outstanding work of science writing offers unparalleled insight into wolf behavior and Yellowstone's famed wolf reintroduction project. It also offers a love story for the ages. "Like Thomas McNamee, David Mech, Barry Lopez, and other literary naturalists with an interest in wolf behavior, McIntyre writes with both elegance and flair, making complex biology and ethology a pleasure to read. Fans of wild wolves will eat this one up."—Kirkus starred review

Stop the Presses! Aug 22 2019 Nero Wolfe and Archie Goodwin have a lot of boldfaced names on their suspect list when New York's most hated gossip columnist is murdered. There are few people Nero Wolfe respects,

and Lon Cohen of the New York Gazette is one of them. So when Cohen asks for a favor, the famously brilliant—and notoriously lazy—detective is inclined to listen. According to Cohen, someone wants to kill the Gazette's gossip columnist, Cameron Clay. Death threats are a regular hazard for Clay, who's hurled insults and accusations at every bold-faced name in the five boroughs. But the latest threats have carried a more sinister tone. The columnist has narrowed his potential killers down to five people: an egomaniacal developer, a disgraced cop, a corrupt councilman, a sleazy lawyer, and his own ex-wife. But when Clay turns up dead, the cops deem it a suicide. The bigwigs at the Gazette don't agree, so they retain Wolfe and his indefatigable assistant, Archie Goodwin, to figure out which of the suspects had the mettle to pull the trigger. In this "outstanding" mystery, Robert Goldsborough, author of *Murder in E Minor*, "once again demonstrates an impressive ability to emulate Rex Stout's narrative voice" (Publishers Weekly, starred review). *Spottisbrough* Apr 29 2020 Spottisbrough Lane is a dark, dirty alley in the city of the fringe district of Morington Estate. She helped transform a group of individual women into one of the most successful, powerful and united Wolfpacks of all time. In her retirement, Abby's ready to do the same for her new team: All Women Everywhere. In Wolfpack, Abby's message to women is: We have never been Little Red Riding Hood. We Are the Wolves. We must wander off the path and blaze a new one: together. She insists that women must let go of old rules of leadership that neither include or serve them. She's created a new set of Wolfpack rules to help women unleash their individual power, unite with their Wolfpack, and change the landscape of their lives and world: from the family room to the board room to the White House. · Make failure your fuel: Transform failure to wisdom and power. · Lead from the bench: Lead from wherever you are. · Champion each other: Claim each woman's victory as your own. · Demand the effing ball: Don't ask permission: take what you've earned. In Abby's vision, we are not Little Red Riding Hoods, staying on the path because we're told to. We are the wolves, fighting for a better tomorrow for ourselves, our pack, and all the future wolves who will come after us.

Death of an Art Collector Jan 07 2021 An art hoarder's suspicious death paints a nasty picture for Nero Wolfe. No matter how fabulously he's being courted, infamously dour "art hog" Arthur Wordell isn't keen on favoring the new Guggenheim Museum with his extensive collection. Even at the urging of his beloved daughter, Nadia. Then, the night after the museum's fête, Arthur takes a twenty-story plunge from the window of his Times Square office. Nadia thinks it's no mere coincidence. Eccentric, yes. Suicidal, no. Private investigator Nero Wolfe and his assistant, Archie Goodwin, agree. Especially after eyeballing Arthur's enemies and sycophants, including his ex-wife, a covetous curator, a troika of obsequious advisors, and an outré Greenwich Village artist anxious to see her work out of storage and on the walls of the "Guggie." For Wolfe, there's a problem: Arthur didn't leave a will. Without a beneficiary not a soul in Arthur's circle is set to benefit from his death. Nor do they show any customary indication of guilt. If anybody can solve a seemingly unsolvable masterpiece of murder, it's Wolfe. Unfortunately, this time, New York's artful investigator is, admittedly, stumped. Continuing the acclaimed series—which also includes *The Battered Badge*, *Archie Meets Nero Wolfe*, *Murder in the Ball Park*, *Archie in the Crosshairs*, and *Murder, Stage Left*—Nero Award-winning author Robert

Goldsborough "does a masterly job with the Wolfe legacy" (Booklist).

Archie Meets Nero Wolfe Nov 05 2020 An "excellent" novel that goes back to 1920s New York to reveal how the famed detective first met his incomparable sidekick (Publishers Weekly, starred review). In 1930, young Archie Goodwin comes to New York City hoping for a bit of excitement. In his third week working as a night watchman, he stops two burglars in their tracks—with a pair of hot lead slugs. Dismissed from his job for being "trigger-happy," he parlays his newfound notoriety into a job as a detective's assistant, helping honest sleuth Del Bascom solve cases like the Morningside Piano Heist, the Rive Gauche Art Gallery Swindle, and the Sumner-Hayes Burglary. But it's the kidnapping of Tommie Williamson, the son of a New York hotel magnate, that introduces Goodwin to the man who will change his life. Goodwin knows there's only one detective who can help find Tommie: Nero Wolfe, the stout genius of West Thirty-Fifth Street. Together, they'll form one of the most unlikely crime fighting duos in history—but first Goodwin must locate Tommie and prove that he deserves a place by Wolfe's side. In this witty story about the origin of a legendary partnership, Robert Goldsborough gloriously evokes the spirit of Nero Wolfe's creator, bestselling author Rex Stout, and breathes new life into his beloved characters.

He makes me feel things I don't quite comprehend. Things I didn't know were buried inside. No matter how hard I try to keep them quiet, I can't ignore the way his attention quickens my heartbeat or how his soft eyes and even softer lips stir up desires I've never had before, and now that he's this close to me, I'm not letting anything or anyone take him away.
